S. Merwin** Cary Nelson, Ed Folsom, 1987      Unframed Originals W. S. Merwin, 2019-04-20 In this haunting elegantly written memoir W S Merwin recalls in utterly unsentimental prose his youth growing up in a repressed Presbyterian household in the small river towns of New Jersey and Pennsylvania The complex portrait that emerges of a family without language or history transforms the story of their isolated lives into the development of a writer's conscience and a warning about the fate of a middle class eager to obliterate origins This book is superbly written offering deep glimpses into the complexities and mysteries of family bonds with just that distancing from people and events necessary for artistic control Edmund Fuller Wall Street Journal      *Transparence of the World* Jean Follain, 2003 A bilingual edition celebrating the centennial of Follain's birth translated by one of America's great poets      Spanish Ballads, 2008 Reissued classic translated by W S Merwin that includes examples of every type of Spanish ballad      **The First Four Books of Poems** William Stanley Merwin, 2000 Reintroduces the out of print works of one of this century's greatest American poets      Present Company W. S. Merwin, 2007-06-01 Paperback of WS Merwin's most recent volume a book infused with buoyancy and light Booklist      Purgatorio Dante Alighieri, 2001 At the pinnacle of a grand and prolific career W S Merwin has given us a shimmering new verse translation of the central section of Dante's Divine Comedy the Purgatorio Led by Virgil inspired by his love for Beatrice Dante makes the arduous journey up the Mountain of Purgatory where souls are cleansed to prepare them for the ultimate ascent to heaven Presented with the original Italian text and with Merwin's notes and commentary this luminous new interpretation of Dante's great poem of sin repentance and salvation is a profoundly moving work of art and the definitive translation for our time From the Hardcover edition      **Summer Doorways** W. S. Merwin, 2015-12-01 America today is a mobile society Many of us travel abroad and few of us live in the towns or cities where we were born It wasn't always so Travel from America to Europe became a commonplace an ordinary commodity some time ago but when I first went such departure was still surrounded with an atmosphere of adventure and improvisation and my youth and inexperience and my all but complete lack of money heightened that vertiginous sensation writes W S Merwin Twenty one married and graduated from Princeton the poet embarked on his first visit to Europe in 1948 when life and traditions on the continent were still adjusting to the postwar landscape Summer Doorways captures Merwin at a similarly pivotal time before he won the Yale Younger Poets Award in 1952 for his first book A Mask for Janus the moment was as the author writes an entire age just before it was gone like a summer      **The Book of Fables** William Stanley
