Known as the producer with the trillion-dollar Rolodex, Lori Ann LaRocco knows how to get business leaders and entrepreneurs to talk. Many of the world's most well-known executives are so trusting of LaRocco, senior talent producer at CNBC, that she consistently gets scoops on billion-dollar deals before anyone else. In her newest book, *Opportunity Knocking*, LaRocco uses her close relationships with these organizational leaders to tell their stories, many of which have never been previously revealed, but offer brilliant insights into their minds. In *Opportunity Knocking*, readers will learn the full stories and secrets of success from some of the world's smartest, most innovative leaders, such as Ford CEO Alan Mulally's strategy for creating a culture of promise that revitalized the American auto industry. This book provides real-world examples from leaders like Mulally and turns them into actionable, proven strategies for identifying and acting on opportunities. What makes *Opportunity Knocking* stand apart is the diversity of individuals who offer real-world strategies and advice instead of just one person's opinion or vision.
