'Photos of the Gods' Christopher Pinney,2004 Chris Pinney demonstrates how printed images were pivotal to India s struggle for national and religious independence He also provides a history of printing in India **SONG OF SCIENCE - SHRIMAD BHAGWAT GITA** DR. B.G. MATAPURKAR,2020-12-19 Indians have a boasting habit that everything discovered in modern time has already been known to their ancestors It can further be added that not only did scientific knowledge exist but scientists of past civilization were much more advanced than the modern scientist The truth gets unfolded when new modern discovery is explored such as embryonic Stem Cell discovery is scientifically scripted in the AADI PARV of MAHABHARAT Growing babies outside the uterus and outside the human body This is still to be discovered by modern science Only patiently one must discover what is scripted in Vedic literature understand and analyze it and correlate with modern science It is surprising to see the seeds of all sciences and technology in ancient Vedic literature Modern science is searching for God Particle after confirming particle physics In Vaisheshik Darshan Maharishi Kanada 7000 BC has stated about particle Physics Rishi Kanada included Soul as having particles Is it indicating as God particle Read this book to find out
