## **Selected Radio And Television Criticism:**

*Electronic Media Criticism* Peter B. Orlik, 2001 Given the prominence of the electronic media in the 21st century it is crucial that both media professionals and consumers know how to decipher and evaluate media content the assumptions on which that content is based and the constraints to which it is subject *Electronic Media Criticism* offers a variety of critical approaches to audio and video discourse Rather than restricting itself to one perspective the book applies key aesthetic sociological philosophical psychological structural and economic principles to arrive at a comprehensive evaluation of both programming and advertising content Maintaining the approach of the original volume this second edition includes updated chapters to reflect the current media world including sample reviews and illustrations material pertaining to new media because the book is process oriented rather than medium oriented Internet referents are interspersed in discussion of the various critical perspectives two additional scripts for critical analysis an episode of *The Simpsons* and an installment of the dark Canadian comedy *The Newsroom* and new exercises for further practice in applying critical procedures Orlik interweaves the insights of industry and academic authorities recognizing that both orientations are essential in the development of a valid and viable critical outlook Written for media students and practitioners all readers of this volume will gain feasible and flexible tools for focused and rational analysis of electronic media products as well as improved understanding of the role and essential ingredients of criticism itself

**Encyclopedia of Radio 3-Volume Set** Christopher H. Sterling, 2004-03 Produced in association with the Museum of Broadcast Communications in Chicago the *Encyclopedia of Radio* includes more than 600 entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio's technology This encyclopedic work will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined

Nitrate Won't Wait Anthony Slide, 2013-05-03 This study looks at the preservation process newsreel television and color preservation the often controversial issue of colorization and commercial film archives It provides detailed histories of the major players in the preservation battle including the International Museum of Photography at George Eastman House the American Film Institute the Museum of Modern Art the UCLA Film and Television Archive and the Library of Congress This first historical overview of film preservation in the United States is also highly controversial in its exposure and criticism of the politicization of film preservation in recent years and the rising bureaucracy which has often lost sight of preservation and restoration as the ultimate purpose of film archives

**The Biographical Encyclopedia of American Radio** Christopher H. Sterling, Cary O'Dell, 2013-05-13 The *Biographical Encyclopedia of American Radio* presents the very best biographies of the internationally acclaimed three volume *Encyclopedia of Radio* in a single volume It includes more than 200 biographical entries on the most important and influential American radio personalities writers producers

directors newscasters and network executives With 23 new biographies and updated entries throughout this volume covers key figures from radio s past and present including Glenn Beck Jessie Blayton Fred Friendly Arthur Godfrey Bob Hope Don Imus Rush Limbaugh Ryan Seacrest Laura Schlesinger Red Skelton Nina Totenberg Walter Winchell and many more Scholarly but accessible this encyclopedia provides an unrivaled guide to the voices behind radio for students and general readers alike

*TV Critics and Popular Culture* Paul Rixon,2011-11-30 Ever since the first scheduled television broadcasts began in the 1930s newspapers and magazines took quickly to reviewing this revolutionary new medium The task of television criticism in the public doman intially fell to radio critics and journalists but the 1950s saw the rise of the dedicated TV critic These critics including Peter Black Philip Pursor and Clive James played an important part in shaping the public discourse about television This new book explores the evolution of television criticism in Britain exploring different types of TV critics and reviewers the form of their work and evaluates their importance in our understanding of the way television has become such an integral part of modern culture It also asks whether with the birth of new technologies is the TV critic a dying breed This is an important contribution to the fields of Journalism and Television Studies Cultural Studies and contemporary History
