Later Editions and Reissues of Novels by R.F. Delderfield, Not Catalogued Separately. Ronald Frederick **R.F. Delderfield** Sanford Sternlicht, 1988 Good Nights Out Aleks Sierz, 2019-12-12 London's West End is a global success story staging phenomenal hit shows that have delighted millions of spectators and generated billions of pounds in revenue In Good Nights Out Aleks Sierz provides a thematic survey of such popular theatre shows that were enormous commercial successes over the past 75 years He argues that these outstanding hits have a lot to say about the collective cultural social and political attitudes and aspirations of the country and about how our national identity and theatre s role in creating it has evolved over the decades The book spans a range of work from almost forgotten plays such as R F Delderfield's Worm's Eye View and Hugh Hastings's Seagulls Over Sorrento to well known mega hits such as The Mousetrap and The Phantom of the Opera Such popular work has tended to be undervalued by some critics and commentators mainly because it has not been thought to be a suitable subject for inclusion in the canon of English Literature By contrast Sierz demonstrates that genres such as the British musical light comedy sex farce or murder mystery are worth appreciating not only for their intrinsic theatrical qualities but also as examples of the dream life of the British people The book challenges the idea that mega hits are merely escapist entertainments and instead shows how they contribute to the creation of powerful myths about our national life The analysis of such shows also points towards the possibility of creating an alternative history Give Us This Day R. Delderfield, 2010-06-01 in the beloved classic God Is an Englishman saga of postwar British theatre A heroic finale to the author's cavalcade of middle class life W B Hill Best Sellers Sweeping Adam Swann and three generations of his family into the tide of events that followed Queen Victoria's Diamond Jubilee in 1897 this stirring novel confronts them and England with the social upheaval of a rapidly changing world The same revolutionary ferment that stirs up labor unrest also births the English suffragette movement taking the family idealist Giles to Parliament With conflicting interests two of his brothers usher the family s firm into the twentieth century and another Swann brother Alex a professional soldier attempts to introduce an outmoded army to modern tactics Like their aging father these Swanns strive energetically to wed personal dreams to national values even as the rumble of the guns of August 1914 signals the end of the world as they and their country have known it Give Us This Day is a stirring saga of England in the late nineteenth and early twentieth century as the social upheaval begins and the Great War looms forever changing the landscape of England and her people Mr Delderfield's vast public will find here his undimmed facility as a storyteller The New Yorker Rich and rewarding the sort of thing to read at leisure and peacefully Moreover it is authentic It has the spirit of the times Library Journal To Serve **Them All My Days** R.
