Rebel Hearts Journeys Within The Iras:

Rebel Hearts Kevin Toolis, 2015-07-07 For ten years Kevin Toolis investigated the lives of the IRA soldiers who wage a secret battle against the British State His journeys took him from the back kitchens of Belfast where men joked while making two thousand pound bombs to prisons for interviews with men serving life sentences and to the graveyards where mourners weep Each chapter explores a world where history faith and human savagery determine life and death At once moving and harrowing **Rebel Hearts** is the most authoritative and insightful book ever written on the IRA **Rebel Hearts** Kevin Toolis, 1995-06-01 **Rebel Hearts** is a detailed and revealing account of the psychological underworld of Irish Republicanism Stunning It brings the dehumanizing horror of the Troubles into a painful dazzling light Simon Hoggart Sunday Tribune Kevin Toolis investigated the lives of men and women who for the twenty five years of the IRA s war with Britain formed the backbone of its effort Each chapter explores a world in which history and the republican and loyalist interpretation of it dominate lives and deaths **Rebel Hearts** does not seek to explain the roots of the conflict in Northern Ireland in a direct historical narrative form but constructs and reconstructs its history through a series of connected and highly detailed individual portraits The book is now updated with two long new chapters on all the latest developments One of the strengths of Kevin Toolis s compelling chilling coldly brilliant book is that it reawakens the mind to the reality of why they took place easily the best book I have read on the Troubles John Sweeney Literary Review An honest and important book essential for anyone who wants to assess what has been happening for the past twenty five years in Northern Ireland and what is likely to happen next Robert Kee Irish Times

Rebel Hearts Kevin Toolis, 1997-04-15 A detailed and revealing portrait of the world of the IRA **Rebel Hearts** explains and uncovers the roots of the conflict in Northern Ireland through a series of profiles of IRA men As romantic as it is violent Toolis has captured its pulse in prose that often approached poetry San Francisco Chronicle

Why Humans Fight Siniša Malešević, 2022-10-06 Male evi offers a novel sociological answer to the age old question Why do humans fight Instead of focusing on the motivations of solitary individuals he emphasises the centrality of the social and historical contexts that make fighting possible He argues that fighting is not an individual attribute but a social phenomenon shaped by one s relationships with other people Drawing on recent scholarship across a variety of academic disciplines as well as his own interviews with the former combatants Male evi shows that one s willingness to fight is a contextual phenomenon shaped by specific ideological and organisational logic This book explores the role biology psychology economics ideology and coercion play in one s experience of fighting emphasising the cultural and historical variability of combativeness By drawing from numerous historical and contemporary examples from all over the world Male evi demonstrates how social pugnacity is a relational and contextual phenomenon that possesses autonomous features

Terror Attack Brighton Kieran Hughes, 2014-10-30 The Brighton bombing in 1984 was the most audacious terrorist attack ever on the British Government Certainly it was the most ambitious since the Gunpowder plot of 1605 The Provisional I R A

