Selected Papers Of Homer Cummings Attorney General Of The United States 1933 1939:

Selected Papers of Homer Cummings, Attorney General of the United States, 1933-1939 Homer Stillé Cummings,1972 *Selected Papers of Homer Cummings* Homer Cummings,2013-10 This is a new release of the original 1939 edition

Selected Papers of Homer Cummings: Attorney General of the United States 1933-1939 Homer Cummings,2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

Anatomy of a Lynching James R. McGovern,2013-10-07 A sensitive and forthright analysis of one of the most gruesome episodes in Florida history McGovern has produced a richly detailed case study that should enhance our general understanding of mob violence and vigilantism Florida Historical Quarterly McGovern has succeeded in writing more than a narrative account of this bloodcurdling story he has explored its causes and ramifications American Historical Review A finely crafted historical case study of one lynching its antecedents and its aftermath Contemporary Sociology First published in 1982 James R McGovern s Anatomy of a Lynching unflinchingly reconstructs the grim events surrounding the death of Claude Neal one of the estimated three thousand blacks who died at the hands of southern lynch mobs in the six decades between the 1880s and the outbreak of World War II Neal was accused of the brutal rape and murder of Lola Cannidy a young white woman he had known since childhood On October 26 1934 a well organized mob took Neal from his jail cell The following night the mob tortured Neal and hanged him to the point of strangulation repeating the process until the victim died A large crowd of men women and children who gathered to witness celebrate and assist in the lynching further mutilated Neal s body Finally the battered corpse was put on display suspended as a warning from a tree in front of the Jackson County Florida courthouse Based on extensive research as well as on interviews with both blacks and whites who remember Neal s death Anatomy of a Lynching sketches the social background of Jackson County Florida deeply religious crushed by the Depression accustomed to violence and proud of its role in the Civil War and examines which elements in the county s makeup contributed to the mob violence McGovern offers a powerful dissection of an extraordinarily violent incident

Making Minimum Wage Helen J. Knowles,2021-08-05 The US Supreme Court s 1937 decision in *West Coast Hotel v Parrish* upholding the constitutionality of Washington State s minimum wage law for women had monumental consequences for all American workers It also marked a major shift in the Court s response to President Franklin D Roosevelt s New Deal agenda In *Making Minimum Wage* Helen J Knowles tells the human story behind this historic case *West Coast Hotel v Parrish* pitted a Washington State hotel against a chambermaid Elsie Parrish who claimed that she was owed the state s minimum wage The hotel argued that under the concept of freedom of contract the US Constitution allowed it to pay its female workers whatever low wages they were willing to accept Knowles unpacks the legal

complexities of the case while telling the litigants stories Drawing on archival and private materials including the unpublished memoir of Elsie s lawyer C B Conner Knowles exposes the profound courage and resolve of the former chambermaid Her book reveals why Elsie who in her mid thirties was already a grandmother was fired from her job at the Cascadian Hotel in Wenatchee and why she undertook the outsized risk of suing the hotel for back wages Minimum wage laws are not an academic question or even a legal one Elinore Morehouse Herrick the New York director of the National Labor Relations Board said in 1936 Rather they are a human problem A pioneering analysis that illuminates the life stories behind West Coast Hotel v Parrish as well as the case s impact on local state and national levels Making Minimum Wage vividly demonstrates the fundamental truth of Morehouse Herrick s statement **Supreme Power: Franklin Roosevelt vs. the Supreme Court** Jeff Shesol,2011-03-14 A stunning work of history Doris Kearns Goodwin author of No Ordinary Time and Team of Rivals Beginning in 1935 the Supreme Court s conservative majority left much of FDR s agenda in ruins The pillars of the New Deal fell in short succession It was not just the New Deal but democracy itself that stood on trial In February 1937 Roosevelt struck back with an audacious plan to expand the Court to fifteen justices and to pack the new seats with liberals who shared his belief in a living Constitution *Phil Swing and Boulder Dam* Beverley Bowen Moeller,2023-04-28 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1971 [The History of the Administrative Office of the United States Courts](#) United States. Administrative Office of the United States Courts,2000 **Removing Politics from the Administration of Justice** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Separation of Powers,1974

