**From Cradle to Preschool - What to Expect & What to Do** U.S. Department of Education, 2017-02-17 Scientists who study how the brain works have shown that children learn earlier and learn more than we once thought possible From birth through age 5 children are developing the language thinking physical emotional and social skills that they will need for the rest of their lives This book is for families and caregivers who want to help their preschool children to learn and to develop the skills necessary for success in school and in life It begins with information that will help you prepare your child to learn and to get ready for school The major portion are simple activities that you can use with your child These activities are only a starting point We hope that you and your child will enjoy them enough to create and try many more on your own In addition the text provides suggestions for how to monitor your child s TV viewing and to choose good TV programs and videos and how to choose suitable child care It also provides a checklist to guide you as you prepare your child to enter kindergarten As a parent you can help your child want to learn in a way no one else can That desire to learn is a key to your child s later success Enjoyment is important

**Big Data** Brian Clegg, 2017-08-03 Is the Brexit vote successful big data politics or the end of democracy Why do airlines overbook and why do banks get it wrong so often How does big data enable Netflix to forecast a hit CERN to find the Higgs boson and medics to discover if red wine really is good for you And how are companies using big data to benefit from smart meters use advertising that spies on you and develop the gig economy where workers are managed by the whim of an algorithm The volumes of data we now access can give unparalleled abilities to make predictions respond to customer demand and solve problems But Big Brother s shadow hovers over it Though big data can set us free and enhance our lives it has the potential

to create an underclass and a totalitarian state With big data ever present you can't afford to ignore it Acclaimed science writer Brian Clegg a habitual early adopter of new technology and the owner of the second ever copy of Windows in the UK brings big data to life
