The Selected Letters of Frederick Manfred, 1932-1954 Frederick Manfred, *The Selected Letters of Frederick Manfred, 1932-1954* Frederick Feikema Manfred, 1988 [The Selected Letters of Frederick Manfred, 1932-1954](#) Frederick Feikema Manfred, 1988 *Frederick Manfred* Freya Manfred, 1999 The author recounts the life and death of her father the prolific and highly regarded author Frederick Manfred Using family letters and passages from her father's novels as well as her own memories she explores their personal and literary relationship which spanned nearly five decades

Dictionary of Midwestern Literature, Volume 1 Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley's introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works

Updating the Literary West, 1997 Western writers says Thomas J Lyon in his epilogue to *Updating the Literary West* have grown up with the frontier myth but now find themselves in the early stages of creating a new western myth The editors of the *Literary History of the American West* TCU Press 1987 hoped that the first volume would begin not conclude their exploration of the West's literary heritage Out of this hope comes *Updating the Literary West* a comprehensive reference anthology including essays by over one hundred scholars A selected bibliography is included with each piece In the ten years since publication of *LHAW* western writing has developed a significantly larger presence in the national literary stream A variety of cultural viewpoints have developed along with new tactics for literary study New authors have risen to prominence and the range of subjects has changed and widened *Updating the Literary West* looks at topics ranging from western classics to cowboys and Cadillacs and considers children's literature ethnicity environmental writing gender issues and other topics in which change has been rapid since publication of *LHAW* This volume again affirms the

West's literary legitimacy status hard earned by the Western Literary Association and the lasting place of popular western writing as part of the growing and changing literary and American experience An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries Selected list of contributors James Maguire Fred Erisman Susan J Rosowski Gerald Haslam Tom Pilkington A Carl Bredahl Richard Slotkin John G Cawelti Robert F Gish Ann Ronald Mick McAllister *The Frederick Manfred Reader* Frederick Feikema Manfred, 1996 A long awaited collection from a master storyteller **Boy Almighty** Frederick Manfred, 2021-10-26 Frederick Manfred was the author of *Lord Grizzly* finalist for the National Book Award as well as twenty six other novels and short story collections many of which explore nuanced struggles with death and other life challenges which demand toughness and resilience Although a work of fiction *Boy Almighty* conveys Manfred's dramatic personal story of contracting tuberculosis as a young man and being cared for at a convalescent home at the Glen Lake Sanatorium in Minnesota A remarkable blend of stream of consciousness and objective reporting *Boy Almighty* is the story of a man in the throes of dissolution and disintegration from tuberculosis and of his recovery reintegration and rebirth Eric Frey sensitive aware in love with life yet beset with frustration and failure is at first too ill to be placed in a tubercular ward where his almost certain death would be upsetting to the other patients Running concurrently with the inner story of Frey's mind is the story of his body's struggle to survive *Boy Almighty* is a profound and compelling study of a man who desperately wants to live and of his relationships with doctors nurses roommates and a fellow patient who teaches him the meaning of love *Peter De Vries and Surrealism* Dan Campion, 1995 De Vries's style and narrative technique are often surrealistic and he mentions surrealism and surrealists in all but two of his twenty six books Yet in fifty years of commentary on De Vries scarcely any notice has been taken of these surrealist elements

Encyclopedia of Christianity in the United States George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The *Encyclopedia of Christianity in the United States* outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation *San Francisco in Fiction* David M.

Fine, Paul Skenazy, 1995 In the beginning there was the bay the land the forty three hills the coastline down to Monterey the strip of mountains the quiet valley behind the vast ocean the hidden faults And with the landscape came the stories as Paul Skenazy and David Fine note in their introduction to this new anthology of essays San Francisco is as much a place in the mind as on the map if the terrain set the stage for the stories the stories have helped remake our perceptions of the space These twelve essays explore the relationship between place and prose between San Francisco the city and San Francisco the territory of fiction From the Gold Rush times of Mark Twain and Bret Harte through the Prohibition Era of Dashiell Hammett to the Beat days of Jack Kerouac and the present works of writers like Maxine Hong Kingston Amy Tan and Arturo Islas San Francisco has been blessed with great writers who have given life to the land in their fiction These essays engage the history and geography ethnic gender and class conflicts and stylistic range of the fiction They demonstrate how authors as various as Jack London Gertrude Atherton Frank Norris William Saroyan James D Houston Joan Didion and Wallace Stegner have re created and revised our understanding of this region **North Dakota History** ,1990 Journal of the Northern Plains
