Tragic Humanity and Hope Pius Ojara, 2007-09-01 With insights into the thought of Gabriel Marcel *Tragic Humanity and Hope* recognizes that in our age scientific knowing is becoming a dominant form of knowledge The leadership influence growth and gravitational center of human existence depend it seems on scientific knowledge As a result we live in an information age that prizes production and immediate satisfaction but devalues the cultivation of wisdom We risk diminishing the significance of sapiential knowing to deal with the immensely complex and intricate domains of human relationality Furthermore inquiry into moral discernment methods expands becoming more diverse yet scholarly conversations that engage the vital exigencies as founding moral sensibility seem noticeably insufficient *Tragic Humanity and Hope* strives to overcome this lack But Ojara also seeks ethical groundings that exceed the language of pragmatic utility and aesthetic preference Foundations of morality cannot exclude questions of the common good and shared moral obligations that free people to reach out to one another with hopes and memories that endow life with shared meaning Through continuity and cohesion that the interlacing of scientific sapiential and moral knowing bring life becomes a marvelous expression of light joy and fervor

The Cosmic Love Story God And Us Rev. Robert E. Lauder, 2024-05-16 In this amazing book the author presents insights into the mystery of love both Divine and human Influenced by personalist philosophers Martin Buber Emmanuel Mounier and Gabriel Marcel by American Catholic theologians John Haught Michael Himes Bernard Cooke and Ronald Rolheiser and also by the Thomist personalist W Norris Clarke SJ Lauder reflects deeply on the mystery of God and the human person Martin Buber claimed that love was a cosmic

force Lauder's vision is cosmic. He has produced a book that is not only interesting and illuminating but also inspiring. Readers will find themselves returning to reread their favorite chapters and researchers will find new quotes to include in their research projects. One of Lauder's talents as a writer is to explore the most profound mysteries and write about them in language accessible to readers who are interested in reflecting on such mysteries as love of self, love of neighbor and love of God. Rather than presenting insights into the meaning and mystery of love in a way that is excessively speculative and academic, Lauder's writing may challenge the intellect to incorporate the most profound truths about love into daily life. The Cosmic Love Story: God and Us will move readers to integrate insights into love from the book into their lives so that they choose to live as gift givers that is to say as lovers.

Friends Forever Lyn Andrews, 2010-05-27 Two young women find the bond of lifelong friendship gives them the strength to hold on to their dreams in the hardship of 1920s Liverpool. In Friends Forever Lyn Andrews weaves an unforgettable saga of friendship overcoming life's hardships. Perfect for fans of Anne Baker, Nadine Dorries and Joan Jonker. In 1928 Bernie O'Sullivan and Molly Keegan catch their first glimpse of the bustling city they're about to call home. Both seventeen and best friends since childhood, the girls have left Ireland behind for an exciting new life in Liverpool. They are dismayed to discover that the relatives they are to stay with have barely two pennies to rub together; the promised grand house is a run-down building in one of Liverpool's worst slum areas. Desperate to escape, Bernie secures a position as a domestic servant while Molly is taken on as a shop assistant. Soon they have settled and find themselves in love with local men. For both, though, love holds surprises and the danger of ruin in an unforgiving world. What readers are saying about Friends Forever: The story and characters are riveting. Lyn Andrews is an excellent writer. Good story line, interesting characters. Kept me up late but it was worth it. Five stars. Don't miss the equally moving wartime sequel Every Mother's Son.

They say love trumps all hurdles but some days I wonder will our love trump our hurdles. Then I look into Andr's sensual smile and passionate gaze and I fall in love all over again. Andr's: When I told Christina I would love her forever, I meant every word. The nightmares are back and I don't know how to stop them but I have to be strong for her.
