**Reality Radio, Second Edition** John Biewen, Alexa Dilworth, 2017-02-13 This new revised and expanded edition of Reality Radio celebrates today's best audio documentary work by bringing together some of the most influential and innovative practitioners from the United States, Canada, the United Kingdom, and Australia. With a new foreword and five new essays, this book takes stock of the transformations in radio documentary since the publication of the first edition: the ascendancy of the podcast, greater cultural, racial, and topical variety, and the changing economics of radio itself. In twenty-four essays, total documentary artists tell and demonstrate through stories and transcripts how they make radio the way they do and why. Whether the contributors to the volume call themselves journalists, storytellers, or even audio artists, and although their essays are just as diverse in content and approach, all use sound to tell true stories artfully. Contributors include Jad Abumrad, Daniel Alarcón, Jay Allison, Damali Ayo, John Biewen, Emily Botein, Chris Brookes, Scott Carrier, Katie Davis, Sherre DeLys, Ira Glass, Alan Hall, Dave Isay, Natalie Kestecher, Starlee Kine, The Kitchen Sisters, Sarah Koenig, and Julie Snyder, Maria Martin, Karen Michel, Joe Richman, Dmae Roberts, Stephen Smith, Alix Spiegel, Sandy Tolan, and
