**The Middle East & South Asia Folklore Bulletin** , 2003 **Eisenhower & Cambodia** William J. Rust, 2016-06-10 This historical study examines America's Cold War diplomacy and covert operations intended to lure Cambodia from neutrality to alliance Although most Americans paid little attention to Cambodia during Dwight D Eisenhower's presidency the global ideological struggle with the Soviet Union guaranteed US vigilance throughout Southeast Asia Cambodia's leader Norodom Sihanouk refused to take sides in the Cold War a policy that disturbed US officials From 1953 to 1961 his government avoided the political and military crises of neighboring Laos and South Vietnam However relations between Cambodia and the United States suffered a blow in 1959 when Sihanouk discovered CIA involvement in a plot to overthrow him The failed coup only increased Sihanouk's power and prestige presenting new foreign policy challenges in the region In *Eisenhower and Cambodia* William J Rust demonstrates that covert intervention in the political affairs of Cambodia proved to be a counterproductive tactic for advancing the United States anticommunist goals Drawing on recently declassified sources

Rust skillfully traces the impact of plausible deniability on the formulation and execution of foreign policy His meticulous study not only reveals a neglected chapter in Cold War history but also illuminates the intellectual and political origins of US strategy in Vietnam and the often hidden influence of intelligence operations in foreign affairs *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 **Indian National Bibliography** ,2003-07 **Selected Works of Jawaharlal Nehru: 1 Oct. 1954-31 Jan. 1955** Jawaharlal Nehru,1984 This volume covers nearly eleven weeks from October 6 1948 when Nehru left India for London to attend the Commonwealth Prime Ministers Conference to December 19 when the annual session of the Indian National Congress at Jaipur concluded It collects Nehru s addresses and articles related to this stressful time in world history Among his articles are support for the causes of Indonesia and the Africans in their battles against alien rulers arguments for the continued membership of India in the Commonwealth and a piece on the importance of protecting Indian interests in neighboring countries Above all Nehru stressed the need to maintain secular values and the urgency of restructuring the economy to meet the demands of free India *The Sino-Indian War of 1962* Amit R. Das Gupta,Lorenz M. Lüthi,2016-11-03 The Sino Indian border war of 1962 forms a major landmark in South Asian Asian and Cold War history Among others it resulted in an unresolved conflict permanently hindering rapprochement between China and India the establishment of the Sino Pakistani axis the deepening of the Sino Soviet split and had a lasting impact on Indian domestic affairs This volume draws on new documentary evidence to re evaluate perceptions motivations and decision making processes of both antagonists but also of third powers immediately affected by the conflict It also investigates the effect on India s internal politics its Constitution the Communist Party of India and the fate of Indians of Chinese origin Finally it analyses how the conflict is viewed in India today and its ramifications for India China relationship A major intervention in the Asian historical landscape this book will be indispensable to scholars and researchers of modern history especially of modern South Asia and China international relations defence and strategic studies international politics and government It will also be useful for think tanks and government agencies *Neutrality and Neutralism in the Global Cold War* Sandra Bott,Jussi M. Hanhimäki,Janick Schaufelbuehl,Marco Wyss,2015-12-22 This book sheds new light on the foreign policies roles and positions of neutral states and the Non Aligned Movement NAM in the global Cold War The volume places the neutral states and the NAM in the context of the Cold War and demonstrates the links between the East the West and the so called Third World In doing so this collection provides readers an alternative way of exploring the evolution and impact of the Cold War on North South connections that challenges traditional notions of the post 1945 history of international relations The various contributions are framed against the backdrop of the evolution of the Cold War international system and the decolonization process in the Southern hemisphere By juxtaposing the policies of European neutrals and countries of the NAM this book offers new perspectives on the evolution of the Cold War With the links between these two groups of countries receiving very little attention in Cold War scholarship the volume thus offers a window into a hitherto neglected

perspective on the Cold War Via a series of case studies the chapters here present new viewpoints on the evolution of the global Cold War through the exploration of the ensuing internal and mainly external policy choices of these nations This book will be of much interest to students of Cold War Studies international history foreign policy security studies and IR in general

*SouthSouth Trade and Finance in the Twenty-First Century* Omar Dahi, Firat Demir, 2016-10-10 This book is a contribution to the international trade and economic development literature and is based on a decade of joint research and collaboration on South South economic relations Given the increasing focus on the economic power of some developing countries for example the 2013 Human Development Report's Rise of the South it is particularly

appropriate and timely NP The book s findings are based on rigorous empirical examination of South South trade and finance and it provides an even handed assessment from the perspective of long term development goals rather than mainstream welfare approaches or ideological theoretical worldview NP This work directly engages with the new developmentalism literature that has challenged the neoliberal orthodoxy and its policy approach which focuses on liberalization privatization and deregulation It also engages with literature by examining whether the increase in South South trade facilitates or inhibits the possibilities for developmentalist economic policy in developing countries The book shows concrete and positive results from South South trade particularly related to industrial development and also documents how South South trade is dominated by large developing countries and that South South trade liberalization may be counterproductive Eslanda Barbara Ransby,2022-02-15 Eslanda Essie Cardozo Goode Robeson lived a colorful and amazing life Her career and commitments took her many places colonial Africa in 1936 the front lines of the Spanish Civil War the founding meeting of the United Nations Nazi occupied Berlin Stalin s Russia and China two months after Mao s revolution She was a woman of unusual accomplishment an anthropologist a prolific journalist a tireless advocate of women s rights an outspoken anti colonial and antiracist activist and an internationally sought after speaker Yet historians for the most part have confined Essie to the role of Mrs Paul Robeson a wife hidden in the large shadow cast by her famous husband In this masterful book biographer Barbara Ransby refocuses attention on Essie one of the most important and fascinating black women of the twentieth century Chronicling Essie s eventful life the book explores her influence on her husband s early career and how she later achieved her own unique political voice Essie s friendships with a host of literary icons and world leaders her renown as a fierce defender of justice her defiant testimony before Senator Joseph McCarthy s infamous anti communist committee and her unconventional open marriage that endured for over 40 years all are brought to light in the pages of this inspiring biography Essie s indomitable personality shines through as do her contributions to United States and twentieth century world history *The National Union Catalog, Pre-1956 Imprints* ,1968 **The Times of India Directory and Year Book Including Who's who** Sir Stanley Reed,1962 Issues for 1919 47 include Who s who in India 1948 Who s who in India and Pakistan
