Series Order: Book 1: A Risk Worth Taking, Book 2: The Best Man's Baby, Book 3: The Doctor's Fake Fiancee, Book 4: The Rebel's Return. My Flint Hills Jim Hoy, 2020-09-30. Between the Nebraska border and Osage County, Oklahoma are the Flint Hills of Kansas, and growing on those hills is the last of the tallgrass prairie that once ranged from Canada to Texas, and on those fields of bluestem, cattle graze and tend to the cattle, someone like Jim Hoy whose people have ranched there from well not quite time immemorial but pretty darn close. Hoy has always called the Flint Hills home and over the decades he has made a study of them: their tough terrain and quiet beauty, their distinctive folk life and cattle culture, and marshaled his observations to bring the Flint Hills home to readers in a singular way. These essays are Hoy's Flint Hills, combining family lore and anecdotes of ranching life with reflections on the region's rich history and nature. Whether it's weaning calves or shoeing horses, checking in on a local legend or a night of high school basketball in nearby Cassoday, encountering a coyote or a badger or surveying what's happened to the tallgrass prairie over time, summoning cowboy traditions or parsing the place's plant life or rock formations, he has something to say, and you can bet it's well worth hearing. With his keen eye, understated wit, and store of knowledge, Hoy makes his Flint Hills come alive and in the telling live on.

*The Rebel's Hike* Joan K. Smith, 2024-11-04. *The Rebel's Hike* answers questions that nearly all human beings ask themselves: Who loves me? Am I important? What's my purpose in life anyway? Four middle school children find themselves in Wackus Bonkus, a colorful, invigorating realm, talking to OSOLAT, which they learn is an acronym for Original Source of Light and Truth, about these questions. Tyrone, the foster child troublemaker, arrives in Wackus Bonkus because of a fight that put him into a coma. Elijah, the popular redhead from a solid Bible-believing Christian family, goes when her family watches movies together. Riley, creative, shy, scrawny, and parented by a single father, finds himself there when reading books. And Alyssa, a book-smart cheerleader with friend problems, goes when she's taking tests at school. The four children discover that OSOLAT chose them because He has plans to help their generation see the world differently than the rest of the culture has been programmed to for generations. They encounter their Experts in Wackus Bonkus, beings who are their evil twin counterparts whose roles are to compel humans to make bad choices. Each of the four adventurers is gifted Rings of Truth to use on Earth, which gives them the ability to see the soul particles inside a person's body, even on a screen. Lighter particles reflect OSOLAT's love and purpose, while darker ones represent evil and sadness. A journalist named Becca Brown, whose daughter Nicole goes to the same school as the foursome, wants to make a name for herself by writing an award

winning series about Tyrone's miraculous recovery from his coma Alyssa with her fickle friendships is befriended by Nicole so her mom can manipulate information out of Alyssa who eventually cracks In addition her Ring of Truth disappears at the Brown residence leading Becca desperate for answers Knowing Elijah Tyrone and Riley also have Rings of Truth Becca hires a private investigator to get his hands on one of them eventually getting Tyrone's prison inmate father to help Things go terribly wrong resulting in Tyrone's death but not before he had begun living with Elijah's family and becoming a podcaster with a growing following Tyrone's podcast called The Rebel's Hike Podcast explains many Biblical truths OSOLAT had revealed to him presented in easy to understand hiking metaphors He talks about such topics as hikers choosing which trail to take giving their rocks to OSOLAT to carry learning where the Experts might be hiding along the way and how to use the Trail Guide when making decisions After Tyrone passes away Elijah's 16 year old brother Axel with whom Tyrone shared a room eventually takes over the podcasts With the help of Alyssa's 16 year old cousin Nora who becomes Axel's girlfriend they continue the mission to help their generation take The Rebel's Hike possibly changing society and the world for the better Readers have said This is the type of book that will give readers some spiritual food for thought and I think they'll still be thinking about it long after they've read the last page I think your book embraces imagination to understand and value the hopeful message of the Gospel Over and over we face a choice even in small moments and what that choice comes down to Who or what am I listening to Who or what do I answer to
