**The New Church Herald and Monthly Repository**, 1856     Sassy, Classy and Smart: the Path to Total Self Confidence Phyllis McNeal, 2017-09-15 I am writing this for every woman As a woman you should feel loved special and treasured Many of us do not feel that way because we do not think of ourselves that way We should shine our light on ourselves Each of us is like a beautiful flower When you look at a garden it is beautiful because of the variety you see You see the reds and the oranges the yellows and the pinks Even those flowers of the same variety have a variation in themselves Without the variety it would lack interest and not be as beautiful to enjoy Women are like the flowers We are tall short blond brunette and many many varieties We are meant to be treated with the same care that we would give the flowers that we enjoy I always treat myself to flowers and my dining room table always graces a variety of blooms I most certainly enjoy them but I always give them the best of care I make sure they have clean water and a beautiful vase to display their beauty We need to give ourselves the same delicate care It is about the enjoyment of you I would love for every woman to love herself enough and cherish her femininity Enjoy you Loving you is the beginning of others loving you Nothing makes a woman more beautiful than the belief that she is beautiful     Augustine Through the Ages Allan Fitzgerald, John C.
