There's something fascinating and cerebral about a Kiss Across Time story that's more than your usual fantasy time travel story. Creative and Amazing I really love how original Tracy manages to be in a genre where everything seems to have been written. I loved reading this rich complex and interesting tapestry of interwoven lives and loves. GOLD More compulsive reading for the Kiss Across Time series. Cooper Posey is a master storyteller but how she manages to create these elaborate interconnected storylines that flesh out character development is incredible. I haven't read a book in this series that I don't like. This a series that is not one that you get tired of reading as Tracy keeps everything fresh and new. I thoroughly enjoyed reading this terrifically exciting book. It pulls you into itself from page one and doesn't let you go until you've read the last word. **Adult**
