Magrass, 2015-11-17 Is patriotism a good thing in an empire Did General Petraeus betray us or did Moveon Does morality often serve immoral purposes Morality Wars shows us how to understand the subtext of these questions and of all the debates about moral values and liberal versus conservative ideology Derber and Magrass show that the moral problem today is not just lying but immoral morality doing evil in the name of good e g Bush preemptively invading Iraq to spread liberty The authors explore three ancient codes of immoral morality frighteningly resurrected in America today those of empire the politically correct and the born again Although the right today has recrafted historic arguments that empires bring peace and fundamentalists battle moral decay the authors show the Democratic Party and the left have their own IM with Democrats supporting empire and the left its own political correctness America s political divide today is a backlash to the progressive revolution of the 1960s and 1970s secular antiwar and feminist that created a radical break from traditional values and set the stage for current morality wars In the spirit of de Tocqueville this powerful book offers a rich and vivid portrait of America s political landscape exploring ideas that can help move the nation to a new morality and politics *Traiphūmīkathā* Lithai (King of Sukhothai), 1987 *The Path to Freedom*, 2025-01-27 The Vimuttimaggā the Path to Freedom is a Theravāda Buddhist manual on the path leading to nibbāna the ultimate freedom from all mental bondage that is reached through the practice of virtue concentration and wisdom The emphasis of the manual is on concentration or meditation and it contains detailed explanations of all of the traditional Buddhist meditation topics The manual was composed by the Buddhist monk Upatissa as a guide for those who wish to practise this path Along with its successor the larger and more scholastic Visuddhimaggā it is the only known ancient Buddhist manual that is solely dedicated to the cultivation of the path and that gives such detailed systematic and sometimes unique instructions The original Pāli text of the Vimuttimaggā probably composed in Sri Lanka in the 3rd or 4th century CE is lost and the treatise now only survives as a 6th century Chinese translation and partially in Tibetan translations Besides the first complete English translation of the Chinese text of this important work as well as a translation of the Tibetan quotations from it this book also contains an extensive introduction discussing the contents history and other aspects of the Vimuttimaggā [The Entire Endtime Sequence](#) Robert L. Essays in Apocalypse Terry James,2018-07-01 A tense world struggles in chaos and the clock is ticking Events are aligning as mankind spirals into anger war fear and hopelessness Nations are at odds with populism and globalism Political leaders and dictators vie for power and influence Looking back you wonder how did we get here Yet these events are only signposts to the real future of mankind the prophetic end of days Globalism and Israel remain the two important factors to understanding key biblical prophecies Signals abound that this generation is on the edge of experiencing a transition into the Tribulation There may be no more dramatic proof that this sudden change is about to happen than what has resulted from the election of Donald J Trump as president of the United States In addition to being staunchly anti globalism Trump is stridently pro Israel moving the American Embassy from Tel Aviv to Jerusalem is proof Now discover Why Israel is such an important target for Satan How America is part of the biblical prophecies Which country is Babylon the Great and why it will be destroyed Follow prophecy expert Terry James as he shares a collection of pivotal essays from 2015 to 2017 that reveal and highlight the prophetic clues that have brought us to this point in the countdown to a coming judgment It all comes down to a single question are you prepared for what is to come

The Inkhorn Lewis Allen Buckland,2018-12-04 There are two geometries in the world the geometry of Jehovah God and the geometry of the devil Jehovah god represents the Aaronic priesthood Renewing of the holy ghost and the devil represents the mystery of Babylon God of forces The Inkhorn compares these geometries and applies scripture to what we see in the world today It answers the age old question regarding why our ancestors built pyramids in exact alignment to the stars and worshipped the sun and moon gods in a hierarchical structure It will be revealed that this was due to the mystery of Babylon Hierarchy of the angels The body of Jesus Christ and the holy ghost and the body of Satan and the cosmic sorceries of the universe The spirit of Antichrist are two hierarchies in the world that we must understand With this understanding we can explore future prophecies to come which challenge the false teachings in Christian eschatology You can learn more about the inkhorn and see a sneak preview of the book by visiting the authors website at www.theinkhornbook.com

Chosen Diana Akroyd,2006-11 Numbered Discourses Bhikkhu Sujato,SuttaCentral, SuttaCentral has published an entirely new translation of the four Pali Nik yas by Bhikkhu Sujato which is the first complete and consistent English translation of these core texts This is an ebook version of Bhikkhu Sujato s translation of the A guttara Nik ya which can also be read at SuttaCentral website The Numbered or Numerical Discourses are usually known as A guttara Nik ya in Pali abbreviated AN However the Pali tradition also knows the form Ekottara one up or incremental and this is the

form usually found in the northern collections These collections organize texts in numbered sets from one to eleven Compared to the other nik yas they are more oriented to the lay community The Ekottarik gama EA in Chinese is a highly unusual text which features a range of variations within itself when it comes even to basic doctrines It shares considerably less in common with the Pali A guttara than the other collections do with their counterparts In addition there is a partial Ekottarik gama in Chinese as well as a variety of individual discourses and fragments in Chinese and Sanskrit This translation of A guttara Nik ya was updated on March 6th 2023
