Women In Latin America Christine Bose, Edna Acosta-Belén, 1995-03-21 This interdisciplinary volume provides a historical and international framework for understanding the changing role of women in the political economy of Latin America and the Caribbean The contributors challenge the traditional policies goals and effects of development and examine such topics as colonialism and women s subordination the links to economic social and political trends in North America the gendered division of paid and unpaid work differing economic structures cultural and class patterns women s organized resistance and the relationship of gender to class race and ethnicity nationality Author note Christine E Bose is Associate Professor of Sociology Women s Studies and Latin American and Caribbean Studies at the University at Albany SUNY P Edna Acosta Belen is Distinguished Service Professor of Latin American and Caribbean Studies and Women s Studies and the Director of the Center for Latin American and Caribbean Studies and the Director of the Center for Latin American and Caribbean Studies at the University at Albany SUNY

Weaving the Past Susan Kellogg, 2005-09-02 Weaving the Past is the first comprehensive history of Latin America s indigenous women While concentrating mainly on native women in Mesoamerica and the Andes it also covers indigenous peoples in a variety of areas of South and Central America Drawing on primary and secondary sources it argues that change not continuity has been the norm for indigenous peoples whose resilience in the face of complex and long term patterns of cultural change is due in no small part to the roles actions and agency of women

Gender, Migration and Domestic Service Janet Henshall Momsen, 2003-09-02 This book examines a wide range of migration patterns which have arisen and exposes the tensions and difficulties including legal and empowerment issues cultural and language diversities and barriers the impact of live in employment The book features case studies taken from Europe South and North America the Caribbean Asia and Africa and uses original fieldwork using quantitative and qualitative methods

Researching Women In Latin America And The Caribbean Edna Acosta-belen, Christine E. Bose, 2019-06-04 This volume represents more than just a collection of chapters and bibliographic sources For us it provides another example of collective solidarity hard work and a relentless commitment to contribute to the process of advancing and transforming knowledge about women s condition It attempts to update and assess how scholarship on women has impacted different disciplines and fields and examines the multivariate conditions and responses to immediate and long term realities generated by women from different Latin American and Caribbean countries The editors hope that this publication modest as it may be will be a useful tool to other researchers

educators and students in their efforts at pursuing and expanding the knowledge and visions that will make our different societies more just and liberating for all their citizens

Ethnographic Feminisms Sally Cole, 1995-05-15 This book is written by anthropologists who are currently engaged in research on gender The editors argue for the development of an ethnography based feminism that both pays heed to what women in specific circumstances identify as their concerns and recognizes the contradictions inherent in the goals of feminist anthropology The essays consider a range of awkward issues including feminism in international contexts the invisibility of women s working lives and the problems of voice and ethnographic representation Referring to a variety of ethnographic contexts and working from diverse perspectives the contributors examine the multiple dilemmas and conflicts of gender and power

Ethnographic Feminisms Lynne Patricia Phillips, 1995 This significant new study contains the work of anthropologists engaged in doing research on gender The editors argue for the creation of an ethnography based feminism that at the same time pays heed to what women in specific circumstances identify as their concerns and also recognizes contradictions inherent in the goals of a feminist anthropology These essays grapple with a range of awkward issues including feminism in international contexts the invisibility of women s working lives and the problems of voice and ethnographic representation Referring to a variety of ethnographic contexts and working from diverse perspectives the contributors examine the multiple dilemmas and conflicts of gender and power A volume which will not only constitute a significant contribution to the social sciences literature both theoretically and substantively but will also place Canadian feminist anthropology on the cutting edge of global feminist anthropology I strongly recommend it Valda Blundell Carleton University

Maid in the USA Mary Romero, 2016-05-13 This is a classic work in the fields of Women s Studies and Sociology On its 10th Anniversary it is still a vital and moving study of the lives of immigrant domestic workers and is constantly cited in the research Romero s new introduction will offer a fresh look at the material including more recent events proving that the issues discussed in the book are still very relevant to today s world