Removing Politics from the Administration of Justice United States. Congress. Senate. Committee on the Judiciary,1974 **Anglo-American Law Collections** Mortimer D. Schwartz,Dan F. Henke,1970 [The Yale Biographical Dictionary of American Law](#) Roger K. Newman,2009-01-01 This book is the first to gather in a single volume concise biographies of the most eminent men and women in the history of American law Encompassing a wide range of individuals who have devised replenished expounded and explained law The Yale Biographical Dictionary of American Law presents succinct and lively entries devoted to more than 700 subjects selected for their significant and lasting influence on American law Casting a wide net editor Roger K Newman includes individuals from around the country from colonial times to the present encompassing the spectrum of ideologies from left wing to right and including a diversity of racial ethnic and religious groups Entries are devoted to the living and dead the famous and infamous many who upheld the law and some who broke it Supreme Court justices private practice lawyers presidents professors journalists philosophers novelists prosecutors and others the individuals in the volume are as diverse as the nation itself Entries written by close to 600 expert contributors

outline basic biographical facts on their subjects offer well chosen anecdotes and incidents to reveal accomplishments and include brief bibliographies Readers will turn to this dictionary as an authoritative and useful resource but they will also discover a volume that delights and entertains Listed in The Yale Biographical Dictionary of American Law John Ashcroft Robert H Bork Bill Clinton Ruth Bader Ginsburg Patrick Henry J Edgar Hoover James Madison Thurgood Marshall Sandra Day O Connor Janet Reno Franklin D Roosevelt Julius and Ethel Rosenberg John T Scopes O J Simpson Alexis de Tocqueville Scott Turow And more than 700 others The Year of Fear Joe Urschel,2015-09-08 A compelling tale that looks at the turbulent year of 1933 and the narrative reads like the most nail biting thriller imaginable yet it s all true Salon It s 1933 and Prohibition has given rise to the American gangster now infamous names like Bonnie and Clyde and John Dillinger Bank robberies at gunpoint are commonplace and kidnapping for ransom is the scourge of a lawless nation With local cops unauthorized to cross state lines in pursuit and no national police force safety for kidnappers is just a short trip on back roads they know well from their bootlegging days Gangster George Machine Gun Kelly and his wife Kathryn are some of the most celebrated criminals of the Great Depression With gin running operations facing extinction and bank vaults with dwindling stores of cash Kelly sets his sights on the easy money racket of kidnapping His target rich oilman Charles Urschel Enter J Edgar Hoover a desperate Justice Department bureaucrat who badly needs a successful prosecution to save his job Hoover s agents are given the sole authority to chase kidnappers across state lines What follows is a thrilling 20 000 mile chase over the back roads of Depression era America crossing 16 state lines Joe Urschel s The Year of Fear is a thrilling true crime story of gangsters and lawmen and how an obscure federal bureaucrat used this now legendary kidnapping case to launch the FBI A good fast read The Year of Fear takes off and shatters the lore The Washington Post A swift narrative and strong sense of place USA Today Many true crime books claim to shine a light on their chosen eras This one is the real deal Booklist starred review **One Nation Under Gold: How One Precious Metal Has Dominated the American**

Imagination for Four Centuries James Ledbetter,2017-06-13 One Nation Under Gold examines the countervailing forces that have long since divided America whether gold should be a repository of hope or a damaging delusion that has long since derailed the rational investor Worshipped by Tea Party politicians but loathed by sane economists gold has historically influenced American monetary policy and has exerted an often outsized influence on the national psyche for centuries Now acclaimed business writer James Ledbetter explores the tumultuous history and larger than life personalities from George Washington to Richard Nixon behind America s volatile relationship to this hallowed metal and investigates what this enduring obsession reveals about the American identity Exhaustively researched and expertly woven One Nation Under Gold begins with the nation s founding in the 1770s when the new republic erupted with bitter debates over the implementation of paper currency in lieu of metal coins Concerned that the colonies thirteen separate currencies would only lead to confusion and chaos some Founding Fathers believed that a national currency would not only unify the fledgling nation but provide a

perfect solution for a country that was believed to be lacking in natural silver and gold resources Animating the Wild West economy of the nineteenth century with searing insights Ledbetter brings to vivid life the actions of Whig president Andrew Jackson one of gold s most passionate advocates whose vehement protest against a standardized national currency would precipitate the nation s first feverish gold rush Even after the establishment of a national paper currency the virulent political divisions continued reaching unprecedented heights at the Democratic National Convention in 1896 when presidential aspirant William Jennings Bryan delivered the legendary Cross of Gold speech that electrified an entire convention floor stoking the fears of his agrarian supporters While Bryan never amassed a wide enough constituency to propel his cause into the White House America s stubborn attachment to gold persisted wreaking so much havoc that FDR in order to help rescue the moribund Depression economy ordered a ban on private ownership of gold in 1933 In fact so entrenched was the belief that gold should uphold the almighty dollar it was not until 1973 that Richard Nixon ordered that the dollar be delinked from any relation to gold completely overhauling international economic policy and cementing the dollar s global significance More intriguing is the fact that America s exuberant fascination with gold has continued long after Nixon s historic decree as in the profusion of late night television ads that appeal to goldbug speculators that proliferate even into the present One Nation Under Gold reveals as much about American economic history as it does about the sectional divisions that continue to cleave our nation ultimately becoming a unique history about economic irrationality and its influence on the American psyche

