

A Short Story

"Happiness"

www.shortmoralstories.com

An old man lived in a village. he was one of the most unfortunate people in the world

The whole village was tired of him. He was always gloomy, constantly complained, and was always in a bad mood. The longer he lived, the more bile he produced and the more poisonous his words became.

People avoided him because his misfortune had become contagious.

It was considered unnatural and insulting to be happy next to him. He created the feeling of unhappiness in others.

But one day, when he turned 18 years old, an incredible thing happened. Instantly, everyone started hearing the rumor: "The old man is happy today." He doesn't complain about anything. He smiles and even his face is fresh and up. " The whole village gathered together:

The old man was asked:

Villager: what happened to you?

The old man replied: "nothing special." For 18 years, I have been chasing happiness, and it was useless. And then I decided to live without happiness and just enjoy life. That's why I am happy now.

The moral of the story Is don't chase happiness, enjoy your life.
