work But Sor Juana In s de la Cruz the 17th century Mexican poet nun famous for her iconic verses and trailblazing sense of the role of religious creative women set the literary precedent for pious work from women Sister Mary Bernetta Quinn a critic and poet was praised by Flannery O Connor and kept long correspondences with many of the best poets of her generation Carmelite nun Sister Jessica Powers published widely Sister M Madeleva Wolff poet and university president transformed Catholic higher education The Habit of Poetry brings together these women and others Their poetry is devotional and deft complex and contemplative This mid 20th century renaissance by nun poets is more than a literary footnote it is a case study in how women negotiate tradition and individual creativity
