

A person with brown hair tied back, wearing large black headphones, is sitting cross-legged on a green lawn. They are holding an open book and looking down at it. The background is a soft-focus outdoor scene with trees and a white building. A semi-transparent white rectangle is overlaid on the center of the image, containing the title text. Below the title, a dark teal horizontal bar contains the subtitle text in white.

**Steve Windsor**

## Self Editing For Fiction Writers:

Self-Editing for Fiction Writers, Second Edition Renni Browne, Dave King, 2010-06-15 Hundreds of books have been written on the art of writing Here at last is a book by two professional editors to teach writers the techniques of the editing trade that turn promising manuscripts into published novels and short stories In this completely revised and updated second edition Renni Browne and Dave King teach you the writer how to apply the editing techniques they have developed to your own work Chapters on dialogue exposition point of view interior monologue and other techniques take you through the same processes an expert editor would go through to perfect your manuscript Each point is illustrated with examples many drawn from the hundreds of books Browne and King have edited

**Self-editing for Fiction Writers** Renni Browne, Dave King, 1993 Two professional editors share with expertise and proven techniques for turning manuscripts into published works of fiction

*Self-Editing for Fiction Writers, Second Edition* Renni Browne, Dave King, 2004-04-13 Hundreds of books have been written on the art of writing Here at last is a book by two professional editors to teach writers the techniques of the editing trade that turn promising manuscripts into published novels and short stories In this completely revised and updated second edition Renni Browne and Dave King teach you the writer how to apply the editing techniques they have developed to your own work Chapters on dialogue exposition point of view interior monologue and other techniques take you through the same processes an expert editor would go through to perfect your manuscript Each point is illustrated with examples many drawn from the hundreds of books Browne and King have edited

**Nine Day Novel-Self-Editing** Steve Windsor, 2015-03-08 Congratulations You just finished writing your first novel What do I do next If you re like I was that was the first question you asked yourself Do you remember what I said last time In *Nine Day Novel Writing* Steve I totally remember You said Bravo Pop champagne and You remember that part after the champagne about calling someone right Your Editor the Last Line of Defense But editors cost a lot of money and wouldn t be helpful if we could minimize some of that expense by doing a little bit of editing ourselves Before we send it off to an expensive professional Don t make the mistake I did On my first novel I debated for months between paying an editor and whether I should just edit the entire thing myself After all how hard it be right Predictably money won out and I chose poorly publishing my first book before a professional editor had proofread it That was a big mistake That one decision set my writing career back about a year Why Because my book languished on Amazon as yet another unprofessional unfinished and unwanted draft posing as a completely finished novel I got discouraged disappointed and down It took months before I overcame my fear of what a professional editor would say about my first novel Because that was the real reason I had edited it myself all along A great editor will make your novel shine Picture your reader trying to follow the fantastic story that you painstakingly outlined researched and wrote As they read their eyes are interrupted by misspellings grammatical errors improper word usage and dialogue that s punctuated poorly Finally unable to stay engaged through those constant interruptions they give up and close your book We

re not going to let that happen Your editor will have the single biggest impact on the professional look and feel of your novel But that doesn't mean we can't do a little bit of editing ourselves In fact inside this book I'll show you how you can do quite a bit of self editing before your draft needs to go to an editor And that'll save you money Removing the mystery To many beginning authors editing is a mysterious and often misunderstood process In this book I'll define the types of editing you need outline the parts that you can and should do yourself and then explain the process that your editor will go through as they clean up what's left No idea where to find an editor I'll show you how to find a good one on popular freelancing sites If that doesn't work I'll give you the contact information of my own editor Then I'll introduce you to a piece of software that'll save you countless hours in turnaround time working with your editor And I'll walk you through the steps my writing partner and I use to fix our own drafts before they go to our editor Editing is much easier if you make fewer mistakes in the first place Seems simple right It should be For that reason I felt it was important for this book to have two parts to it How to clean up what you had already written and how to minimize all that cleanup by knowing what and how to write fiction sentences in the first place So the first half of the book is about editing process and work flow And the second half is a refresher course on the very basics of writing fiction sentences And the bonuses I created tutorial videos to show you exactly how I've cut Word loose and now collaborate directly with my editors inside Scrivener So whether you've never worked with an editor before or you just want to save some time money and headache editing your next draft I wrote this book for you

*Fifteen Quick and Easy Ways to Write a Novel* Susan Summers, 2015-04-13 The science fiction writer Damon Knight wrote once that writers were basically toads in childhood They were the introverts the loners the less than handsome or beautiful children in school Many of those toads gravitated to literature to read about better times and better worlds he noted The writer Frederick Pohl objected He claimed he did not have an unhappy childhood nor was he ugly Until he knocked a tooth out when he was about ten Pohl said he was a rather cute little kid Whether cute or ugly this book is for the men and women who have gravitated to literature and dream of being a writer To be honest no book can make you a best selling author That must come through your own creativity What books can do is give you tips on plotting dialogue prose pace characterization and other aspects of the writing craft While you can never teach creativity a book can give you sound advice on action verbs crisp dialogue and good characterization Almost every best selling writer can point to advice from another writer or a book that helped him develop his craft While there are some things that cannot be learned such as how to copy George V Higgins amazing dialogue 0 other aspects of the writing craft can be studied and incorporated into your own work while still allowing flexibility for your own special style Even with sound advice and some writing talent a great deal of knowledge about writing will be learned at your own keyboard pecking out scenes of mystery or science fiction or childhood longing

**Write Great Fiction Revision And Self-Editing** James Scott Bell, 2008-04-21 Don't let the revision process intimidate you any longer Discover how to successfully transform your first draft into a polished final draft readers won't be able to forget In Write Great Fiction

