of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States **John Berryman and Robert Giroux** Patrick Samway S.J.,2020-10-31 This engaging study provides new perspectives on the lives and work of two major figures in American poetry and publishing in the second half of the twentieth century Robert Giroux 1914 2008 editor in chief of Harcourt Brace and Company and later of Farrar Straus and Giroux and John Berryman 1914 1972 Pulitzer Prize winning poet and Shakespearean scholar who also received a National Book Award and a Bollingen Prize for Poetry From their first meeting as undergraduates at Columbia College in New York City in the early 1930s Giroux and Berryman became lifelong friends and publishing partners Patrick Samway received unprecedented access to Giroux s letters and essays By incorporating either sections or whole letters of the correspondence between Berryman and Giroux into this book Samway makes available for the first time a historical account of their relationship including revealing portraits of their personal lives As Giroux edited over a dozen books by Berryman his letters to the poet were often filled with editorial details and pertinent observations emanating from his genuine affection for his friend whose talent he never doubted even as Berryman endured prolonged periods of hospitalization due to his alcoholism Giroux gave Berryman the greatest gift he could sustained encouragement to continue writing without trying to manipulate or discourage him in any way But Giroux also had a deep seated secret desire to surpass the essays written about Shakespeare by Berryman as well as the book on Shakespeare written by their mutual professor Mark Van Doren Giroux s volume *The Book Known as Q A Consideration of Shakespeare s Sonnets* was finally published in 1982 Samway s fascinating account of a gifted but troubled poet and his devoted yet conflicted editor will interest fans of Berryman and all readers and students of American poetry International Who's Who in Poetry 2005 Europa Publications,2004-08-02 The 13th edition of the International Who s Who in Poetry is a unique and comprehensive guide to the leading lights and freshest talent in poetry today Containing biographies of more than 4 000 contemporary poets world wide this essential reference work provides truly international coverage In addition to the well known poets talented up and coming writers are also profiled Contents Each entry provides full career history and publication details An international appendices section lists prizes and past prize winners organizations magazines and publishers A summary of poetic forms and rhyme schemes The career profile section is supplemented by lists of Poets Laureate Oxford University professors of poetry poet winners of the Nobel Prize for Literature winners of the Pulitzer Prize for American Poetry and of the King s Queen s Gold medal and other poetry prizes **Robert Lowell's Imitations and the Cold War** Simon van Schalkwyk,2025-08-07 The first book length study focusing on Robert Lowell s career long preoccupation with the liberal mode of translational adaptation known as imitation Robert Lowell s *Imitations and the Cold War* argues that Lowell s imitations are simultaneously symptomatic of and critically responsive to familiar nodes of Cold War ideology such as containment and contamination secrecy and security post imperial U S expansion and Empire It departs from studies focused

solely on Imitations 1961 Lowell's book-length collection of translational adaptations by demonstrating how imitation shadows Lowell's work from his earliest collections *Land of Unlikeness* 1944 and *Lord Weary's Castle* 1946 through his celebrated mid-career collections *Life Studies* 1959 and *For the Union Dead* 1964 and to later works such as *Near the Ocean* 1969 and his contributions of adaptations from the Russian of Anna Akhmatova and Osip Mandelstam collected in Olga Carlisle's anthology *Poets on Street Corners* 1967 Simon van Schalkwyk excavates the imitational substrate undergirding and informing Lowell's compositional method and poetic imagination throughout the course of his career In so doing he shows how imitation enacts at the level of form Lowell's restless investment in Cold War geopolitics and literary networks in ways that inform develop and complicate his more conventional canonization as an unquestionably American poet preoccupied solely and simplistically with personal or autobiographical modes of poetic confession As literary sites at which containment's dualities porosities leakages and contaminants are most clearly displayed Lowell's imitations simultaneously challenge and develop our understanding of confession's presumably strict preoccupation with the personal regional and national frameworks through which Lowell has commonly been understood *Twentieth Century American Literature* Warren French, 1980-11-01 [Aberration in Modern Poetry](#) Lucy Collins, Stephen Matterson, 2011-12-22 This critical work considers the role played by elements that might be considered aberrational in a poet's oeuvre With an introductory essay exploring the nature of aberration these fourteen contributions investigate the work of major 20th century poets from the U S Britain Ireland Australia and New Zealand *Aberration* is considered from the standpoint of both the artist and the audience prompting discussion on a range of important issues including the formation of the canon Each essay discusses the status of the aberrant work and the ways in which it challenges enlarges or supports the overall perception of the poet **Writing the Radio War** Ian Whittington, 2018-02-01 *Writing the Radio War* merges the fields of sound studies radio studies and Second World War literary studies through considerations of both major and marginalized figures of wartime broadcasting **Modernism in Practice** Leith Morton, 2004-02-28 Postwar modernist verse has been rarely discussed in English language works on Japanese literature despite the fact that it has been the dominant mode of poetic expression in Japan since World War II Now readers of modern Japanese poetry in translation have gained an impressive intellectual and linguistic companion in their enjoyment of modern Japanese verse *Modernism in Practice* combines close readings of individual Japanese postwar poets and poetry with historical and critical analysis Five of the seven chapters concentrate on the life and work of such outstanding poets as Soha Sakon Ishigaki Rin Ito Hiromi Asabuki Ryoji and Tanikawa Shuntaro Several of these writers have only come into prominence in recent decades so this work also serves to acquaint readers with contemporary Japanese verse A significant dimension of this volume is the detailed and extensive treatment afforded two important areas of postwar Japanese verse the poetry of women and of Okinawa *Modernism in Practice* is noteworthy not only as an introduction to postwar Japanese poets and their times but also for the numerous poems that appear in translation

throughout the volume many for the first time in book form **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries
