Coast Guard,1976 **Sanctuary of the DarkLight** Eric B,2023-09-26 The alien invasion is over and the province of Draegahn is FREE Or so it seems Now is late summer of 2461 more than two years since the last of the aliens departed the province of Draegahn and in fact planet Earth Fight for Right has assumed provincial rulership to help the cities and towns of Draegahn to repair themselves rebuild their localities and establish new customs and culture for their everyday lives But within this struggle lives a population that has lost faith in its appointed leaders believing their motives to be in the service not of the people but of themselves and the despotic alien rulers who had recently held the province under their boot For this reason above all the people have decided to seek new leadership In the midst of this era of science and technology the late 25th century lives 27 year old Darius young wizard leader of an avaricious amoral cult of dark magic practitioners known as the DarkLight Darius stands center stage in order to widen the eyes of countless spectators with his mind boggling performances emanating from his mastery in the art and craft of spellcasting The culminating result of years of this is Darius becoming an unwitting icon and leader in the eyes of the people At first merely fun loving and somewhat narcissistic a personal tragedy arouses within Darius a desire for vengeance which in turn develops into a thirst for power And this hunger may in turn lead the DarkLight to bring upon the people the darkest era of the history of Draegahn Darius charms the provincial masses with his genuine mystic arts demonstrations and as his popularity with the masses grows anarchy and dark religious practices spread and Fight for Right has an increasingly difficult time maintaining law and order in cities and towns throughout Draegahn Fortunately for Fight for Right a crop of light magic practitioners rises out of obscurity to aid them And of course as always those clad in black superheroes known as Night Crusaders come to their aid as well However as Darius grows increasingly powerful while he charms the masses turning them toward the dark side do even these allied forces of Light stand a chance against Darius **Men in Pink Collars** Cary O'Dell,2025-03-21 What is it like to work in a sometimes

Texan's Honor Leigh Greenwood, 2006 In this latest installment of Greenwood's Cowboys series Bret Nolan must bring Emily Abercrombie to Boston so she can hand over leadership of her family's shipping company But Bret never expects to fall in love with this rebellious beauty along the way Original *Anglophilia* Elisa Tamarkin, 2008-11-15 *Anglophilia* charts the phenomenon of the love of Britain that emerged after the Revolution and remains in the character of U.S. society and class the style of academic life and the idea of American intellectualism But as Tamarkin shows this Anglophilia was more than just an elite nostalgia it was popular devotion that made reverence for British tradition instrumental to the psychological innovations of democracy Anglophilia spoke to fantasies of cultural belonging polite sociability and finally deference itself as an affective practice within egalitarian politics Tamarkin traces the wide ranging effects of anglophilia on American literature art and intellectual life in the early nineteenth century as well as its influence in arguments against slavery in the politics of Union and in the dialectics of liberty and loyalty before the civil war By working beyond narratives of British influence Tamarkin highlights a more intricate culture of American response one that included Whig elites college students radical democrats urban immigrants and African Americans Ultimately Anglophilia argues that the love of Britain was not simply a fetish or form of shame a release from the burdens of American culture but an anachronistic structure of attachment in which U.S. Identity was lived in other languages of national expression
