When a Family Member Has Dementia Susan M. McCurry,2006-01-30 Caring for a person with dementia is a difficult and often overwhelming task In addition to the inevitable decline in memory and physical function

most persons with dementia develop one or more troublesome behavior problems such as depression fearfulness sleep disturbances paranoia or physical aggression at some point in their disease Behavioral challenges in dementia are highly idiosyncratic No two patients are alike and interventions that work well with one person are often ineffective with another Caregivers often become stuck either unable to figure out how best to help their loved one or unable to consistently implement positive practices they know would improve their situation This book offers caregivers a set of practical and flexible tools to enable them become more resilient in the face of difficulty and change McCurry teaches caregivers how to take advantage of their own creativity and inner resources to develop strategies that will work in their unique situations She presents her set of five core principles and then brings them to life through vignettes Anyone who lives works or comes in contact with a person who has dementia will benefit from this volume The Pocket Guide to Inner Peace Gary Egeberg,2001 This upbeat manual combines encouraging theology with practical suggestions for finding inner peace Egeberg explores such common obstacles as self criticism stress conflict frustration resentment and the struggle to forgive others or accept forgiveness He suggests ways to overcome these difficulties including prayer affirmations liberating rituals and creative exercises Parenting and Teen Drug Use Lawrence M. Scheier,William B. Hansen,2014-03 Parenting and Teen Drug Use provides comprehensive coverage of the most current research on youth drug use and prevention carefully and meticulously presenting empirical evidence and theoretical arguments that underlie the mechanisms linking parental socialization and adolescent drug use Violence in the Family Keith Brownlee,John R. Graham,2005-02-14 Violence in the Family is a collection of original articles by practitioners and academics that focuses on family violence in rural and northern areas Geography and attitudes figure centrally in many of these discussions but more specific problem areas including types of violence and intervention possibilities are also discussed in practical and treatment focused terms A complement to more general treatments of family violence this collection with its scrutiny of family violence in rural and northern areas only is unique Professors of social work and other disciplines will find this a valuable supplementary text in a wide variety of courses such as child welfare women s issues direct practice community work public health and social policy *Caring for Yourself While Caring for Others* Lawrence M. Brammer,Marian L. Bingea,1999 **Psychiatric Nursing** Mary Ann Boyd,2005 AJN Book of the Year Based on the biological psychological sociological aspects of mental illness this comprehensive textbook maintains its grounded focus in current research and continues to reflect current practice The Third Edition includes a new NCLEX Tips box more patient teaching points highlighted nursing interventions and more health promotion The free CD ROM features a new clinical simulation and other student learning activities The ancillary package includes an Instructor s Resource CD ROM with a Test Generator Powerpoint slides and Instructor s Manual *The Practice of Pastoral Care, Revised and Expanded Edition* Carrie Doehring,2015-01-12 The Practice of Pastoral Care has become a popular seminary textbook for courses in pastoral care and a manual for clinical pastoral education In it Doehring encourages counselors to

view their ministry through a trifocal lens that incorporates premodern modern and postmodern approaches to religious and psychological knowledge Doehring describes the basic ingredients of a caregiving relationship shows how to use the caregiver's life experience as a source of authority and demonstrates how to develop the skill of listening and establishing the actual relationship This new edition elaborates on and expands the author's previous work adding an intercultural perspective that gives more attention to religious pluralism in the pastoral care setting It offers a road map for using a step by step narrative relational embodied approach to spiritual care that respects the unique ways people live out their values and beliefs especially in coping with stress loss and violence Readers will be able to confidently and professionally offer pastoral care and counseling to members of their congregations or other places of ministry **Body Odyssey** Pat

Samples,2005-10 This inspiring memoir and guide reveals the hidden riches of the aging body Writing in sharp contrast to the current anti aging mania Pat Samples shows readers how to appreciate and learn from the ever expanding wisdom of the body as it ages Samples argues that our bodies are fascinating archives filled with a lifetime of experience and stories that can be tapped to bring forth creativity healing and rejuvenation **The Ex-Prisoner's Dilemma** Andrea M.

Leverentz,2014-03-20 When a woman leaves prison she enters a world of competing messages and conflicting advice Staff from prison friends family members workers at halfway houses and treatment programs all have something to say about who she is who she should be and what she should do The Ex Prisoner's Dilemma offers an in depth firsthand look at how the former prisoner manages messages about returning to the community Over the course of a year Andrea Leverentz conducted repeated interviews with forty nine women as they adjusted to life outside of prison and worked to construct new ideas of themselves as former prisoners and as mothers daughters sisters romantic partners friends students and workers Listening to these women along with their family members friends and co workers Leverentz pieces together the narratives they have created to explain their past records and guide their future behavior She traces where these narratives came from and how they were shaped by factors such as gender race maternal status age and experiences in prison halfway houses and twelve step programs factors that in turn shaped the women's expectations for themselves and others expectations of them The women's stories form a powerful picture of the complex complicated human experience behind dry statistics and policy statements regarding prisoner reentry into society for women how the experience is different for men and the influence society plays With its unique view of how society's mixed messages play out in ex prisoners lived realities The Ex Prisoner's Dilemma shows the complexity of these women's experiences within the broad context of the war on drugs and mass incarceration in America It offers invaluable lessons for helping such women successfully rejoin society *Behavioral Emergencies for the Emergency Physician* Leslie S. Zun,Lara G. Chepenik,Mary Nan S. Mallory,2013-03-21 Emergency physicians in all practice settings care for patients with both undifferentiated psycho behavioral presentations and established psychiatric illness This reference based text goes beyond diagnostics providing practical input from physicians

experienced with adult emergency psychiatric patients Physicians will increase their understanding and gain confidence working with these patients even when specialized psychiatric back up is lacking Behavioral Emergencies for the Emergency Physician is comprehensive covering the pre hospital setting and advising on evidence based practice from collaborating with psychiatric colleagues to establishing a psychiatric service in your ED Sedation restraint and seclusion are outlined Potential dilemmas when treating pregnant geriatric or homeless patients with mental illness are discussed in detail along with the more challenging behavioral diagnoses such as malingering factitious and personality disorders This go to comprehensive volume is invaluable for trainee and experienced emergency physicians as well as psychiatrists psychologists psychiatric and emergency department nurses and other mental health workers **Too Heavy a Yoke** Chanequa Walker-Barnes, 2014-06-19 Black women are strong At least that's what everyone says and how they are constantly depicted But what exactly does this strength entail And what price do Black women pay for it In this book the author a psychologist and pastoral theologian examines the burdensome yoke that the ideology of the Strong Black Woman places upon African American women She demonstrates how the three core features of the ideology emotional strength caregiving and independence constrain the lives of African American women and predispose them to physical and emotional health problems including obesity diabetes hypertension and anxiety She traces the historical social and theological influences that resulted in the evolution and maintenance of the Strong Black Woman including the Christian church
