*Learned Ignorance* James L. Heft, Reuven Firestone, Omid Safi, 2011-08 Constructive interreligious dialogue is only a recent phenomenon Until the nineteenth century most dialogue among believers was carried on as a debate aimed either to disprove the claims of the other or to convert the other to one s own tradition At the end of the nineteenth century Protestant Christian missionaries of different denominations had created such a cacophony amongst themselves in the mission fields that they decided that it would be best if they could begin to overcome their own differences instead of confusing and even scandalizing the people whom they were trying to convert By the middle of the twentieth century the horrors of the Holocaust compelled Christians especially mainline Protestants and Catholics to enter into a serious dialogue with Jews one of the consequences of which was the removal of claims by Christians to have replaced Judaism and revising text books that communicated that message to Christian believers Now at the beginning of the twenty first century many branches of Christianity not least the Catholic Church are engaged in a world wide constructive dialogue with Muslims made all the more necessary by the terrorist attacks of September 11 In these new conversations Muslim religious leaders took an important initiative when they sent their document *A Common Word Between Us* to all Christians in the West It is an extraordinary document for it makes a theological argument various Christians in the West including officials at the Vatican have claimed that a theological conversation with Muslims is not possible based on texts drawn from the Hebrew Bible the New Testament and the Qur an that Jewish Christian and Muslim believers share the God given obligation to love God and each other in peace and justice The Institute for Advanced Catholic Studies brought together an international group of sixteen Jewish Catholic and Muslim

scholars to carry on an important theological exploration of the theme of learned ignorance      *The Future of Jewish Theology* Steven Kepnes, 2012-10-25 This engaging argument for the future of Jewish theology written by a renowned Jewish scholar provides a rounded introduction to the faith its history and its place in the modern world Explores foundational Jewish structures and concepts through the discussion and interpretation of Jewish texts Argues that we must acknowledge holiness as a ritual and ethical reality in order to heal the rift between different forms of Jewish practice and theology Covers historical context as well as the relations between Judaism Israel and the wider world today Speaks to both Jews and non Jews and demonstrates through textual readings how Jews Christians and Muslims can understand and share their theological riches      *The Routledge Handbook of Judaism in the 21st Century* Keren Eva Fraiman, Dean Phillip Bell, 2023-03-01 The Routledge Handbook of Judaism in the 21st Century is a cutting edge volume that addresses central questions and issues animating Judaism Jewish identity and Jewish society in a global integrated and forward looking way It introduces readers to the complexity of Judaism as it has developed and continues to develop throughout the 21st century through the prism of three contemporary sets of issues identities and geographies structures and power and knowledge and performances Within these sections international contributors examine central issues topics and debates including individual and collective identity globalization and localization Jewish demography diversity denominations and pluralism interreligious relations political orientations community organization family and gender the Bible and Talmud today Jewish philosophy and authority in Jewish thought digital Judaism antisemitism Jewish spirituality and rituals memory language religious education material culture literature music and art approaches to the environment and contemporary Zionism and Israel The handbook also includes an extensive bibliography to help orient readers to the most important and leading work in the field The Routledge Handbook of Judaism in the 21st Century is essential reading for students and researchers in religious studies and Jewish studies It will also be useful for those in related fields such as cultural studies literature sociology anthropology and history as well as Jewish professionals and lay leaders      "Let the Wise Listen and add to Their Learning" (Prov 1:5) Constanza Cordoni, Gerhard Langer, 2016-06-20 This Festschrift honours G nter Stemberger on the occasion of his 75th birthday on 7 December 2015 and contains 41 articles from colleagues and students The studies focus on a variety of subjects pertaining to the history religion and culture of Judaism and to a lesser extent of Christianity from late antiquity and the Middle Ages to the modern era      **The Fence and the Neighbor** Adam Zachary Newton, 2012-02-01 The Fence and the Neighbor traces the contours of two thinkers Emmanuel Levinas and Yeshayahu Leibowitz who crossed the divide between Talmud and philosophy proper Adam Zachary Newton shows how the question of nationalism that has so long haunted Western philosophy the question of who belongs within its fence and who outside has long been the concern of Jewish thought and its preoccupation with law limits and the place of Israel among the nations To those unfamiliar with Talmudic thought Newton shows how deeply its language and concerns shape Levinas He also offers an introduction to Leibowitz a

conservative religious thinker who was an outspoken gadfly and radically critical voice in the Israeli political scene Together their common origin in Jewish Eastern Europe a common concern with national allegiance and the common fence of religious Judaism that makes them intellectual neighbors are voiced in penetrating and original dialogue *The Oxford Handbook of Religious Perspectives on Reproductive Ethics* Davis,2023 As I write this introduction the third season of the Israeli series *Shtisel* has arrived on Netflix eagerly awaited by viewers around the world who would never have imagined how caught up they would get by this family drama of four generations of ultra Orthodox Jews living in Jerusalem One episode focuses on Ruchami and Hanina a young couple who have been married for five years but without children It turns out that pregnancy and childbirth would threaten Ruchami s life She is using an IUD but she keeps threatening to have it removed risking her life to become a mother Finally with great reluctance Hanina visits the rebbe the spiritual authority in their community to discuss the possibility of using a surrogate They are says the rebbe caught between two non ideal situations surrogacy normally forbidden is non ideal but so is Ruchami s unhappiness and the possibility that she might go ahead and take the risk which is also forbidden *Death of a Holy Land* Rose L.