Revision Self Editing James Scott Bell draws on his experience as a novelist and instructor to provide specific revision tips geared toward the first read through as well as targeted self editing instruction focusing on the individual elements of a novel like plot structure characters theme voice style setting and endings You ll learn how to Write a cleaner first draft right out of the gate using Bell s plotting principles Get the most out of revision and self editing techniques by honing your skills with detailed exercises Systematically revise a completed draft using the ultimate revision checklist that talks you through the core story elements Whether you re in the process of writing a novel have a finished draft you don t know what to do with or have a rejected manuscript you don t know how to fix Revision Self Editing gives you the guidance you need to write and revise like a pro **Self-editing for Self-publishers** Richard Bradburn,2020-07-10 The 10% Solution Ken

Rand,1998-01-01 The author is a shelver at the Salt Lake County Library *Revision and Self Editing for Publication* James Scott Bell,2012-12-10 Take your first draft from so so to sold You ve finished the first draft of your novel congratulations Time to have a drink sit back and start revising But the revision process doesn t have to be intimidating Revision and Self Editing for Publication Second Edition gives you the tools and advice you need to transform your first draft into a finished manuscript that agents and editors will fight for Inside you ll find Self editing techniques for plot structure character theme voice and more that can be applied as you re writing to reduce your revision workload Methods for fine tuning your first draft into a tight well developed piece of literature The Ultimate Revision Checklist which seamlessly guides you through the revision process step by step New Chapter Exercises and techniques for deepening your work to engage and excite readers like never before Whether you re writing a novel currently or have finished the first draft Revision and Self Editing for Publication Second Edition will give you the guidance you need to revise your manuscript into a novel ready to be sold

Revision & Self-editing James Scott Bell,2008-01-01 **Self-Edit Your Novel** David H. Fears,2014-09-19 In today s publishing world many writers can neither find nor afford a professional writer The only editing such writers benefit from is self editing Fears argues against the common notion that an independent novelist must hire an editor to turn out a good novel and proposes writers learn the skill set of an editor He points out the advantages a novelist has with his own work and how to avoid the snow blindness that often afflicts self editing He covers micro level changes of editing at the word phrase sentence level and macro level revision of larger elements such as characters pacing plot and dialogue Fears offers several practices and processes that teach a writer editor skills There s no promise here of making riches or becoming a top notch editor without effort You ll have to work at it just like you did to learn the craft of writing fiction If you re neither a beginner nor a best selling novelist this book is for you *Story Sensei Self-Editing Worksheet* Camy Tang,2024-03-23 You ve finished your novel How do you make sure you have a good character arc strong story structure good pacing How can you smooth over rough writing patches eliminate episodic writing or increase emotional intensity My Self Editing worksheet combines a variety of techniques that I have taught in online workshops into one place with tips to help you refine and polish your

manuscript By the end of the worksheet you ll have 1 A good large scale view of your story structure and character arc and knowledge about how to fix any problems in that area 2 Tips for how to revise more emotion into your writing 3 Tools for solving pacing issues 4 A deeper look at technical writing errors to look for in your writing 5 An understanding of your own strengths and weaknesses in terms of critiquing yourself This 69 page worksheet consists of lessons homework and fun exercises for you to apply various types of self editing on your manuscript You ll learn lots of simple techniques to help you revise and tighten your manuscript to be the best it can be Note I made this worksheet originally for a class I was asked to teach This is essentially the shortened versions of both my Deep Point of View worksheet and my Characterization worksheet This contains about 60% of what s in my Deep POV worksheet and about 70% of what s in my Characterization worksheet Both of those worksheets go into more depth about Deep POV and Characterization so if they both interest you you ll get more information and instruction if you buy those two separately However if you want more bang for your buck this worksheet is like the abridged versions of those two worksheets combined into one worksheet Just be aware that this will contain much of the same stuff rather than being all new material

**The Ultimate Guide to Editing Your Novel** Sara Grant, 2025-06-19 When it comes to creating children s and YA fiction there is often a focus on how to start and write until you reach an ending But what happens when you have a finished manuscript of hundreds of pages How do you transform your rough draft into a publishable one Expert author editor mentor and lecturer Sara Grant provides the answer through a systematic approach to editing Her step by step guide demystifies the process of preparing a manuscript for submission to agents and publishers or for those self publishing It is a lifeline for new writers and those intimidated by the world of publishing for more experienced writers it is an invaluable diagnostic tool to dip in and out of This practical workbook includes exercises and examples for Interrogating your idea Enhancing your plot Scrutinising characters chapters and scenes Analysing sentence and word choice Honing your unique voice Writing with sensitivity for young readers And finally polishing your manuscript for submission

*Your Personal Fiction Writing Coach* Stephanie Bond, 2015-12-09 So you ve always wanted to write a novel but don t know where to start Or you ve started your novel but it stalled so you shoved it back under your bed into a forgotten computer file Or maybe you re a veteran novelist but the thrill is gone and you can t seem to get excited about writing again International bestselling novelist Stephanie Bond will walk you through the process of pre book planning plotting a page turner and writing a novel around your busy schedule all in digestible bites of advice you can draw on every day Don t buy into the stereotypical myths of writing creating a great entertaining novel doesn t have to be out of reach scary or gut wrenching Writing a novel should be fun inspiring and life enriching The information in this book will help you get your mind around your ideas and bring the prospect of writing a novel down to a manageable achievable and fulfilling project I was once in your shoes more questions than answers and more ideas than time Over the course of my writing career I ve learned the most successful writers are the ones with the most tricks I ve condensed all my tricks and tips
