

Writing Family Stories

Many families have stories they like to tell over and over. Kevin Lewis laughs every time someone tells the story about the 18 pancakes his uncle ate. Michel Kramer's mom loves to tell the story about her only visit to the emergency room from a surprising injury.

Sharing Parts of Life

Family stories come in all shapes and sizes. Some stories can be told in a few lines. Others may go on and on. These stories show how families can be brave, funny, or strong. They're also fun to write!
