Selected One Act Plays For Radio:

Ireneusz Iredynski Kevin Windle, 2014-03-05 This vibrant anthology of radio plays features works by one of Poland's angry young men playwrights Ireneusz Iredynski made his debut in literature as a Polish angry young man in the late 1950s. He moved with great versatility from verse to stage plays, film scripts and plays for radio. While some of the plays in this collection seem to present a bleak view of life, they show a gentler side of Iredynski. Here it is people's dreams rather than their worst nightmares that are explored. In these plays, situations are kept simple and the theatrical technique is spare and economical, but yet the playwright demonstrates an unfailing theatrical flair and shows himself a master of dramatic tension and the final unexpected twist. [Index to One-Act Plays for Stage, Radio, and Television, Suppl. 5, 1956-64](#) Hannah

Logasa, 1966-12 **The One-Act Play Companion** Colin Dolley, Rex Walford, 2015-01-05 The one act play stands apart as a distinct art form with some well-known writers providing specialist material among them Bernard Shaw, Tom Stoppard, Harold Pinter, Caryl Churchill, Alan Ayckbourn, Edward Albee and Tennessee Williams. There are also lesser-known writers with plenty of material to offer, yet sourcing one act plays to perform is notoriously hard. This companion is the first book to survey the work of over 250 playwrights in an illuminating A-Z guide. Multiple styles, nationalities and periods are covered, offering a treasure trove of compelling moments of theatre waiting to be discovered. Guidance on performing and staging one act plays is also covered, as well as essential contact information and where to apply for performance rights. A chapter introducing the history of the one act play rounds off the title as a definitive guide. **One Act Play Magazine and Radio-drama Review**

It is a careful compilation of comprehensive case studies of three such producing companies. Based on personal interviews, newspaper reviews and articles and other testimonials from participants, each case study catalogs the working processes of the given company, the conditions they faced working in the prison environment and how the theatre artists tailored their work to meet these conditions. Alongside the empirical study of the companies, the author has employed prevalent theories from criminology and penology.
