Revelations of the End Dr. Robert "Andy" Gowins,2025-02-05 Revelations of the End A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days

Revelations Douglas J. Edgel,2012-05-01 2012 Edition This is a sweeping novel chockablock with story lines and disastrous events mixed with a compelling undercurrent of inspiration A graphic look at Armageddon by a talented author Santa Barbara News Press Author Douglas Edgel paints a vivid picture of carnage and destruction as we follow the lives of four Americans trying to find their way through the cataclysms of the approaching apocalypse With the end of the Mayan calendar quickly approaching what a great time to release the 2012 Edition An apocalyptic thriller that you won t be able to put down In the twenty first century an unthinkable chain reaction has manifested itself in an apocalyptic nightmare for the inhabitants of the Earth Who could have imagined it could have been born out of seemingly innocuous comet Shoemaker Levi 9 which slammed into Jupiter in 1994 Astrophysicist Levon Halston is summoned to a meeting of internationally renowned scientists to discuss the possible consequences of Jupiter s orbital deviation Within months his dire predictions are dwarfed as the barely perceptible orbital deviation escalates into rapidly occurring celestial upheavals With the entire planet of Earth in the midst of devastation and chaos Levon is plunged into an anxiety ridden quest across the United States to find his 12 year old daughter Along the way he converges with Michelle and Jordan who are fleeing California s destruction Together they go through the furious struggles of a horrifying reality at the same time trying to define their own utopia

Revelation Joel R. Beeke,2016-10-21 Are you confused by the great variety of interpretations of the book of Revelation such as the preterist the historicist the futurist the idealist and an eclectic approach that embraces the strengths of all these Would you like a clear understanding of various millennial approaches related to the last times In this book of sermons on Revelation Joel Beeke gives you all this and much more as he preaches through Revelation in a thoroughly biblical doctrinal experiential and practical way intended to comfort and mature believers to warn the unsaved to flee to Christ for salvation and to exalt Christ as the King of kings and only

Head of His church **Revelation** Wayne D Mueller,1996-07-01 What is the book of Revelation about in the Bible Who wrote Revelation The last book of the Bible Revelation provides Christians with a beautiful assurance of Christ s final victory The seven visions the apostle John records in Revelation describe the ongoing struggle between Christ and Satan In this book God assures believers that they will have eternal victory in the new Jerusalem above and that Satan finally will be defeated just as God promised Want to learn more If you re wondering what the book of Revelation is all about this helpful resource is for you Revelation is a reliable Bible commentary It s down to earth clearly written easy to read and understand and filled with practical and modern applications to Scripture It also includes the complete text of the book of Revelation from the NIV Bible The Christ centered commentaries following the Scripture sections contain explanations of the text historical background illustrations and archaeological information Revelation is a great resource for personal or group study This book is a part of The People s Bible series from Northwestern Publishing House *Revelation* Grant R. Osborne,2023-10-17 The Book of Revelation contains some of the most difficult passages in Scripture Grant Osborne s commentary on Revelation interprets the text while also introducing readers to the perspectives of contemporary scholarship in a clear and accessible manner Osborne begins with a thorough introduction to Revelation and the many difficulties involved in its interpretation He discusses authorship date of writing and the social and cultural setting of the work He also examines elements that complicate the interpretation of apocalyptic literature including the use of symbols and figures of speech Old Testament allusions and the role of prophetic prediction Osborne surveys various approaches commentators have taken on whether Revelation refers primarily to the past or to events that are yet future Rather than exegeting the text narrowly in a verse by verse manner Osborne examines larger sections in order to locate and emphasize the writer s central message and the theology found therein Throughout he presents his conclusions in an accessible manner When dealing with particularly problematic sections he considers the full range of suggested interpretations and introduces the reader to a broad spectrum of commentators Revelation seeks to reach a broad audience with scholarly research from a decidedly evangelical perspective Revelation Gordon D Fee,2013-04-25 Revelation is a book that many Christians find confusing due to the foreign nature of its apocalyptic imagery It is a book that has prompted endless discussions about the end times with theological divisions forming around epicenters such as the rapture and the millennium In this book award winning author Gordon Fee attempts to excavate the layers of symbolic imagery and provide an exposition of Revelation that is clear easy to follow convincing and engaging Fee shows us how John s message confronts the world with the Revelation of Jesus Christ so that Christians might see themselves as caught up in the drama of God s triumph over sin evil and death Fee draws us into the world of John and invites us to see the world through John s eyes as themorbid realities of this world have the joyous realities of heaven cast over them In this latest installment in the New Covenant Commentary Series we see one of North America s best evangelical exegetes at his very best *Revelation* G. International Greek Testament Commentary volume on Revelation has been highly praised since its publication in 1999 This shorter commentary distills the superb grammatical analysis and exegesis from that tome over 1 300 pages into a book more accessible and pertinent to preachers students and general Christian readers As in the original commentary Beale views Revelation as an integrated whole as a conscious continuation of the Old Testament prophetic books and shows that recognizing Revelation s nearly constant use of Old Testament allusions is key to unlocking its meaning Interspersed throughout the volume are more than sixty sets of Suggestions for Reflection to help readers better grasp the relevance of Revelation to their lives and our world today

