**Selections from the Canzoniere and Other Works** F. Petrarch,2008-05-08 This entirely new translation includes Petrarch's short autobiographical prose works The Letter to Posterity and The Ascent of Mount Ventoux and a selection of twenty seven poems from the Canzoniere Petrarch's best known work in Italian *Bel-Ami* Guy de Maupassant,2001-05-03 His rise testifies to the decline of a whole society Jean Paul Sartre Maupassant's second novel *Bel Ami* 1885 is the story of a ruthlessly ambitious young man Georges Duroy christened *Bel Ami* by his female admirers making it to the top in fin de siècle Paris It is a novel about money sex and power set against the background of the politics of the French colonization of North Africa It explores the dynamics of an urban society uncomfortably close to our own and is a devastating satire of the sleaziness of contemporary journalism *Bel Ami* enjoys the status of an authentic record of the apotheosis of bourgeois capitalism under the Third Republic But the creative tension between its analysis of modern behaviour and its identifiably late nineteenth century fabric is one of the reasons why *Bel Ami* remains one of the finest French novels of its time as well as being recognized as Maupassant's greatest achievement as a novelist

*British Romanticism and Italian Literature*

,2005-01-01 Drawing on a long standing tradition of fictional images British writers of the Romantic period defined and constructed Italy as a land that naturally invites inscription and description In their works Italy is a cultural geography so heavily overwritten with discourse that it becomes the natural recipient of further fictional transformations If critics have frequently attended to this figurative complex and its related Italophilia what seems to have been left relatively unexplored is the fact that these representations were paralleled and sustained by intense scholarly activities This volume specifically addresses Romantic period scholarship about Italian literature history and culture under the interconnected rubrics of translating reviewing and rewriting The essays in this book consider this rich field of scholarly activity in order to redraw its contours and examine its connections with the fictional images of Italy and the general fascination with this land and its civilization that are a crucial component of British culture between the eighteenth and nineteenth centuries *Hunger* Knut Hamsun,2023 *Hunger* is the first person story of a young man desperately trying to establish himself in the city as a writer living in shabby lodgings where he can seldom afford to pay the rent eating almost nothing and engaging spasmodically and manically with landladies eccentric elderly men policemen shopkeepers pawnbrokers and others on the way He wanders around the streets sits on benches trying to write spends a night locked in a pitch dark police cell thinks slides into remarkably inventive reveries speculates on his mental health his ethical comportment his relation to the divinity the topics he might write about The traces of a consistent narrative logic are uncertain and blurred the voice of the narrator keeps shifting between pragmatic appraisal of his situation wild fantasies manic outbursts anger and despair This is a story that lies on the threshold of modernism anticipating many of the dislocations that narrative will be subject to in the decades to come

*The Notebooks of Malte Laurids Brigge* Rainer Maria Rilke,2016 A landmark in the development of the twentieth century novel the *Notebooks* is the story of a young Danish aristocrat told in a series of notes that explore Malte s life in Paris childhood memories and reflections in highly crafted poetic prose A radical departure from literary realism it is an archetypal confrontation with the modern **The Dream** Émile Zola,2018-09-20 Is it wrong to love whatever is beautiful and rich I love it precisely because it is beautiful because it is rich because I think it brings joy to my heart On Christmas day in the flurry of a snow storm the Huberts discover a ragged nine year old girl sheltering under the neighbouring cathedral porch Childless and pious the couple take in and raise Angelique as their own The girl is intensely passionate and given to rage and disobedience as well as love and religious fervour Inspired by The Golden Legend Angelique creates a dream world all of her own peopled with spirits As part of her dream vision she becomes convinced she will marry a rich and handsome young prince Her wish seemingly comes true when she falls in love with a lord s son The sixteenth novel in the Rougon Macquart series *The Dream* marks a departure by Zola from the conventions of realism Here Zola explores the persistence of mysticism but also blends elements of fairy tale with the naturalist techniques for which he had become known This edition contains a wide ranging introduction placing Zola s changing concerns in the context of his wider work and illuminates key themes in

the novel such as architecture heraldry and the lives of the saints     Pan Knut Hamsun,2023 In his 1894 breakthrough novel Pan Knut Hamsun provides a lyrical yet disturbing analysis of love and the dark recesses of the human psyche Lieutenant Thomas Glahn roams Norway's northernmost wilds alone save only for his faithful dog Aesop Living out of a rudimentary hut at the edge of a vast forest Glahn pursues his solitary existence hunting and fishing until the strange girl Edvarda comes into his life Edvarda is the daughter of a merchant in a nearby town and both are strongly attracted to one another but neither understands the other's love Glahn becomes overwhelmed by the society of people where Edvarda lives and suffers a series of tragedies during their time together A new translation by Terence Cave of Hamsun's 1894 novel restores the power and virtuosity of Hamsun's original and includes an illuminating introduction and explanatory notes     His Excellency Eugène Rougon Émile Zola,2018 His Excellency Eugène Rougon is the sixth in Zola's famous Rougon Macquart series of novels Here the novel presents a detailed picture of court and political circles during the Second Empire satirizing the corruption and cronyism at its heart     **The Sin of Abbé Mouret** Émile Zola,2017 The Sin of Abbe Mouret is the fifth novel in Zola's Rougon Macquart series It follows Serge Mouret a young priest aspiring to perfect purity and sanctity An illness leaves him with amnesia and no longer knowing he is a priest he falls in love with his nurse Together they roam an Eden-like garden called the Paradou     Devils Fyodor \_ Dostoevsky,2008-05-08 Devils also known in English as The Possessed and The Demons was first published in 1871 2 The third of Dostoevsky's five major novels it is at once a powerful political tract and a profound study of atheism depicting the disarray which follows the appearance of a band of modish radicals in a small provincial town Dostoevsky compares infectious radicalism to the devils that drove the Gadarene swine over the precipice in his vision of a society possessed by demonic creatures that produce devastating delusions of rationality Dostoevsky is at his most imaginatively humorous in Devils the novel is full of buffoonery and grotesque comedy The plot is loosely based on the details of a notorious case of political murder but Dostoevsky weaves suicide rape and a multiplicity of scandals into a compelling story of political evil \_ This new translation also includes the chapter Stavrogin's Confession which was initially considered to be too shocking to print In this edition it appears where the author originally intended it ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more \_ \_     *Swann in Love* Marcel Proust,2017-11-16 Swann's love could not have been torn out of him without destroying him almost entirely Swann in Love is a brilliant devastating novella that tells of infatuation love and jealousy Set against the backdrop of Paris at the end of the nineteenth century the story of Charles Swann illuminates the fragilities and foibles of human beings when in the grip of desire Swann is a highly cultured man about town who is plunged into turmoil when he falls for a young woman called Odette de Cr cy The novel traces the progress of

