The Alcalde ,1981-09 As the magazine of the Texas Exes The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years The Alcalde serves as an intellectual crossroads where UT s luminaries artists engineers executives musicians attorneys journalists lawmakers and professors among them meet bimonthly to exchange ideas Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater The magazine s unique name is Spanish for mayor or chief magistrate the nickname of the governor who signed UT into existence was The Old Alcalde

**Carnival** Milla Cozart Riggio,2004-10-14 This beautifully illustrated volume features work by leading writers and experts on carnival from around the world and includes two stunning photo essays by acclaimed photographers Pablo Delano and Jeffrey Chock Editor Milla Cozart Riggio presents a body of work that takes the reader on a fascinating journey exploring the various aspects of carnival its traditions its history its music its politics and prefaces each section with an illuminating essay Traditional carnival theory based mainly on the work of Mikhail Bakhtin and Victor Turner has long defined carnival as inversive or subversive The essays in this groundbreaking anthology collectively reverse that trend offering a re definition of carnival that focuses not on the hierarchy it temporarily displaces or negates but a one that is rooted in the actual festival event Carnival details its new theory in terms of a carnival that is at once representative and distinctive The Carnival of Trinidad the most copied yet least studied major carnival in the world

*Faraway* Edmund Ironside,2013-02 Earth Empire has developed incredible technology and it has taken humans half way across the galaxy Entire sentient species have been conquered their worlds and inhabitants exploited brutally Human technology and social structure has been used efficiently but not wisely A sense of malaise has gripped nearly all of the people and they yearn for something better Lost in a fog of bizarre state imposed controls supported by endless propaganda they don t know how to escape their meaningless existence They don t even know what they want At the outermost base called Faraway a small group of humans learn of some ancient writings although incomplete suggesting there is more to life Immersing themselves in the new way they start discovering thoughts like respect compassion community beauty purpose and especially love It s a tenuous beginning and there are those who will suppress the adherents of the new way A struggle begins between the two opposing ways The struggle spreads across the galaxy and even beyond from Faraway

*The SAR Magazine* Sons of the American Revolution,1926 **"Who Set You Flowin'?"** Farah Jasmine Griffin,1996-09-26 Twentieth century America has witnessed the most widespread and sustained movement of African Americans from the South to urban centers in the North Who Set You Flowin examines the impact of this dislocation and urbanization identifying the resulting Migration Narratives as a major genre in African American cultural

production Griffin takes an interdisciplinary approach with readings of several literary texts migrant correspondence painting photography rap music blues and rhythm and blues From these various sources Griffin isolates the tropes of Ancestor Stranger and Safe Space which though common to all Migration Narratives vary in their portrayal She argues that the emergence of a dominant portrayal of these tropes is the product of the historical and political moment often challenged by alternative portrayals in other texts or artistic forms as well as intra textually Richard Wright s bleak yet cosmopolitan portraits were countered by Dorothy West s longing for Black Southern communities Ralph Ellison while continuing Wright s vision reexamined the significance of Black Southern culture Griffin concludes with Toni Morrison embracing the South as a site of African American history and culture a place to be redeemed

**Voices from a Southern Prison** Lloyd C. Anderson, 2011-08-15 Rats tainted food leaky sewage pipes they only began to hint at the anarchy inside the Kentucky State Reformatory in La Grange A barracks style warehouse prison straight out of an old mobster film KSR was three quarters over its intended capacity by 1978 It had become a sickening dangerous place where an inmate could get his hands on a sawed off shotgun more easily than a clean towel That year a handful of KSR prisoners managed to send a plea for help to the federal court in Louisville The petitioners expected reprisals or maybe worse silence But the letter reached a caring judge and the prisoners had spoken up at a crucial moment in Kentucky reform politics The signs seemed right to take on the old boy network whose byword on prison conditions was ain t no riots ain t no problems The suit was settled in the KSR prisoners favor in 1981 paving the way for controversial protracted and expensive reforms Written by Lloyd C Anderson the head of the KSR prisoners legal team *Voices from a Southern Prison* quotes extensively from recollections of many players in the case from the judge who presided over it to the journalist who put it in the headlines Most important we hear from three inmates who emerged as leaders among their fellow plaintiffs James Shorty Thompson Wilgus Haddix and Walter Harris As our nation s penal system expands on an unprecedented scale the KSR scandal offers timely lessons about entrenched attitudes toward prisons Thus far says Anderson they seem lost on the strategists of our War on Crime