detonated a bomb at the Grand Hotel on 12th October 1984 Most of the Government were staying at the hotel at the time The Conservative party was holding its annual conference in the town Five people were killed in the explosion and more than thirty were injured It came very close to wiping out most of the Government including the Prime Minister Margaret Thatcher The I R A s Patrick Magee had booked into the Grand Hotel under the false name of Roy Walsh about a month before He planted a bomb with a long delay timer hidden under a bath in one of the rooms He was given eight life sentences for the crime but released from prison in 1999 under the Good Friday Agreement He served just fourteen years behind bars It was one of two IRA bombs aimed directly at the collective Government of the day The other was in February 1991 when at the height of the Gulf War security alert the I R A fired a mortar bomb directly at Downing Street The War Cabinet was in session to discuss the threat from Saddam Hussein The bomb was only yards from hitting the Prime Minister and his senior colleagues The Grand Hotel bombing and the Downing Street bombing were different to the IRA s other attacks They were aimed directly at the heart of the democratically elected Government of the day particularly the Prime Minister and Cabinet Other IRA bombings either caused greater loss of life resulted in more injuries or were of a far greater financial cost For example attacks at Omagh in 1998 killed twenty eight the explosion in the City in London in 1993 cost one billion pounds and the Manchester Shopping Centre bomb in 1996 saw two hundred people hurt Devastating as these attacks were it can be argued that they were aimed at getting attention disrupting democracy costing the country money and bullying their way to the political decision making process *Hunger Strike* Thomas Hennessey, 2013-11-11 xx Brits Peter Taylor, 2014-05-29 The third part of the trilogy documenting modern day Northern Ireland by the author of *Provos* and *Loyalists* In the final part of his trilogy exploring The Troubles in Northern Ireland Peter Taylor talks to undercover agents of the British state and reveals for the first time the hidden secrets of the war they waged against the IRA for thirty years *PROVOS* and *LOYALISTS* told the story of the conflict from the point of view of the Republicans and Loyalists now the story with all its tragic twists and turns is told from the British perspective For the first time undercover soldiers Special Branch officers and a top MI6 agent step out of the shadows and along with the Whitehall mandarins who helped shape policy from Westminster tell their stories PRAISE FOR PETER TAYLOR Only a journalist of Peter Taylor s standing could have persuaded people from all sides in the conflict to cooperate in such a manner The result was a first rate piece of journalism It was also first rate history Guardian **Say Nothing** Patrick Radden Keefe, 2020-02-25 NEW YORK TIMES BESTSELLER NOW AN FX LIMITED SERIES STREAMING ON HULU NATIONAL BOOK CRITICS CIRCLE AWARD WINNER From the author of *Empire of Pain* a stunning intricate narrative about a notorious killing in Northern Ireland and its devastating repercussions One of The New York Times s 20 Best Books of the 21st Century A Kirkus Reviews Best Nonfiction Book of the Century A Los Angeles Times Best Nonfiction Book of the Last 30 Years Masked intruders dragged Jean McConville a 38 year old widow and mother of 10 from her Belfast home in 1972 In this meticulously reported book as finely paced as a novel Keefe uses McConville s murder

Sanders,2012-05-02 How The Troubles in Ulster defined the Scottish and British military experience post WW2 'The Age-Old Struggle' Jack Hepworth,2021-09-15 This is a wide ranging analysis of the internal dynamics of Irish republicanism between the outbreak of the Troubles in 1969 and the Good Friday Agreement of 1998 Engaging a vast array of hitherto unused primary sources alongside original and re used oral history interviews The Age Old Struggle draws upon the words and writings of more than 250 Irish republicans This book scrutinises the movement s historical and contemporary complexity the variety of influences within Irish republicanism and divergent republican responses at pivotal moments in the conflict Yet it also assesses the centripetal forces which connected republican organisations through decades of struggle Across five thematic chapters The Age Old Struggle offers new insights into republicanism s multi layered interactions with the global 68 tactical and strategic change revolutionary socialism feminism and religion Drawing on political periodicals ephemera and interviews with activists throughout the ranks of several republican groups the book roots its analysis in republicanism s temporal and spatial complexity It contends that the cultural significance of place interactions with class and revolutionary politics and shifting intra movement networks are essential to understanding the movement s dynamics since 1969 *Provisional Irish Republican Army and the Morality of Terrorism* Timothy Shanahan,2008-12-18 Is terrorism ever morally justified How should historical and cultural factors be taken into account in judging the morality of terrorist acts What are the ethical limits of state counter terrorism For three decades the Provisional Irish Republican Army waged an armed struggle against what it considered to be the British occupation of Northern Ireland To its supporters the IRA was the legitimate army of Ireland fighting to force a British withdrawal as a prelude to the re unification of the Irish nation To its enemies the IRA was an illegal fanatical terrorist organization whose members were criminals willing to sacrifice innocent lives in pursuit of its ideological obsession At the centre of the conflict were the then unconventional tactics employed by the IRA including sectarian killings political assassinations and bombings that devastated urban centres tactics that have become increasingly commonplace in the post 9 11 world This book is the first detailed philosophical examination of the morality of the IRA s violent campaign and of the British government s attempts to end it Written in clear accessible prose it is essential reading for anyone wishing to acquire a deeper understanding of one of the paradigmatic conflicts of the late 20th century

