English gathering the best of the existing translations as well as offering English versions of many previously untranslated poems With this collection Amichai's vital poetic voice is now available to English readers as it never has been before The Full Severity of Compassion Chana Kronfeld, 2015-12-09 Yehuda Amichai 1924-2000 was the foremost Israeli poet of the twentieth century and an internationally influential literary figure whose poetry has been translated into some 40 languages Hitherto no comprehensive literary study of Amichai's poetry has appeared in English This long awaited book seeks to fill the gap Widely considered one of the greatest poets of our time and the most important Jewish poet since Paul Celan Amichai is beloved by readers the world over Beneath the carefully crafted and accessible surface of Amichai's poetry lies a profound complex and often revolutionary poetic vision that deliberately disrupts traditional literary boundaries and distinctions Chana Kronfeld focuses on the stylistic implications of Amichai's poetic philosophy and on what she describes as his acerbic critique of ideology She rescues Amichai's poetry from complacent appropriations showing in the process how his work obliges us to rethink major issues in literary studies including metaphor intertextuality translation and the politics of poetic form In spotlighting his deeply egalitarian outlook this book makes the experimental iconoclastic Amichai newly compelling
