Selected Stories Of H G Wells:

Selected Stories of H. G. Wells H. G. Wells, 2007-12-18 Ursula K Le Guin's selection of twenty six stories showcases H G Wells's genius and reintroduces readers to his singular talent for making the unbelievable seem utterly plausible He envisioned a sky filled with airplanes before Orville Wright ever left the ground He described the spectacle of space travel decades before men set foot on the moon H G Wells was a visionary a man of science with an enduring literary touch and his originality and inventiveness are fully on display in this essential collection Wells imagined both dark and bright futures because his creed allowed both while promising neither and because the eighty years of his life were years of immense intellectual and technological accomplishment and appalling violence and destruction Ursula K Le Guin from the introduction Everything one imagines in the way of genius and fun Rebecca West Including these stories A Slip Under the Microscope The Remarkable Case of Davidson's Eyes The Plattner Story Under the Knife The Crystal Egg The New Accelerator The Stolen Body The Argonauts of the Air In the Abyss The Star The Land Ironclads A Dream of Armageddon The Lord of the Dynamos The Valley of Spiders The Story of the Late Mr Elvisham The Man Who Could Work Miracles The Magic Shop Mr Skelmersdale in Fairyland The Door in the Wall The Presence by the Fire A Vision of Judgment The Story of the Last Trump The Wild Asses of the Devil Answer to Prayer The Queer Story of Brownlow's Newspaper The Country of the Blind *The Country of the Blind and Other Stories (the Selected Stories of H. G. Wells)* H. G. Wells, 2012 The early short stories of an essential 20th century literary personage Herbert George Wells was perhaps best known as the author of such classic works of science fiction as *The Time Machine* and *War of the Worlds* But it was in his short stories written when he was a young man embarking on a literary career that he first explored the enormous potential of the scientific discoveries of the day He described his stories as a miscellany of inventions yet his enthusiasm for science was tempered by an awareness of its horrifying destructive powers and the threat it could pose to the human race A consummate storyteller he made fantastic creatures and machines entirely believable and by placing ordinary men and women in extraordinary situations he explored with humor what it means to be alive in a century of rapid scientific progress For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators *The Country of the Blind and other Selected Stories* H. G. Wells, 2007-05-31 Herbert George Wells was perhaps best known as the author of such classic works of science fiction as *The Time Machine* and *War of the Worlds* But it was in his short stories written when he was a young man embarking on a literary career that he first explored the enormous potential of the scientific discoveries of the day He described his stories as a miscellany of inventions yet his enthusiasm for science was tempered by an awareness of its horrifying destructive powers

and the threat it could pose to the human race A consummate storyteller he made fantastic creatures and machines entirely believable and by placing ordinary men and women in extraordinary situations he explored with humor what it means to be alive in a century of rapid scientific progress Sherlock Holmes. Selected Stories Arthur Conan Doyle,2014-04-10

Detection is or ought to be an exact science For more than a century the Holmes stories have held a strange almost inexplicable grip on the popular imagination They are intimately associated with late Victorian and Edwardian society yet curiously timeless in their appeal The characters of Sherlock Holmes and Dr Watson together with their housekeeper Mrs Hudson and their address at 221B Baker Street are as familiar today as when they made their first appearance in the late 1880s The stories have been endlessly interpreted adapted and modernized but still it is to Arthur Conan Doyle s originals that we return This new selection of some of the best of them is designed to give readers a full sense of their world the brooding fog of London ruined heirs in creaking mansions and hidden crimes in the farthest flung corners of the British Empire The stories take Holmes s career from its early days to its close and include the book length Sign of the Four Barry McCrea s introduction investigates the currents that lie beneath their surface ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more Twelve Short Stories by H.g Wells H. Selected Stories by "Q" Arthur Quiller-Couch, 1921 Selected Short Stories Herbert George Wells, 1964 Selected Stories of Alice Munro, 1968-1994 Alice Munro, 2011-12-21 NEW YORK TIMES EDITORS CHOICE Twenty eight heart stopping and utterly beautiful Newsday stories that locate moments of love and betrayal, desire and forgiveness from Nobel Prize winning author Alice Munro. Her stories are like few others. One must go back to Tolstoy and Chekhov for comparable largeness. John Updike The New York Times Book Review A traveling salesperson during the Depression takes his children with him on an impromptu visit to a former girlfriend. A poor girl steels herself to marry a rich fiancé she can't quite manage to love. An abandoned woman tries to choose between opposing pleasures of seduction and solitude. To read these stories is to succumb to the spell of a true narrative sorcerer, a writer who enchants her readers utterly even as she restores them to their truest selves. *New and Selected Stories, 1959-1989* Charles Edward Eaton, 1989 **Bestseller Westerns by George W.**
