conduct performed in a state of drug induced psychosis Third to ensure that criminal conduct arising from a state of impaired consciousness does not automatically result in the outright acquittal of an accused In articulating the competing demands that must be balanced in order to secure a principled approach to the reform of mental state defences the book will be of relevance to all common law countries

Dangerous Motherhood H. Marland,2004-06-29 Dangerous Motherhood is the first study of the close and complex relationship between mental disorder and childbirth Exploring the relationship between women their families and their doctors reveals how explanations for the onset of puerperal insanity were drawn from a broad set of moral social and environmental frameworks rather than being bound to ideas that women as a whole were likely to be vulnerable to mental illness The horror of this devastating disorder which upturned the household turned gentle mothers into disruptive and dangerous mad women was magnified by it occurring at a time when it was anticipated that women would be most happy in the fulfillment of their role as mothers