Encompassing Gender Mary M. Lay, Janice J. Monk, Deborah Rosenfelt, 2002 From Beijing to Seattle women s movements within academe and in local global communities are growing at an unprecedented rate raising pointed questions about paradigms of Western feminism development global trade and scholarship Despite this growing visibility the perspectives of far too many women especially from the Global South are still excluded from mainstream U S scholarship Presented with the task of preparing students for life in this new and rapidly shrinking world many scholars have found themselves overwhelmed by the need to cross disciplinary and geographic borders But some faculty are leading the way often in defiance of academic traditions and prejudices to a curriculum that reflects consequences of globalization *Encompassing Gender* is the long awaited anthology of more than 40 essays by 60 scholars many of them working in curriculum transformation groups that cut across the humanities the sciences and the social sciences all of them committed to an interdisciplinary approach to internationalizing the curriculum

Workers Daniel James, 1997 In Latin American countries the modern factory originally was considered a hostile and threatening environment for women and family values Nine essays dealing with Argentina Brazil Chile Colombia and Guatemala describe the contradictory experiences of women whose work defied gender prescriptions but was deemed necessary by working class families in a world of need and scarcity 19 photos *The Secret History of Gender* Steve J. Stern, 2000-11-09 In this study of gender relations in late colonial Mexico ca 1760 1821 Steve Stern analyzes the historical connections between gender power and politics in the lives of peasants Indians and other marginalized peoples Through vignettes of everyday life he challenges assumptions about gender relations and political culture in a patriarchal society He also reflects on continuity and change between late colonial times and the present and suggests a paradigm for understanding similar struggles over gender rights in Old Regime societies in Europe and the Americas Stern pursues three major arguments First he demonstrates that non elite women and men developed contending models of legitimate gender authority and that these differences sparked bitter struggles over gender right and obligation Second he reveals connections in language and social dynamics between disputes over legitimate authority in domestic and familial matters and disputes in the arenas of community and state power The result is a fresh interpretation of the gendered dynamics of peasant politics community and riot Third Stern examines regional and ethnocultural variation and finds that his analysis transcends particular locales and ethnic subgroupings within Mexico The historical arguments and conceptual sweep of Stern's book will inform not only students of Mexico and Latin America but also students of gender in the West and other world regions

Women and Geography Study Group,2014-01-14 In recent years the study of human geography has been reshaped by the work of feminist geographers and as a result a considerable number of universities now include feminist geography and gender issues in their courses This text provides an introduction to contemporary debates in feminist geography These explorations in diversity and difference make up feminist geography in the 1990s Feminist Geographies introduces key analytical concepts examines the history of the subdiscipline explores feminist geographers methodologies and considers the various ways in which feminist geographers have worked with some of geography s key concepts notably space place landscape and environment The text also goes on to outline areas of future debates within the subject **And Here the World Ends** Kristin Ruggiero,1988 **Latin American Women and the Search for Social Justice** Francesca Miller,1991 A clear and detailed study of Latin American women s history from the late nineteenth century to the present

State ,1989 Global Entangled Inequalities Elizabeth Jelin,Renata Motta,Sérgio Costa,2017-11-08 This book presents studies from across Latin America to take up the challenge of exploring the plurality of social inequalities from a global perspective Accordingly it identifies the structural forces of social inequalities on a world scale as they shape asymmetries observed in a wide array of phenomena such as racial and gender inequality urbanization migration commodity production indigenous mobilization ecological conflicts and the new middle class A rich contribution to the study of the interconnections between the global social structure and multiple local and national hierarchies Global Entangled Inequalities brings consistently together a variety of conceptual approaches ranging from ethnographies to legal genealogies and will therefore appeal to scholars across the social sciences with interests in social theory power analysis intersectionality studies urban studies and global social and environmental justice *Mobility, Markets and Indigenous Socialities* Cecilie Vindal

Ødegaard,2016-04-15 Exploring how people from Andean communities seek progress and social mobility by moving to the cities Cecilie degaard demonstrates the changing significance of kinship reciprocity and ritual in an urban context Through a focus on people s involvement in land occupations and local associations labour and trade degaard examines the dialectics between popular practices and neoliberal state policies in processes of urbanization The making and un making of notions of the Indigenous communal work and gender is central in this analysis and is discussed against the historical backdrop of the land occupations in Peruvian cities since the 1930s Through its close ethnographic description of everyday life in a new urban neighbourhood this book reveals how social and spatial categories and boundaries are continually negotiated in people

s quest for mobility and progress Cecilie degaard argues that conventional meanings of prosperity and progress are significantly altered in interaction with Andean understandings of reciprocity By combining a unique ethnographic account with original theoretical arguments the book provides new insight into the cultural cosmological and political dimensions of mobility progress and market participation