Revelation Dr R GARY ASHLEY,2023-09-13 Every book of the Bible is of major importance However there are two books that stand out from the rest These books are Genesis and Revelation Genesis is the Bible s introduction and Revelation is the Bible s conclusion Genesis tells us how all things began Revelation tells us how all things will end The person who does not have an overall grasp of these two books will fall short of understanding the Bible as a whole Revelation Putting the Cookies on the Bottom Shelf was written to make the book of Revelation understandable My serious journey in Revelation began over a decade ago I read the Revelation in my morning devotion and started on my daily routine It suddenly dawned on me that I had little to no understanding of what I had just read I had preached on passages from the book and I had taken an exegetical class in seminary on the topic but I only was fooling myself if I thought I grasped the meaning of the book I made a commitment to God that day I told him with the help of the Holy Spirit I would study until I understood the Revelation from the correct biblical perspective and was true to the author s original intent I took the next year to study the book from every perspective I could find At the conclusion of my study I was confident I had arrived at an accurate interpretation I used the next year to preach verse by verse through the book I made another commitment to God to compile my research in the form of a book I wanted the Christian community at large to benefit from my research Revelation was not written for the biblical scholar it was written for the average man in the pew

Revelation: the Last Call Mary Smith,2014-09-18 Revelation was given to us by Jesus Himself so that we can be sure of the rest of the story He loved all of us SO much He died and rose again to save us He is here in every progression of the end of time offering His personal invitation to repent and accept salvation it is the Last Call In our world of mistrust violence pain and tears He is here offering relief from all of it He is completely trustworthy to complete it Revelation has a very simple message for each one of us Repent and accept Jesus as Savior and spend eternity in a wonderful spectacular City of God where the Tree of Life sustains us The Last Call is a gripping interpretation of the last book of the Bible It simplifies the message of a portion of Scripture that is daunting and confusing to many Christians It offers a stirring call to believers and nonbelievers alike to come to terms with the earth shaking events portrayed in the Apocalypse Leonard Allen author of The Contemporaries Meet the Classics on Prayer

Revelation Brian K. Blount,2013-03-01 This new title in the New Testament Library Series provides a concise and confident guide through the complex passages of the book of Revelation

Revelation Terry Briley, 2013-07-29 In this study you will learn that the book of Revelation is neither a riddle about the date of Christ's return nor a message only for Christians facing violent persecution. Rather, it speaks to all Christians in all ages who face the challenge of being faithful witnesses between Christ's resurrection and his triumphant return. Using the method of study established in previous Meditative Commentaries, readers will gain a deeper insight into the meaning of this last book of the Bible. And they will see that Jesus is more than a mere man; He is God's Son, the Conquering Lamb. Do you want a deeper, more fulfilling way of Bible study? Do you want to know God through Scripture, not just to know the teachings but to have a relationship with the Teacher? Perhaps you want to begin daily Bible reading but need guidance. Or you need a guide for family Bible study. Or your small group Bible study needs revitalizing. This meditative commentary is for you. There are many commentaries on the books of the Bible and workbooks for Bible study, but this series is different. It employs the classic Christian method of holy reading to help you hear the voice of God. Holy reading involves slowly engaging a short passage of Scripture, listening closely, reading repeatedly, praying the words, and perhaps sharing with fellow believers. God will bless us, our families, and our churches if we take the time to be still, listen, and do His word. **A Revelation of God's**

Calendar Rabbi Elliot Hass, 2023-02-09 In this book you will learn there is an ancient calendar that connects Heaven to Earth. Before the Bible was written, God's appointed times as written in Leviticus were observed. What God did on those appointed calendar dates in the past is what He is doing today and what He is going to do in the future. How God is still unfolding His calendar in a revelation to us today and manifesting Himself to us through every part of His calendar. Here you will find the meaning of your salvation experience in Messiah Yeshua, Jesus, through the times and seasons of His calendar. You will find out the many ways believers in His true church have been lied to. The Scriptures say the truth will set you free. You will find out how these appointed times with their teachings are shown beautifully in the shadow of many events in the world today. You will see some appointed times that will be proclaimed in the future but are hidden to many today. This is a book that can be used to disciple and train people in the Word, knowing His voice and living the kingdom life He placed in every born-again believer. This will prophetically and spiritually prepare you for what is coming quickly upon this world.
