Shows Of Force Power Politics And Ideology In Art Exhibitions:

Shows of Force Timothy W. Luke, 1992 It has long been considered a mark of na vet to ask of a work of art What does it say But as Timothy W Luke demonstrates in Shows of Force artwork is capable of saying plenty and much of the message resides in the way it is exhibited By critically examining the exhibition of art in contemporary American museums Luke identifies how art showings are elaborate works of theater that reveal underlying political social and economic agendas The first section Envisioning a Past Imagining the West looks at art exhibitions devoted to artworks about or from the American West Luke shows how these exhibitions displaying nineteenth and early twentieth century works by artists such as George Caleb Bingham Frederic Remington Frederic Edwin Church and Georgia O Keefe express contemporary political agendas in the way they portray the past and shape new visions of the West In Developing the Present Defining a World Luke considers artists from the post 1945 era including Ilya Kabakov Hans Haacke Sue Coe Roger Brown and Robert Longo Recent art exhibits his analysis reveals attempt to develop politically charged conceptions of the present which in turn struggle to define the changing contemporary world and art s various roles within it Luke brings to light the contradictions encoded in the exhibition of art and in doing so illuminates the political realities and cultural ideologies of the present Shows of Force offers a timely and surely controversial contribution to current discussions of the politics of exhibiting art **Museums,**

International Exhibitions and China's Cultural Diplomacy Da Kong, 2021-03-31 Museums International Exhibitions and China's Cultural Diplomacy examines the role museums and more specifically international exhibitions have played in shaping China's international image to date Drawing on theories and methods from museum studies and international relations the book evaluates the contribution international exhibitions make to China's cultural diplomacy strategy Considering their impact on the country's international image Kong also probes the mechanisms and processes involved examining in detail the policy of and international activities promoted by the Chinese government The book also analyses the motives of the Chinese and overseas museums that host these exhibitions Taking some major exhibitions that were on show in the UK during the 21st century as a representative case study the book reveals the mechanisms by which these exhibitions were developed and shared overseas Questioning who really shapes the image of China Kong challenges Western assumptions and looks ahead to consider whether moving forward the Chinese government and museums could work together in a mutually beneficial way Museums International Exhibitions and China's Cultural Diplomacy contributes to the growing literature on museums and diplomacy As such it will be of interest to academics and students engaged in the study of museums and heritage international relations culture politics China and wider Asia *Thinking About Exhibitions* Bruce W.
