Rebeccas Children:

Rebecca's Children Alan F. Segal, 1989-03-15 Segal offers new insights into the origins of rabbinic Judaism and Christianity These twin descendants of Hebrew heritage shared the same social cultural and ideological context and the same minority status in the first century CE The separation between them fractured what remained of the shared symbolic life of Judea

REBECCA OF SUNNYBROOK FARM & NEW CHRONICLES OF REBECCA (Children's Book Classics) Kate Douglas Wiggin, 2024-01-13 In *Rebecca of Sunnybrook Farm* and *New Chronicles of Rebecca* Kate Douglas Wiggin presents an enchanting tapestry of childhood experiences steeped in the idyllic backdrop of rural New England The books are characterized by their lyrical prose and rich characterizations conveying the innocence and resilience of their young heroine Rebecca Randall Wiggin artfully weaves themes of friendship family and personal growth allowing readers to immerse themselves in the trials and tribulations of Rebecca's life as she navigates the complexities of growing up in a quaint yet challenging environment Set against the socio cultural context of late 19th century America these narratives combine humor with poignant reflections on the nature of belonging and identity Kate Douglas Wiggin an author and educator born in 1856 was deeply influenced by her own childhood experiences in rural Maine which shaped her understanding of the transformative power of storytelling A pioneer in children's literature Wiggin founded the first free kindergarten in San Francisco emphasizing the importance of early education Her belief in the potential of children and the significant role of nurturing in their development resonate throughout her work making Rebecca a memorable and relatable figure that embodies the struggles and triumphs of youth Both charming and insightful *Rebecca of Sunnybrook Farm* and its sequel offer a timeless exploration of childhood that continues to resonate with readers of all ages This classic collection invites you to delight in Rebecca's journey igniting a sense of nostalgia and wonder that encourages reflection on one's own childhood It is highly recommended for those who appreciate literary works that celebrate the joys and challenges of growing up making it a cherished addition to any child's library

Laura Halperin examines literary representations of harm inflicted on Latinas minds and bodies and on the places Latinas inhabit but she also explores how hope can be found amid so much harm Analyzing contemporary memoirs and novels by Irene Vilar Loida Maritza Pérez Ana Castillo Cristina García and Julia Alvarez she argues that the individual harm experienced by Latinas needs to be understood in relation to the collective histories of aggression against their communities Intersections of Harm is more than just a nuanced examination of the intersections among race ethnicity class gender and sexuality It also explores the intersections of deviance and defiance individual and collective and mind body and place Halperin proposes that ironically the harmful ascriptions of Latina deviance are tied to the hopeful expressions of Latina defiance While the Latina

protagonists defiance feeds into the labels of deviance imposed on them it also fuels the protagonists ability to resist such harmful treatment In this analysis Halperin broadens the parameters of literary studies of female madness as she compels us to shift our understanding of where madness lies She insists that the madness readily attributed to individual Latinas is entwined with the madness of institutional structures of oppression and she maintains that psychological harm is bound together with physical and geopolitical harm In her pan Latina study Halperin shows how each writer s work emerges from a unique set of locales and histories but she also traces a network of connections among them Bringing together concepts from feminism postcolonialism illness studies and ecocriticism *Intersections of Harm* opens up exciting new avenues for Latina o studies *J.K. Katrina Jagodinsky s enlightening history is the first to focus on indigenous women of the Southwest and Pacific Northwest and the ways they dealt with the challenges posed by the existing legal regimes of the nineteenth and twentieth centuries In most western states it was difficult if not impossible for Native women to inherit property raise mixed race children or take legal action in the event of rape or abuse Through the experiences of six indigenous women who fought for personal autonomy and the rights of their tribes Jagodinsky explores a long yet generally unacknowledged tradition of active critique of the U S legal system by female Native Americans *Internet Children's Television Series, 1997-2015* Vincent Terrace, 2016-08-04

Created around the world and available only on the web internet television series are independently produced mostly low budget shows that often feature talented but unknown performers Typically financed through crowd funding they are filmed with borrowed equipment and volunteer casts and crews and viewers find them through word of mouth or by chance The fifth in a series focusing on the largely undocumented world of internet TV this book covers 573 children s series created for viewers 3 to 14 The genre includes a broad range of cartoons CGI live action comedies and puppetry Alphabetical entries provide websites dates casts credits episode lists and storylines **Crossing Boundaries in Early Judaism and Christianity** Kimberley Stratton, Andrea Lieber, 2016-10-11 This volume celebrates the scholarship of Alan Segal During his prolific career Alan published ground breaking studies that shifted scholarly

conversations about Christianity rabbinic Judaism Hellenism and Gnosticism Like the subjects of his research Alan crossed many boundaries He understood that religions do not operate in academically defined silos but in complex societies populated by complicated human beings Alan s work engaged with a variety of social scientific theories that illuminated ancient sources and enabled him to reveal new angles on familiar material This interdisciplinary approach enabled Alan to propose often controversial theories about Jewish and Christian origins A new generation of scholars has been nurtured on this approach and the fields of early Judaism and Christianity emerge radically redefined as a result

50 Children's Bedtime Stories Bernard King, This is another read to at bedtime story book It follows requests from readers who read 50 Bedtime Stories For Children The original book 20 Bedtime Stories was written in self defence Five grandchildren expected a new story each evening when staying with us on holiday To avoid the blank feeling as I climbed the stairs to the bedroom without an idea in my head to expectant heads peeping above bedclothes I wrote 20 Bedtimes Stories Then 40 bedtime stories Now a year later there are 90 short bedtimes stories These I hope will last for a couple of holiday seasons Again most have them have been delivered to sleepy heads for approval and again you have market tested products here

Petticoat Heroes Rhian E. Jones, 2015-11-20 The first book on Rebecca Riots since 1989 The book looks at the Rebecca riots protest movement in Victorian Wales in a context informed by not only British and European historiography but also other disciplines including literature and anthropology The book is informed by recent work in cultural and gender history which it applies for the first time to the symbolic and ritual content of the protests The book s epilogue discusses historical protest in the context of the contemporary resurgence of leaderless extra parliamentary protest around the world including Occupy Anonymous and anti austerity movements

Children's Geographies Sarah L. Holloway, Gill Valentine, 2004-11-23 Children s Geographies is an overview of a rapidly expanding area of cutting edge research Drawing on original research and extensive case studies in Europe North and South America Africa and Asia the book analyses children s experiences of playing living and learning The diverse case studies range from an historical analysis of gender relations in nineteenth century North American playgrounds through to children s experiences of after school care in contemporary Britain to street cultures amongst homeless children in Indonesia at the end of the twentieth century Threaded through this empirical diversity is a common engagement with current debates about the nature of childhood The individual chapters draw on contemporary sociological understandings of children s competence as social actors In so doing they not only illustrate the importance of such an approach to our understandings of children s geographies they also contribute to current debates about spatiality in the social studies of childhood
