Seniors, 2024-04 This book explores the significant contributions of African American women radical activists from 1955 to 1995 It examines the 1961 case of African American working class self defense advocate Mae Mallory who traveled from New York to Monroe North Carolina to provide support and weapons to the Negroes with Guns Movement Accused of kidnapping a Ku Klux Klan couple she spent thirteen months in a Cleveland jail facing extradition African American women radical activists Ethel Azalea Johnson of Negroes with Guns Audrey Proctor Seniors of the banned New Orleans NAACP the Trotskyist Workers World Party Ruthie Stone and Clarence Henry Seniors of Workers World founded the Monroe Defense Committee to support Mallory Mae s daughter Pat aged sixteen also participated and they all bonded as family When the case ended they joined the Tanzanian Grenadian and Nicaraguan World Revolutions Using her unique vantage point as Audrey Proctor Seniors s daughter Paula Marie Seniors blends personal accounts with theoretical frameworks of organic

intellectual community feminism and several other theoretical frameworks in analyzing African American radical women's activism in this era. Essential biographical and character narratives are combined with an analysis of the social and political movements of the era and their historical significance. Seniors examines the link between Mallory Johnson and Proctor Seniors's radical activism and their connections to national and international leftist human rights movements and organizations. She asks the underlying question: Why did these women choose radical activism and align themselves with revolutionary governments linking Black human rights to world revolutions. Seniors's historical and personal account of the era aims to recover Black women radical activists' place in history. Her innovative research and compelling storytelling broaden our knowledge of these activists and their political movements. *The Conquer Bulimia Success Program*,

**African Americans Doing Feminism** Aaronette M. White, 2012-02-01. How might ordinary people apply feminist principles to everyday situations? How do feminist ideas affect the daily behaviors and decisions of those who seek to live out the basic idea that women are as fully human as men? This collection of essays uses concrete examples to illuminate the ways in which African Americans practice feminism on a day-to-day basis. Demonstrating real-life situations of feminism in action, each essay tackles an issue such as personal finances, parenting, sexual harassment, reproductive freedom, incest, depression, and addiction, or romantic relationships and articulates a feminist approach to engaging with the problem or concern. Contributors include African American scholars, artists, activists, and business professionals who offer personal accounts of how they encountered feminist ideas and are using them now as a guide to living. The essays included reveal how feminist principles affect people's perceptions of their ability to change themselves and society because the personal is not always self-evidently political.

**Reader's Guide to Women's Studies** Eleanor Amico, 1998-03-20. The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies. Some 200 scholars have contributed to the project, which adopts a multi-layered approach allowing for comprehensive treatment of its subject matter. Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors. Modern African American Poets Yasser K. R. Aman, 2018-10-29. This book consists of eight chapters covering poets from the Harlem Renaissance until the present day. It considers the Harlem Renaissance poets Hughes and Cullen from new perspectives with regards to two psychological types: self-acceptance and self-dejection. The first two chapters discuss Hughes and Cullen's expression of race relations and the way they protest. Chapter three on Roscoe C. Jamison represents unheard voices while the fourth chapter focusing on Ai analyzes multi-ethnic roots and dissects American society, highlighting the reasons for violence and sexual hunger. Chapter five on Nikky Finney, a representative of Affrilachian poetry and a political activist, focuses on different social and political issues. Chapters six and seven discuss the application of Dual Inheritance Theory on African American and Afro-German poetry. Chapter eight tackles the ongoing effort of redefining black womanhood with specific emphasis on Morgan Parker.
