The Drunken Boat Arthur Rimbaud, 2022-07-26 A new translation of the best and most provocative work by France's infamous rebel poet in a bilingual edition Poet prodigy precursor punk the short precocious uncompromisingly rebellious career of the poet Arthur Rimbaud is one of the legends of modern literature By the time he was twenty Rimbaud had written a series of poems that are not only masterpieces in themselves but that forever transformed the idea of what poetry is Without him surrealism is inconceivable and his influence is palpable in artists as diverse as Henry Miller John Ashbery Bob Dylan and Patti Smith In this essential volume renowned translator Mark Polizzotti offers authoritative and inspired new versions of Rimbaud's major poems and letters including generous selection of Illuminations and the entirety of his lacerating confession A Season in Hell capturing as never before not only the meaning but also the daredevil attitudes and incantatory rhythms that make Rimbaud's works among the most perpetually modern of his or any other generation. A Season in Hell and the Illuminations Arthur Rimbaud,1974 Although he abandoned poetry before he was twenty one years old and wrote for only five or six years in all Arthur Rimbaud has had an extraordinary influence on modern poetry His work helped inspire poetic Symbolism Dadaism and Surrealism Rimbaud dreamed of re creating life through his words Not content merely to describe the world he longed to reorder it through his revolutionary poetry He rebelled against all forms of hypocrisy as well as against conventional concepts of love morality religion and art He even dreamed of liberating women