Swann's emotions with penetrating exactitude as he encounters Odette at the regular gatherings in the salon of the Verdurins. His wilful self-delusion is both poignant and ridiculous, and his tormented feelings play out in scenes of high comedy amongst Odette's socially pretentious circle. *Swann in Love* is part of Proust's monumental masterpiece *In Search of Lost Time*, and it is also a captivating self-contained story. This new translation encapsulates the qualities that have secured Proust's reputation and serves as a perfect introduction to his writing.

**The Tempest** William Shakespeare, 2024-05-25  
 How beauteous mankind is! O brave new world That has such people in't! Performed variously as escapist fantasy, celebratory fiction, and political allegory, *The Tempest* is one of the plays in which Shakespeare's genius as a poetic dramatist found its fullest expression. Significantly, it was placed first when published in the First Folio of 1623 and is now generally seen as the playwright's most penetrating statement about his art. The New Oxford Shakespeare offers authoritative editions of Shakespeare's works with introductory materials designed to encourage new interpretations of the plays and poems. Using the text from the landmark *The New Oxford Shakespeare Complete Works* Modern Critical Edition, these volumes offer readers the latest thinking on the authentic texts collated from all surviving original versions of Shakespeare's work alongside innovative introductions from leading scholars. The texts are accompanied by a comprehensive set of critical apparatus to give readers the best resources to help understand and enjoy Shakespeare's work.

**The Bright Side of Life** Émile Zola, 2018-06-14  
 Neither spoke another word; they were gripped by a shared unthinking madness as they plunged headlong together into vertiginous rapture. Orphaned with a substantial inheritance at the age of ten, Pauline Quenu is taken from Paris to live with her relatives, Monsieur and Madame Chanteau, and their son Lazare, in the village of Bonneville on the wild Normandy coast. Her presence enlivens the household, and Pauline is the only one who can ease Chanteau's gout-ridden agony. Her love of life contrasts with the insularity and pessimism that infects the family, especially Lazare, for whom she develops a devoted passion. Gradually, Madame Chanteau starts to take advantage of Pauline's generous nature, and jealousy and resentment threaten to blight all their lives. The arrival of a pretty family friend, Louise, brings tensions to a head. The twelfth novel in the *Rougon-Macquart* series, *The Bright Side of Life* is remarkable for its depiction of intense emotions and physical and mental suffering. The precarious location of Bonneville and the changing moods of the sea mirror the turbulent relations of the characters, and as the story unfolds, its title comes to seem ever more ironic.

**Corinne, Or, Italy** Madame de Staël (Anne-Louise-Germaine), 1998  
*Corinne, or Italy* 1807 is both the story of a love affair and Madame de Staël's homage to the landscape, literature, and art of Italy. The Scottish peer Lord Nelvil is torn between his passion for the beautiful Italian poetess Corinne and respect for his dead father's wish

that he should marry Lucile a traditionally dutiful English girl His choice leads to tragedy for Corinne and a seared conscience for himself Madame de Staël weaves discreet French Revolutionary allusion and allegory into her novel It stands at the birth of modern nationalism and is also one of the first works to put a woman's creativity centre stage Sylvia Raphael's new translation preserves the natural character of the French original and is complemented by notes and an introduction which sets an extraordinary work of European Romanticism in its historical context     *The Conquest of Plassans* Émile Zola, 2014-06-12 Abb Faujas has arrived The arrival of Abb Faujas in the provincial town of Plassans has profound consequences for the community and for the family of François Mouret in particular Faujas and his mother come to lodge with François his wife Marthe and their three children and Marthe quickly falls under the influence of the priest Ambitious and unscrupulous Faujas gradually infiltrates into all quarters of the town intent on political as well as religious conquest Intrigue slander and insinuation tear the townsfolk apart creating suspicion and distrust and driving the Mourets to ever more extreme actions The fourth novel in Zola's Rougon Macquart sequence The Conquest of Plassans returns to the fictional Provençal town from which the family sprang in The Fortune of the Rougons In one of the most psychological of his novels Zola links small town politics to the greater political and national dramas of the Second Empire ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more     *Don Quixote* Miguel de Cervantes Saavedra, 2008-06-12 The epic tale of an eccentric country gentleman and his companion who set out as a knight and squire of old to right wrongs and punish evil in sixteenth century Spain
