Recasting East Germany:

Recasting East Germany Chris Flockton, Eva Kolinsky, 2012-11-12 The transformation of east Germany since unification has wrought vast changes in the economy and in society and left deep scars as the types of social protection offered by the centralised socialism of the previous regime gave way to uncertainties and individualised life chances Social Transformation in Eastern Germany investigates the deep economic and social processes which east Germany has undergone highlighting the restructuring the social impacts and the stresses of adjustment experienced by key social groups whose workplace and social context has been recast almost out of recognition since 1990

Recasting East Germany Christopher Flockton, Eva Kolinsky, 1999 This is an investigation of the economic and social processes in East Germany highlighting the restructuring the social impacts and the stresses of adjustment experienced by key social groups

East German Distinctiveness in a Unified Germany Jonathan Grix, P Cooke, 2003-02-28 This book explores the nature of the dramatic growth in a distinct sense of East German identity in the years since the events that led to formal unification in 1990 While it is problematic to see East Germanness as a singular and homogenous identity it can be perceived as a distinctive phenomenon and a level of identification that exists alongside local regional and national identities The essays in this volume hope to challenge the commonly held misconception that East German regional identity is a problem that needs to be overcome in the process of unification Through analyses of the social political and cultural behaviour of East Germans and their perception of their own place in German society this volume makes a complex and nuanced contribution to discussions on German national identity and the unification process

Special Issue on Recasting East Germany: Social Transformation After the GDR Christopher Flockton, Eva Kolinsky, 1998

State and Minorities in Communist East Germany Mike Dennis, Norman LaPorte, 2011-08-01 Based on interviews and the voluminous materials in the archives of the SED the Stasi and central and regional authorities this volume focuses on several contrasting minorities Jehovah's Witnesses Jews guest workers from Vietnam and Mozambique football fans punks and skinheads and their interaction with state and party bodies during Erich Honecker's rule over the communist system It explores how they were able to resist persecution and surveillance by instruments of the state thus illustrating the limits on the power of the East German dictatorship and shedding light on the notion of authority as social practice

Antifascism After Hitler Catherine Plum, 2015-02-20 Antifascism After Hitler investigates the antifascist stories memory sites and youth reception that were critical to the success of political education in East German schools and extracurricular activities As the German Democratic Republic GDR promoted national identity and socialist consciousness two of the most potent historical narratives to permeate youth education became tales of communist resisters who fought against fascism and the heroic deeds of the Red Army in World War II These stories and iconic images illustrate the message that was presented to school age children and adolescents in stages as they advanced through school and participated in the official communist youth organizations and other activities This text delivers the first comprehensive

study of youth antifascism in the GDR extending scholarship beyond the level of the state to consider the everyday contributions of local institutions and youth mentors responsible for conveying stories and commemorative practices to generations born during WWII and after the defeat of fascism While the government sought to use educators and former resistance fighters as ideological shock troops it could not completely dictate how these stories would be told with memory intermediaries altering at times the narrative and message Using a variety of primary sources including oral history interviews the author also assesses how students viewed antifascism with reactions ranging from strong identification to indifference and dissent Antifascist education and commemoration were never simply state prescribed and were not as participation less as some scholars and contemporary observers claim even as educators fought a losing battle to maintain enthusiasm

Recasting West German Elites Michael R. Hayse, 2003-11-01 The rapid shift of German elite groups political loyalties away from Nazism and toward support of the fledgling democracy of the Federal Republic in spite of the continuity of personnel and professional structures has surprised many scholars of postwar Germany The key Hayse argues lies in the peculiar and paradoxical legacy of these groups evasive selective memory by which they cast themselves as victims of the Third Reich rather than its erstwhile supporters The avoidance of responsibility for the crimes and excesses of the Third Reich created a need to demonstrate democratic behavior in the post war public sphere Ultimately this self imposed pressure while based on a falsified selective group memory of the recent past was more important in the long term than the Allies stringent social change policies

Reinventing Gender Eva Kolinsky, Hildegard Maria Nickel, 2003 Since the unification of the DDR and the GDR women living in the former East Germany have lost many of the advantages that came with a planned economy This collection of essays examines the reinvented meaning of gender and the experience of East German women since unification

The German Polity Eric Langenbacher, 2021-07-29 This thoroughly revised and updated edition provides a comprehensive introduction to contemporary Germany one of the world's foremost economic and political powers During a series of profound crises over the last decade including migration challenges Brexit and the Covid 19 pandemic Germany has emerged as the undisputed leader of the European Union One of the world's strongest economies it exports goods services and ideas around the world In foreign policy it has taken on a more prominent role especially with its pursuit of soft power Yet as adept as German policy making has been the challenges have produced strains that reveal the limits of German influence Moreover after sixteen years in power Chancellor Angela Merkel will retire and new leadership will guide the country through the 2020s Looking back Eric Langenbacher traces the country's transformation since the seminal turning points of 1945 after World War II and 1990 after reunification Looking to the present the author explains and assesses its major institutions actors and issues Looking forward he explores the looming economic security and demographic challenges Germany must address in the years to come

