Should We Marry:

Married & Having Fun!!! Dr. Shonda Kirk, Joe Kirk Jr., 2022-04-10 Married Having Fun is a book Dr S Kirk and her husband wanted to write to encourage singles and married couples to have fun Our society has made being made the worst decision to make But we wanted to share marriage is not a bad thing when you marry who God says to marry Marriage, Sexuality, and Gender Robin West, 2015-12-03 Marriage Sexuality and Gender examines contemporary debates about the meaning and value of marriage The book analyzes arguments for traditional marriage including those of neonaturalists utilitarians and communitarians or virtue theorists The volume also considers a range of feminist welfarist and liberationist arguments for ending the institution altogether It evaluates two major reform movements one focused on expanding marriage to include same sex couples and the other focused on the use of law to render marriage more internally just The book concludes with a plea to activists to redirect marriage equality movements toward the creation of an entirely secular civil union law that would respect a broader range of private life long commitments including but not limited to same and opposite sex couples without threatening the role of religious marriage in the lives of those who embrace it and without penalizing nonparticipants *Should We Marry Or Not?* Nora I, 2022-09-24 Investing in your relationship before you are married will reap rewards for many years to come Getting ready for marriage means being prepared for it in a myriad number of ways Happily married couples are the ones who have worked hard on how to resolve their conflicts through communication compromise and sacrifice So if you proactively discuss your expectations ahead of time your chances of leading a happy life together increase considerably Preparing for marriage is the key to a forthcoming blissful married life Marriage essentially involves a surrender of personal rights for the benefit of each other Neither the husband nor the wife has the right to make major purchases without the full agreement of the other partner Your money is our money even if you feel like you earned it You can no longer spend it however you please Make a commitment to postpone spending until you both feel comfortable with the decision When two people come together to start a family both individuals probably have different backgrounds and upbringings This can influence the way both of you approach parenting A result of opposing parenting styles Arguing about whether your kids should have ice cream before dinner or how to discipline them if at all Knowing and understanding the premarital factors discussed above is the first step The second step is assessing these factors in yourself and your relationship This can be accomplished most effectively and easily by completing a comprehensive premarital assessment questionnaire PAQ and interpreting the results with your partner Three high quality PAQs that provide couples with useful feedback on their strengths and weaknesses in each of the areas above include 1 Facilitating Open Couple Communication Understanding and Study FOCCUS 2 Relationship Evaluation RELATE 3 Premarital Preparation and Relationship Enhancement PREPARE There will be times when a husband and wife will have opposing viewpoints about important decisions or situations These are times to earnestly seek the will of the Lord through a study of His word and times

of prayer and fasting If there is still disagreement a wise and respected person of authority should be available for counsel Normally this could be the parents the Elder or some other wise brethren or counselor Discussing this marriage compatibility question and coming to an agreement on who to talk to will make the hopelessness that conflict can sometimes bring much more bearable solution IT IS GOOD YOU GET A COPY OF THIS BOOK FOR YOUR MARRIAGE PREPARATION Marriage and Family Curtis Phillips, Marc Barnes, 2024-04-02 It is from the Bible that society obtains its most enduring and successful patterns for the tapestries formed by our social fabric The institution of marriage is no exception Given to us by God at the very beginning of His creation marriage was to be the bedrock of all societies and over the millennia since God first gave Adam and Eve life in the garden of Eden this bedrock remains essential to His will for mankind While this book will neither exhaust the topic of biblical marriage nor address every verse of Scripture or nuance in the union of two unique individuals it will present practical revelation that we pray you find useful in building your marriage and thereby empowering your family Beginning with the biblical foundation of marriage a foundation unaltered since God ordained it this book will take you on a journey that will reveal the genius of God s blueprint for marriage and ultimately His manifestation of the gospel in the institution itself As with all great institutions marriage and family are God s idea not mankind s He is the Creator and Sustainer and the purposes for which He creates and sustains a marriage are not mysterious He desires godly offspring In perpetuating the gospel of Jesus Christ through all generations and around the world God reveals time and again in His Word that the primary vehicle for the perpetuation of that Gospel good news is family Just as no person is perfect no family is perfect Here too in the ashes of divorce abuse and failed families God wishes to show Himself not only capable but eager to restore and heal We pray you will enjoy and profit greatly from the revelation God has given us on this important subject
