## Shot Callerz:

**The Shot Callers** Lakesha Singletary, 2013-03      *Shot Caller* Sara Driscoll, 2023-10-10 NYPD detective Gemma Capello is called to Rikers Island where a prison riot threatens to become a bloodbath. On Rikers Island tensions always run high especially in the Enhanced Supervision Housing unit. The ESH is home to Rikers most dangerous offenders many of them members of rival street gangs. When Gemma Capello and her team get word of an uprising at the ESH they know how much is at stake. It's also the first case she and Detective Sean Logan have worked together since a siege at City Hall. Built to prevent escape prisons are also especially difficult to invade a last resort for Gemma. She begins negotiating with Kill Switch a young aggressive member of the Filero Kings gang and the inmates spokesman. She can tell the stress level is escalating inside. That may give her team some advantages but it soon leads to a brutal act of retribution and threats of more to come. With the body count rising and her team arguing about how to proceed the only certainty is that the next misstep may be a fatal one.

*Only the Wicked* Gary Phillips, 2024-08-20 Private eye Ivan Monk takes on his most personal mystery to date and chases answers deep into America's haunted past. Long ago Marshall Spears was a hero of the ballpark. In a time when baseball and the nation was segregated he played in the vaunted Negro Leagues. Decades later Old Man Spears is living out his days as a fixture in a barbershop in South Central. One afternoon P.I. Ivan Monk a shop regular learns that Spears's former teammate was Kennesaw Riles. From family lore Monk knows Riles is his cousin who was ostracized for the damning testimony he gave during a controversial murder trial in the 60s testimony that put a firebrand civil rights leader behind bars. Before Monk can hear more Old Man Spears drops dead while listening to a ballgame on the radio. Even stranger the long missing Riles shows up at the Old Man's funeral services and dies soon after. Monk knows the timing is not a coincidence. He follows the mystery to the Mississippi Delta. There he unravels the truth behind the murder of two civil rights era activists. Eventually Monk zeroes in on a group of shadowy Mississippi businessmen turned philanthropists who may not have reformed their ways as they claim. Far from Los Angeles the tenacious private eye confronts his own family history as well as a brand of hatred thought to have died with Jim Crow.

*Bad Night Is Falling* Gary Phillips, 2024-07-23 When Black private eye Ivan Monk takes on a case in a housing project in South Los Angeles he finds himself facing off with corrupt police and gang members and indicted for murder. Heat is building in the Rancho Tajuata Housing Projects and not just because it's summer in L.A. When a Mexican family is killed by a firebombing local rage threatens to grow out of control. The pressure is on to solve this case quickly to help deescalate the tense situation. At the request of the tenant's security force P.I. Ivan Monk is called in to find the killer. To track the murderer down Monk must delve into a tangled history leading all the way back to the 1965 Watts riots a hunt that reveals layers of buried racism and corruption. Monk sorts through the complexities of gang conflicts and governmental kickbacks only to find himself at odds with the police disillusioned by his mentor and after a fierce struggle with some gang members under indictment for murder Monk must race to clear his name before time runs