The PDS - A symbol of eastern German identity? Adrian Webb, 2009-03-26 Die Linke the Left is now Germany's third largest political party and the fourth largest

political grouping in the Bundestag Germany's parliament Die Linke however is the result of a fusion in June 2007 between the left wing of the German social democratic party SPD and the Partei des demokratischen Sozialismus PDS the successor to East Germany's former effectively Communist ruling party the SED In practice the PDS contributed 60 000 of the new party's 72 000 members making Die Linke an essentially eastern German party Moreover the PDS had been unique in enjoying a level of electoral success denied to other Communist successor parties which had not turned themselves into mainstream social democratic parties within the new liberal democratic order This book employing the period 2001-03 for its detailed analysis suggests that this uniqueness is best understood as either an expression of eastern German national sentiment or as deriving from a reinterpretation of Marxism attuned to the interests of a democratic twenty-first century society and the book explores these alternative understandings in turn Noting both the historic distinctiveness of German capitalism and the contradictions within German communism it concludes that the PDS now fused in Die Linke remains nourished by the particularism of eastern Germany

Continuity and Change in German Politics Stephen Padgett, Thomas Poguntke, 2002

Over three decades Gordon Smith has written authoritatively and with style on almost every aspect of German politics In this volume leading UK and German scholars use themes from his work in an examination of the evolution of German policy in the face of socio-economic change globalisation European integration and the domestic upheaval of unification

The German Polity David P. Conradt, Eric Langenbacher, 2013-03-18 This thoroughly revised and updated edition of *The German Polity* provides a comprehensive introduction to contemporary German politics focusing especially on the recovery of the economy and Germany's growing power in Europe and beyond Looking back David P. Conradt and Eric Langenbacher trace the country's transformation since the seminal turning points of 1945 after World War II and 1990 after reunification Looking to the present the authors explain and assess its major institutions actors and issues Looking forward they explore the looming economic security and demographic challenges the political system must address in the years to come

Generational Shifts in Contemporary German Culture Laurel Cohen-Pfister, Susanne Vees-Gulani, 2010 The concept of the generation in today's German culture and literature and its role in German identity In the debates since 1945 on German history and culture the concept of generations has become ever more prominent Recent and ongoing shifts in how the various generations are seen and see themselves in relation to history and to each other have taken on key importance in contemporary German cultural studies The seismic events of twentieth-century German history are no longer solely first-generation lived experiences but are also historical moments seen through the eyes of successor generations The generation seen as a category of memory thus holds a key to major shifts in German identity The changing generational perspectives of German writers and filmmakers not only reflect but also influence these trends exposing both the expected differences between generational views and unexpected continuities Moreover as younger artists reframe recent history older generations like the 1968ers are also contributing to these shifts by reassessing their own experiences and cultural

contributions This volume of new essays applies current discourse on generations in German culture to contemporary works dealing with major sociohistorical events since the Nazi period Contributors Svea Br unert Laurel Cohen Pfister Friederike Eigler Thomas C Fox Katharina Gerstenberger Erin McGlothlin Brad Prager Ilka Rasch Susanne Rinner Caroline Schaumann Maria Stehle Reinhild Steingr ver Susanne Veas Gulani Laurel Cohen Pfister is Associate Professor of German at Gettysburg College and Susanne Veas Gulani is Assistant Professor of German and Comparative Literature at Case Western Reserve University *Born in the GDR* Hester Vaizey, 2016 The real life stories of eight East Germans caught up in the dramatic transition from Communism to Capitalism by the fall of the Berlin Wall and what they feel about life after the Wall

Property in the Margins A J van der Walt, 2009-05-29 Having its origins in the process of transformation and land reform that began to take shape in South Africa at the end of the last century this strikingly original analysis of property starts from deep inside the property regime and not from a distant or abstract perspective on property rules and practices Focusing on issues of stability and change in a transformative setting and on the role of tradition and legal culture in that context the book argues that a property regime including the system of property holdings and the rules and practices that entrench and protect them tends to insulate itself against change through the security and stability seeking tendency of tradition and legal culture including the deep assumptions about security and stability embedded in the rights paradigm rhetoric and logic that dominate current legal culture The rights paradigm tends to stabilise the current distribution of property holdings by securing extant property holdings on the assumption that they are lawfully acquired socially important and politically and morally legitimate This function of the rights paradigm tends to resist or minimise change including change brought about by morally politically and legally legitimate and authorised reform or transformation efforts The author s goal is to gauge the lasting power of the rights paradigm by investigating its effects in the margins of property law and of society by establishing the actual efficacy and power of reformist or transformative anti eviction policies and legislation aimed at the protection of marginalised and weak land users and occupiers in areas such as landlord tenant law eviction of unlawful occupiers of land and other restrictions on the landowner s power to enforce a stronger right to exclusive possession Ultimately the book s aim is to explore the possibility of opening up theoretical space where justice inspired changes to or transformation of the extant property regime can be imagined and discussed more or less fruitfully from an unusual perspective a perspective from the margins which is valuable for any theoretical consideration or discussion of property *Women and Gender in Central and Eastern Europe, Russia, and Eurasia* Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled

documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes **A World Recast** Simon

