Arkansas town of Green Forest He settled down there for the remainder of his life running a small cow herd helping his neighbors and meeting the three best friends of his life CLAY THARP and his brothers Claude Clell and Clinton The lives of true cowboys are colored into this account of four generations of a family that lived enjoyed and overcame the hardships of working on the ranges of Texas New Mexico and Oklahoma It is compiled for the appreciation of all who have been cowboys or have ancestors whose lives were enriched by cowboy life This book opens the corral gate beckoning to the young ones who feel the calling to live in an honorable hard working and determined commitment to life that few find nowadays Enjoy the hardscrabble humor sweat and endurance of those who have preceded us in this great adventure of the American West

Chimp Robertson *Short Stories and Tall Tales* Philip Algar,2021-11-29 In this imaginative book former journalist and occasional broadcaster Philip Algar avoids all the restrictions imposed during Covid and travels in time without any hassle He meets new friends on a conventional UK holiday decades ago and discovers how three young boys play an unexpected role in the war He listens to the reminiscences of two elderly men gazing out to sea from their shelter on a sea front and follows the progress of an unpleasant politician to whom truth is an alien concept How does a dream become part of reality for a man who plays a role in the manufacture of sausages and who is slavishly addicted to the advice offered in his daily newspaper What happens to a young man who has a fantasy about a girl in a suede coat These and other tales are included in this humorous book which is an exercise in escapism

Short Stories and Tall Tales E P WHITNEY PHD,2014-11-22 The stories and tales in this book relate intimate relationships told in sensitive non vulgar language Some names and places are fictitious while incidents and relationships are based upon fact Book I was withdrawn from the market to avoid any personal embarrassment as some stories were not sufficiently fictionalized The objective is more to promote self awareness than to just entertain even though some stupid things we do are amusing to say the least

Short Stories For Tall Tales Carl Watson,2022-12-16 Each short story is complete within itself The terse captivating writing presents stories in short form without the length needed in the novel format to accomplish the same result The stories are based on truths past memories embellishments and fictional events all subject to the writers wide ranging creativity Character depiction is varied as to social and economic status race and ethnicity It addresses their rise or fall within the scope of their involvement in the stories plot Liberty has been taken with the names of a few characters Whimsical or farcical names do not detract from the aim or emotions of the stories Reading the stories is addictive prompting the reader to begin the next one as soon as the previous one has been read Any connection or allusion to living of living persons or real events is unintentional and features the range of emotions including deception and criminality exhibited by some and present in many
