She realized that healing is not a linear path but a staggered line and self-love is the only thing that can save you in those moments of darkness. Self-love doesn't exist in a vacuum; the tricky part is knowing how to love yourself while maintaining healthy relationships with the other people in your life. Dhal shares practical strategies for setting boundaries and respectfully navigating different relationships without losing your self-love. She also explores the everyday challenges that might disrupt your self-love journey from comparison on social media to negative thoughts and unhealthy relationships with food. Written for anyone seeking to heal from challenges like the loss of a loved one, heartbreak, or toxic relationships, *The Path to Self Love* is your key to loving yourself wholly and unlocking the doors to happiness, healthy relationships, and fully realized dreams.