Informal Criminal Justice Dermot Feenan, 2018-02-06 This title was first published in 2002 This volume explores conceptual debates and provides contemporary research in the field of informal criminal justice including chapters on paramilitary punishment and post cease fire restorative justice schemes in Northern Ireland post apartheid vigilantism in South Africa and informal crime management in England *Bandit Country* Toby Harnden, 2024-04-18 A NEW EDITION OF ONE OF THE MOST CELEBRATED BOOKS ON THE TROUBLES Branded as Bandit Country by the British government South Armagh was the heartland of the Provisional IRA It was the rebel Irish stronghold where Thomas Slab Murphy reigned supreme bomb attacks on England were planned and the SAS tracked the IRA snipers who hunted British soldiers In this acclaimed and remarkable book originally published in 1999 Toby Harnden winner of the Orwell Prize brings to bear his skills as a fearless journalist inspired investigator and gifted historian threatened with imprisonment for protecting his sources in Northern Ireland but undeterred He draws on secret documents and unsparing interviews with key protagonists on both sides to produce perhaps the most compelling and essential account of the IRA and the Troubles Rules for Rebels Max Abrahms, 2018-09-04 Ever wonder why militant groups behave as they do For instance why did Al Qaeda attack the World Trade Center whereas the African National Congress tried to avoid civilian bloodshed Why does Islamic State brag over social media about its gory attacks while Hezbollah denies responsibility or even apologizes for its carnage This book shows that militant group behaviour depends on the tactical intelligence of the leaders The author has extensively studied the political plights of hundreds of militant groups throughout world history and reveals that successful militant leaders have followed three rules These rules are based on original insights from the fields of political science psychology criminology economics management marketing communication and sociology It turns out there's a science to victory in militant history But even rebels must follow rules Bloody Sunday Ian Hearn, 2021-12-15 Fifty years on a compelling new perspective on one of the most violent and controversial events of The Troubles in Northern Ireland **The IRA on Film and Television** Mark Connelly, 2014-01-10 The Irish Republican Army IRA has for decades pursued the goal of unifying its homeland into a single sovereign nation ending British rule in Northern Ireland Over the years the IRA has been dramatized in motion pictures directed by John Ford The Informer Carol Reed Odd Man Out David Lean Ryan's Daughter Neil Jordan Michael

Collins and many others. Such international film stars as Liam Neeson, James Cagney, Richard Gere, James Mason and Anthony Hopkins have portrayed IRA members alternately as heroic patriots, psychotic terrorists and tormented rebels. This work analyzes celluloid depictions of the IRA from the 1916 Easter Rising to the peace process of the 1990s. Topics include America's role in creating both the IRA and its cinematic image; the organization's brief association with the Nazis; and critical reception of IRA films in Ireland, Britain and the United States.

Terrorist Informers in Northern Ireland Samantha Newbery, 2024-10-21

By using informers to provide intelligence on terrorism, the security and intelligence agencies who handle them gain knowledge of their offences. Charges may then be brought against them provided evidence supports this course of action. But if imprisoned, an informer no longer has access to the time-sensitive, potentially life-saving intelligence they once had. There is therefore a tension between continuing to use an informer to provide intelligence on terrorism and upholding the law. This tension is at the heart of this book. *Terrorist Informers in Northern Ireland* analyses prominent terrorist informers such as Agent Stakeknife and lesser-known examples who collectively were active throughout Northern Ireland from the 1970s to the present. It looks at both those involved with republican groups and with loyalist groups and also those working for the police, the armed forces and MI5. Valuable pieces of the puzzle are unearthed in sources such as court judgments, official reports and in interviews conducted by the author. The book also analyses the way successive governments, the police, the armed forces and MI5 have addressed the regulation of terrorist informers' involvement in criminality as well as allegations of collusion between informers on one hand and the security and intelligence agencies on the other. Accordingly, the book also assesses the varied retrospective investigations into the use of terrorist informers and therefore the competing needs for secrecy and transparency. As Samantha Newbery's research here shows, although there is a tension between intelligence and the law, this can be successfully navigated.
