Original Rebel Guerrillas Paul Williams,2018-11-13 From the hills and valleys of the eastern Confederate states to the sun drenched plains of Missouri and Bleeding Kansas a vicious clandestine war was fought behind the big battle clashes of the American Civil War In the east John Singleton Mosby became renowned for the daring hit and run tactics of his rebel horsemen Here a relatively civilized war was fought women and children usually left with a roof over their heads But along the Kansas Missouri border it was a far more brutal clash no quarter given William Clarke Quantrill and William Bloody Bill Anderson became notorious for their savagery

Journey to Armageddon Kevin A. Campbell,2019-06-05 Once again the soldiers officers and commanders tell the story in this third volume of Kevin Campbell s comprehensive work on the Gettysburg Campaign Journey to Armageddon The hardships comradery short rations and the dance with the enemy s bullets and shells are all here Blistering sun drenching rains chocking dust sticky mud played out horses and men and the high level often inharmoniousness communications between army commanders and their governments are presented in these pages

Fortunately not all is despair and doom Included are the sometimes humorous interactions with the civilians met along their journey and the acrimony that frequently filled encounters between hungry soldiers and the administrators of the villages and towns they passed through The tales told by these hardy men about the events of their existence are significant elements within the story of the Gettysburg Campaign which author Kevin Campbell tells in a clear and concise prose Most historians who write of the great crusade gloss over these events in favor of the more prominent proceedings in and around Gettysburg These often ignored events and much more are incorporated into his complete treatment of the Union and Confederate armies on their journey to Armageddon The Republic of Canada Almost Patrick Richard Carstens,2013-01-31 The history of Canada since post War of 1812 to Confederation in 1867 is an interesting chapter and not a well known part of our history The provinces of Quebec and Ontario were ruled by non elected powers who controlled the governments In Lower Canada Quebec it was the Chateau Clique and in Upper Canada it was the Family Compact who provided the fuel for the Rebellions of 1837 38 To find the stories behind the story we started searching for roadside markers historical plaques monuments cemeteries and the tombstones to the fallen the battlefields and those who fought and those who were key players in the rebellion We are telling readers why Canada was Almost The Republic of Canada and why the Americans who fought and those who lost their lives fighting to add the Canadas to the United States of America The Birth of the FBI Willard M. Oliver,2019-07-16 Most people believe the Federal Bureau of Investigation began under J Edgar Hoover in the 1920s or 1930s Many also naturally assume it was developed for the express purpose of fighting crime However the reality is very different The reality is it began years earlier in 1908 under President Theodore Roosevelt In The Birth of the FBI Teddy Roosevelt the Secret Service and the Fight Over America's Premier Law Enforcement Agency Willard Oliver details the political fight that led to the birth of America's premier law enforcement agency Roosevelt was concerned about conservation and one issue he wanted enforced were the fraudulent land deals being perpetrated by many people including some members of Congress When he began using the Secret Service to investigate these crimes Congress blocked him from doing so The end result of this political spat was Roosevelt's creation of the FBI which heightened the political row between the two branches of government in the final year of Roosevelt's presidency The truth of the matter is the premier law enforcement agency in the United States was actually created because of a political fight between the executive and legislative branches of government The Birth of the FBI reveals the true story behind the birth of the FBI and provides some useful insight into an important part of our American history *Resurrecting Jesus: Parousia* Ronald Schenk,2012-05-09 Parousia is Book VII in the Resurrecting Jesus series and continues the story from Book VI The conflict between Delgado's New World Order and the alliance of the rebel MAC group and the Lafarians intensifies Joshua continues to struggle with everyone's expectations of him as the New Christ but reluctantly prepares himself and his new group of Disciples to return to Earth and confront the antichrist **Rebel Secrets** Stephanie Julian,2025-09-14 They're absolutely wrong for each other Rebel Erin Wright has

been driving me crazy since she became my sister's best friend Too chatty too bright too damn distracting The last thing I need while adjusting to my new AHL team is her sunny personality reminding me of everything I left behind in St David My family My team My home But when my brother's wedding forces us together for dance lessons the heat between us ignites into something I never saw coming One scorching kiss leads to one night that changes everything Now I can't stop thinking about the fire beneath all that sweetness and I want more and positively hot for each other Erin Rebel Lawrence is a muscle bound brooding hockey player who's made it clear he can barely tolerate me That's fine My hands are full running my bakery and bookstore without chasing after my best friend's grumpy older brother But the night of the wedding something shifts Maybe it's the way he looks at me when he thinks I'm not watching Maybe it's the heat in his touch during our dance I can't even blame the champagne All I know is that when we end up in bed together our chemistry is explosive The problem He's leaving I'm staying And neither of us expected to want more than one night Sometimes the person who drives you crazy is the one who can drive you wild
