and literary origins of the Chicano Movement Literary San Antonio provides dozens of examples of the interplay and cross pollination of Anglo and Latino literary forms ideas and traditions that led to the creation of a unique borderlands or frontera literature This city with its winding still sleepy river and its story shrouded springs its ancient acequias and missions now acknowledged as valued world heritage sites its sacred battle grounds and historic military forts and bases its several unique neighborhoods and barrios that have produced and been celebrated by generations of writers its rich heritage of heroism and revolutionary passion its endlessly celebratory ability to revel in its multiracial multiethnic multilingual roots and branches this city is a good place to write to write about and to wander with a book in hand **Infinite Divisions** Tey Diana
