Conclusion Improving Your Concentration with Self-Hypnosis J.D. Rockefeller,2015-08-30 When we live our lives with negative or limiting beliefs we get feedback from our body in the form of pains aches illnesses lack of energy and from our emotions undesired feelings such as anxiety depression apathy anger or grief When we make the decision to improve an aspect of our lives such as releasing excess weigh we must first tackle the limiting self beliefs we hold that could prevent us from succeeding in achieving our new goals You see limiting beliefs are held in our subconscious mind so we usually are not

aware of what exactly these beliefs are or how they were originally formed however through the use of hypnosis not only can we discover what these limiting beliefs are exactly but we can also remove and replace them with positive self affirming beliefs that will allow us to change our lives in positive empowering ways release negative emotional behaviours and achieve the goal permanently Congratulations on taking the first step towards releasing excess weight from your life and changing your limiting beliefs that have maintained any previous weight gaining habits and beliefs As a result of this hypnosis session you will experience incremental shifts in your beliefs your thoughts your actions and eventually your habits You have so many wonderful new emotions and behaviours to enjoy walking tall having a strong self image and positive sense of self the ability to look anyone in the eye maintain good health happiness and improve your life in general *Self-Hypnosis* Synthia Andrews, ND,2014-11-04 Discover the benefits of hypnosis for yourself and by yourself Your mind is a powerful force filled with awesome possibility With your mind you can choose a direction and make it happen Self hypnosis is a proven technique that can have many physical and mental benefits quit smoking recover from surgery or shut down your phobias Practitioners will learn the powerful healing that comes with this positive relaxation method empowering you to create the life you want to live From licensed naturopathic physician Synthia Andrews you will learn how to master this key therapy for mental physical and spiritual healing The steps are easy and the results are remarkable Idiot s Guides Self Hypnosis offers simple to follow steps and techniques for anyone who wants to relieve stress anxiety self doubt addictions and bad behavior An exploration of past life regression and sample hypnosis scripts are also included This book is the only resource you need to confidently begin your self hypnosis practice **Learn Telepathy - increase your Mind Power** Raymond Hesting,2019-03-01 The power of thought How is it possible Every thought contains within it the power of thought your thoughts too You only need to know how to recognise strengthen and apply the power of thought The secret of telepathy The laws of the transfer of thought The 7 lessons Imagine welcoming a visitor who has arrived only because you have personally chosen and invited them to visit you by the sole power of your thoughts Numerous opportunities with friends or strangers anywhere you like will confirm your fantastic ability Through the experiments provided you will experience the mysterious power of telepathy and the influence of thought SAMPLE EXCERPT AN EXPERIMENT ON THE STREET Excerpt from the chapter A simple experiment on the street in the third instructional part page 16 if you would like to test the power of your thoughts using the technique of building up thoughts as explained clearly in the 2nd part carry out the following experiment out on the street Look calmly and fixedly at the back of the head of a person walking in front of you at a distance of between 6 metres and 25 metres Together with the thoughts that you have already built up inside yourself visualise the person in front of you turning their head towards you The more you have built up your thoughts and the more vividly and strongly you imagine the person to be turning their head the faster your success will be Don t make any noise whatsoever No coughing or clearing your throat and don t make your footsteps become heavier The connection may only take place through your thoughts and through your

imagination Try it yourself and you ll be amazed as with a sufficient build up of thoughts this and similar experiments have a high rate of success **Instant Self-Hypnosis** Forbes Robbins Blair,2004-03-01 Hypnosis is a proven technique that allows people to reprogram their subconscious to change unwanted behaviors Most books on self hypnosis require the reader to memorize or record scripts then put the book aside while they do their hypnosis work But Instant Self Hypnosis is the only self hypnosis book that allows you to hypnotize yourself as you read with your eyes wide open without putting down the book The author s fail proof method allows you to put yourself into a hypnotic state and then use that state to improve your life in myriad ways And because the hypnotic state is induced while you read you remain aware of your surroundings and can bring yourself back to normal consciousness slowly and gently using the instructions provided Weekly World News ,1997-09-02 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site