The Meese Revolution Steven Gow Calabresi, Gary Lawson, 2024-11-19 The Meese Revolution explores how Ed Meese became the most powerful and important Attorney General in American history Edwin Meese III is the most influential person ever to hold the office of U S Attorney General and almost no one knows it Ed Meese was at the center of virtually every major accomplishment of Ronald Reagan s transformative presidency from winning the Cold War without firing a shot to the economic boom that by the end of the 1980s was the envy of the world More to the point for this book Ed Meese is the person most responsible for the rise of constitutional originalism which treats the text and original meaning of the Constitution rather than the policy fads of the moment as authoritative law In 2024 originalism is a major force in the courts with a majority of Supreme Court justices and a raft of lower court and state court judges at least taking it seriously as a major contributor to decision making That result was unthinkable in 1985 when Meese took office and originalism was essentially unknown to the legal academy and almost wholly absent from the judicial process Ed Meese turned the U S Department of Justice into the academy in exile where originalism was developed refined theorized and put into practice This book describes the rise of originalism which necessitates telling the story of Ed Meese without whom it surely does not happen Meese s story threads through virtually all important legal and policy events of the 1980s many of which continue to shape the world of the twenty first century We are still living through the Meese Revolution *The Fiftieth Anniversary of the U.S. Department of Justice Building, 1934-1984* Antonio Vasaio, 1984 Al Capone Deirdre Bair, 2017-10-31 At the

height of Prohibition Al Capone loomed large as Public Enemy Number One his multimillion dollar Chicago Outfit dominated organized crime and law enforcement was powerless to stop him But then came the fall a legal noose tightened by the FBI a conviction on tax evasion a stint in Alcatraz After his release he returned to his family in Miami a much diminished man living quietly until the ravages of his neurosyphilis took their final toll Our shared fascination with Capone endures in countless novels and movies but the man behind the legend has remained a mystery Now through rigorous research and exclusive access to Capone s family National Book Award winning biographer Deirdre Bair cuts through the mythology uncovering a complex character who was flawed and cruel but also capable of nobility At once intimate and iconoclastic Al Capone gives us the definitive account of a quintessentially American figure

Congress Vs. the Bureaucracy Mordecai Lee, 2012-09-13

Government bureaucracy is something Americans have long loved to hate Yet despite this general antipathy some federal agencies have been wildly successful in cultivating the people s favor Take for instance the U S Forest Service and its still popular Smokey Bear campaign The agency early on gained a foothold in the public s esteem when President Theodore Roosevelt championed its conservation policies and Forest Service press releases led to favorable coverage and further goodwill Congress has rarely approved of such bureaucratic independence In Congress vs the Bureaucracy political scientist Mordecai Lee who has served as a legislative assistant on Capitol Hill and as a state senator explores a century of congressional efforts to prevent government agencies from gaining support for their initiatives by communicating directly with the public Through detailed case studies Lee shows how federal agencies have used increasingly sophisticated publicity techniques to muster support for their activities while Congress has passed laws to counter those PR efforts The author first traces congressional resistance to Roosevelt s campaigns to rally popular support for the Panama Canal project then discusses the Forest Service the War Department the Census Bureau and the Department of Agriculture Lee s analysis of more recent legislative bans on agency publicity in the George W Bush administration reveals that political battles over PR persist to this day Ultimately despite Congress s attempts to muzzle agency public relations the bureaucracy usually wins Opponents of agency PR have traditionally condemned it as propaganda a sign of a mushrooming self serving bureaucracy and a waste of taxpayer dollars For government agencies though communication with the public is crucial to implementing their missions and surviving In Congress vs the Bureaucracy Lee argues these conflicts are in fact healthy for America They reflect a struggle for autonomy that shows our government s system of checks and balances to be alive and working well

Building the Judiciary Justin Crowe, 2012-03-25 How did the federal judiciary transcend early limitations to become a powerful institution of American governance How did the Supreme Court move from political irrelevance to political centrality Building the Judiciary uncovers the causes and consequences of judicial institution building in the United States from the commencement of the new government in 1789 through the close of the twentieth century Explaining why and how the federal judiciary became an independent autonomous and powerful political institution Justin Crowe moves away from

the notion that the judiciary is exceptional in the scheme of American politics illustrating instead how it is subject to the same architectonic politics as other political institutions Arguing that judicial institution building is fundamentally based on a series of contested questions regarding institutional design and delegation Crowe develops a theory to explain why political actors seek to build the judiciary and the conditions under which they are successful He both demonstrates how the motivations of institution builders ranged from substantive policy to partisan and electoral politics to judicial performance and details how reform was often provoked by substantial changes in the political universe or transformational entrepreneurship by political leaders Embedding case studies of landmark institution building episodes within a contextual understanding of each era under consideration Crowe presents a historically rich narrative that offers analytically grounded explanations for why judicial institution building was pursued how it was accomplished and what in the broader scheme of American constitutional democracy it achieved