Serfaty,2012-10-12 The end of the unipolar moment completes the passing of a Western era that was prolonged for half a century when the United States took over for a defeated and exhausted group of European states after World War II Distinguished scholar Simon Serfaty vigorously argues that while it is possible and even desirable to acknowledge the passing of the Western era it is exaggerated to present it as an irreversible decline of the West relative to an irresistible rise of the Rest Rather he shows that the unfolding post Western moment will be messy In addition to the United States and the states of Europe as a Union the new cast of significant powers will involve a dozen or more countries emerging powers like China and India postimperial powers such as Japan and Russia new influentials like Brazil and Turkey pivot states like Egypt and Pakistan nuisance states like Iran failed or failing states like North Korea and Sudan and others Echoes of a Sarajevo moment played out this time in the greater Middle East the new global Balkans for the twenty first century But Serfaty convincingly contends that even during a zero polar moment of geopolitical transition American power remains superior and thus indispensable though no longer decisive Western power stands on top and thus is inescapable though no longer exclusive and even as the Rest gains broadly in stature and reach it is unlikely to achieve preponderance any time soon This powerful and provocative book should be read by all who share a deep concern for the future of America and a recast world

The European Security Order Recast Barry Buzan,1990 SCOTT copy 1 From the Joohn Holmes Library Collection

Wage Distribution Fairness in Post-Socialist Countries Zsófia Ignácz,2017-10-30 Fairness of wage distribution or the perception of such is a phenomenon crucial for the stability of new democracies While theories exist about how change of the political system trickles down to the attitudinal level the systematic analysis of the effect of economic transition on public attitudes has been neglected to a large extent Wage Distribution Fairness in Post Socialist Countries proposes a conceptual framework to measure the fairness of wage distribution Indeed looking particularly at wage distribution fairness in three post socialist societies Hungary East Germany Czech Republic since the transition in 1989 this challenging monograph also aims to understand if and to what extent the experience of a socialist regime motivates individuals to consider wage distribution as fair Contributing to our understanding of the relevance of socialization and other situational factors influencing economic legitimacy Wage Distribution Fairness in Post Socialist Countries will appeal to undergraduate and postgraduate students as well as postdoctoral researchers interested in fields including Sociology Eastern European Studies and Political Economics

Ideology, Political Transitions and the City Aleksandra Djurasovic,2016-06-10 Recent history has seen Bosnian and Herzegovinian BiH cities undergoing several transitions Their cities have developed under socialism 1945 1992 have suffered

through the civil war during the 1990s and during the last twenty years have been undergoing a slow and multifaceted transition to an indeterminate end point Focusing on the post socialist postwar and neoliberal transitions experienced in BiH the book shows that planning systems deviated from control oriented and top down regulation to flexible approaches for more open for informal development The book analyzes several levels of planning related processes the former Yugoslavia BiH the city of Mostar and three urban zones the Industrial Zone Bi e Polje the City Zone Rondo and the Historic District and the Old Town Zone in order to offer insights into the new planning systems in the late phase of post socialist transition

Thank you for downloading **Recasting East Germany**. Maybe you have knowledge that, people have look hundreds times for their chosen readings like this Recasting East Germany, but end up in infectious downloads.

Rather than reading a good book with a cup of coffee in the afternoon, instead they are facing with some infectious bugs inside their laptop.

Recasting East Germany is available in our book collection an online access to it is set as public so you can get it instantly. Our book servers hosts in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the Recasting East Germany is universally compatible with any devices to read

Recasting East Germany Introduction

In today's digital age, the availability of Recasting East Germany books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Recasting East Germany books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Recasting East Germany books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Recasting East Germany versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Recasting East Germany books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Recasting East Germany books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Recasting East Germany books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both

public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Recasting East Germany books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Recasting East Germany books and manuals for download and embark on your journey of knowledge?

FAQs About Recasting East Germany Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Recasting East Germany is one of the best book in our library for free trial. We provide copy of Recasting East Germany in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Recasting East Germany. Where to download Recasting East Germany online for free? Are you looking for Recasting East Germany PDF? This is definitely going to save you time and cash in something you should think about.
