Recalled To Service The Memoirs Of Generals:

Maxime Weygand Barnett Singer,2008-06-02 During the armistice proceedings and at the Peace Conference after World War I French General Maxime Weygand served as chief aid to Marshal Foch Called out of retirement in the late 1930s Weygand again served his country during World War II becoming commander in chief of the French Army His call for enhanced French unity military preparedness and adaptation to a new kind of war dominated by tank mobility might have saved France the humiliating defeat in 1940 at the hand of the Nazis had it been heeded Weygand's recognition of the Nazi threat earned him the respect of Winston Churchill and Franklin Roosevelt Weygand's Vichy Resistance led to his imprisonment from late 1942 through the end of the war French archival sources available oral testimony and Weygand's private papers contribute to a fascinating biography of one of World War II's unsung heroes **A Memoir of the Services of Lieutenant-General Sir Samuel Ford Whittingham, K.C.B., K.C.H., G.C.F., Colonel of the 71st Highland Light Infantry** Sir Samuel Ford Whittingham,1868 *Memoirs of Lieutenant-General Lord Hill, Etc* Charles HULBERT,1816

The Memoirs of General W. T. Sherman William Tecumseh Sherman,2022-11-13 In The Memoirs of General W T Sherman the renowned military leader delivers a gripping and introspective account of his life and the Civil War Sherman's narrative is characterized by its candidness and striking detail revealing not only military strategy but also the profound psychological impact of war Written in a reflective style the memoir delves into the complexities of leadership the moral ambiguities of war and the national turmoil of the 19th century placing the reader directly into the harrowing experiences of his campaigns This work serves as a vital document in understanding the American Civil War's social and political landscape offering insights that transcend mere military history William Tecumseh Sherman born into a prominent family in 1820 became one of the most significant figures in American military history His experiences as a soldier and his deep understanding of military logistics and strategy informed his actions during the war particularly his controversial March to the Sea initiative Sherman's commitment to his cause paired with his awareness of the human cost of conflict shaped his compelling prose and candid reflections throughout his memoirs For readers interested in American history military strategy or powerful first person accounts of war Sherman's memoirs are essential His unique voice provides not only a personal narrative but also a broader commentary on human resilience and the costs of conflict making this work invaluable for historians students and anyone seeking to understand the complexities of America's past Memoirs Of General Sherman - 2nd. Edition, Revised And Corrected [Illustrated - 2 Volumes In One] General William Tecumseh Sherman,2014-08-15 Includes Civil War Map and Illustrations Pack 224 battle plans campaign maps and detailed analyses of actions spanning the entire period of hostilities Among the greatest memoirs ever produced during the 19th Century and a classic of American Literature the autobiography of General William Tecumseh Sherman is a fantastic read that reveals not only his experiences of the Civil War but Sherman as a man Not Just a book for military buffs Sherman paints a picture of himself and his contemporaries that does not always

fit with preconceptions not an unfeeling monster who ignored the cost of the war that he pursued I am tired and sick of war Its glory is all moonshine It is only those who have neither fired a shot nor heard the shrieks and groans of the wounded who cry aloud for blood for vengeance for desolation War is hell A firm and loyal friend to those who stuck by him especially his close adherent the future President U S Grant of whom he wrote Grant stood by me when I was crazy and I stood by him when he was drunk and now we stand by each other However perhaps understandably the majority of the memoirs relate to his great achievements as a soldier during the upheavals of the Civil War They are as detailed and vivid as any other recollections written of the Civil War and the author displays a rare knack of explaining the operations in light of the wider struggle Highly recommended This edition of the great General s memoirs is the second edition which was revised and amended from the first after inaccuracies had been corrected and as such is the definitive article

World War II in Europe, Africa, and the Americas, with General Sources Loyd Lee,1997-08-21 A broadly interdisciplinary work this handbook discusses the best and most enduring literature related to the major topics and themes of World War II Military historiography is treated in essays on the major theaters of military operations and the related themes of logistics and intelligence while political and diplomatic history is covered in chapters on international relations resistance movements and collaboration The volume analyzes themes of domestic history in essays on economic mobilization the home fronts and women in the military and civilian life The book also covers the Holocaust This handbook approaches each topic from a global viewpoint rather than focusing on individual national communities Except for nonprint material the literature research and sources surveyed are primarily those available in English The volume is aimed at both experts on the war and the general academic community and will also be useful to students and serious laymen interested in the war

Memoirs of General William T. Sherman William Tecumseh Sherman,1886

Memoir of General Lord Lynedoch John Murray Graham, 1877 *A Brief Memoir of the Life, and Revolutionary Services, of Major William Hazzard Wigg, of South Carolina* William Hazzard Wigg, 1860 **A Memoir of General Latta** E C C. Baillie, 1870 Appomattox Elizabeth R. Varon, 2013-09-06 Winner Library of Virginia Literary Award for Nonfiction Winner Eugene Feit Award in Civil War Studies New York Military Affairs Symposium Winner of the Dan and Marilyn Laney Prize of the Austin Civil War Round Table Finalist Jefferson Davis Award of the Museum of the Confederacy Best Books of 2014 Civil War Monitor 6 Civil War Books to Read Now Diane Rehm Show NPR Lee's surrender to Grant at Appomattox Court House evokes a highly gratifying image in the popular mind it was many believe a moment that transcended politics a moment of healing a moment of patriotism untainted by ideology But as Elizabeth Varon reveals in this vividly narrated history this rosy image conceals a seething debate over precisely what the surrender meant and what kind of nation would emerge from war The combatants in that debate included the iconic Lee and Grant but they also included a cast of characters previously overlooked who brought their own understanding of the war's causes consequences and meaning In Appomattox Varon deftly captures the events swirling around that well remembered but not well understood moment when the Civil War ended She expertly depicts the final battles in Virginia when Grant's troops surrounded Lee's half-starved army the meeting of the generals at the McLean House and the shocked reaction as news of the surrender spread like an electric charge throughout the nation But as Varon shows the ink had hardly dried before both sides launched a bitter debate over the meaning of the war and the nation's future For Grant and for most in the North the Union victory was one of right over wrong a vindication of free society for many African Americans the surrender marked the dawn of freedom itself Lee in contrast believed that the Union victory was one of might over right the vast impersonal Northern war machine had worn down a valorous and unbowed South Lee was committed to peace but committed too to the restoration of the South's political power within the Union and the perpetuation of white supremacy These two competing visions of the war's end paved the way not only for Southern resistance to reconstruction but also our ongoing debates on the Civil War 150 years later Did America's best days lie in the past or in the future For Lee it was the past the era of the founding generation For Grant it was the future represented by Northern moral and material progress They held in the end two opposite views of the

direction of the country and of the meaning of the war that had changed that country forever Memoir of General John Briggs, of the Madras Army Evans Bell,1885 *General Lord Wolseley of Cairo; A Memoir* Charles Rathbone Low,2025-07-10 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *General William T. Sherman: A Memoir* William Tecumseh Sherman,2019-12-18 First published ten years after the end of the Civil War Memoirs of General W T Sherman were among the first memoirs written by one of the prominent Civil War generals The memoirs caused a lot of controversy especially because of the author s unfair treatment of General Grant General Sherman replied to his critics any witness who may disagree with me should publish his own version of facts in the truthful narration of which he is interested *Rainbow Memories* Alison Reppy,1919

General Biography John Aikin,1815 **Memoir of Brigadier-General John Dagworthy of the Revolutionary War** George William Marshall,1895 Memories of General Pepé Guglielmo Pepe,1846 **Memoirs of General W. T. Sherman** William T. Sherman,2023-03-29 Reproduction of the original
