brightest minds in the study of Buddhism in Southeast Asia to create a more coherent account of the relations between Buddhism and political order in the late pre modern and modern period **Origins, History and Social Structure in Brunei Darussalam** Victor T. King, Stephen C. Druce, 2020-10-30 This wide ranging book re evaluates in detail the early history and historiography of Brunei Darussalam the origins of the sultanate its genealogical foundations and the structure and administration of Brunei society Contributors draw on the seminal work of Donald E Brown whose major monograph on the sultanate was published in 1970 and marked the beginnings of advanced sociological anthropological and historical research on Brunei Among the key issues addressed are status systems titles and social stratification Chinese sources for the study of Brunei Malay oral and written histories and traditions the symbolism meanings and origins of coronation rituals previously unknown sources for the study of Brunei history and the processes of incorporation of minority populations into the sultanate Contributions by leading scholars of Brunei Borneo and the wider Indonesian Malay world both from within Brunei Darussalam and beyond address some central preoccupations which Brown raised and which have been the subject of

continued debate in Austronesian and Southeast Asian studies A novel contribution to the study of the history of Brunei Darussalam this book will be of interest to scholars of Southeast Asian history Asian history Colonial and Imperial history and anthropology **Routledge Handbook of Theravāda Buddhism** Stephen C. Berkwitz,Ashley Thompson,2022-03-16

Among one of the older subfields in Buddhist Studies the study of Therav da Buddhism is undergoing a revival by contemporary scholars who are revising long held conventional views of the tradition while undertaking new approaches and engaging new subject matter The term Therav da has been refined and research has expanded beyond the analysis of canonical texts to examine contemporary cultural forms social movements linked with meditation practices material culture and vernacular language texts The Routledge Handbook of Therav da Buddhism illustrates the growth and new directions of scholarship in the study of Therav da Buddhism and is structured in four parts Ideas Ideals Practices Persons Texts Teachings Images Imaginations Owing largely to the continued vitality of Therav da Buddhist communities in countries like Sri Lanka Myanmar Thailand Cambodia and Laos as well as in diaspora communities across the globe traditions associated with what is commonly and fairly recently called Therav da attract considerable attention from scholars and practitioners around the world An in depth guide to the distinctive features of Therav da the Handbook will be an invaluable resource for providing structure and guidance for scholars and students of Asian Religion Buddhism and in particular Therav da Buddhism The introduction and chapter 20 of this book are available for free in PDF format as Open Access from the individual product page at www.routledge.com It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license **Innovation in Religions Traditions** Michael A. Williams,Collett Cox,Martin Jaffee,2011-10-13 The series Religion and Society RS contributes to the exploration of religions as social systems both in Western and non Western societies in particular it examines religions in their differentiation from and intersection with other cultural systems such as art economy law and politics Due attention is given to paradigmatic case or comparative studies that exhibit a clear theoretical orientation with the empirical and historical data of religion and such aspects of religion as ritual the religious imagination constructions of tradition iconography or media In addition the formation of religious communities their construction of identity and their relation to society and the wider public are key issues of this series [The Kingdoms of Laos](#) Sanda Simms,2013-10-11 Describes the changes in society over 600 years as Lan Xang was gradually dismembered and became a French colony Most importantly it shows the essence of the Lao and why despite all that has happened they possess their own social and cultural values that mark them as distinctive *Thailand's Theory of Monarchy* Patrick Jory,2016-05-09 2016 CHOICE Outstanding Academic Title Since the 2006 coup d tat Thailand has been riven by two opposing political visions one which aspires to a modern democracy and the rule of law and another which holds to the traditional conception of a kingdom ruled by an exemplary Buddhist monarch Thailand has one of the world s largest populations of observant Buddhists and one of its last politically active monarchies This book examines the Theravada

Buddhist foundations of Thailand's longstanding institution of monarchy Patrick Jory states that the storehouse of monarchical ideology is to be found in the popular literary genre known as the J takas tales of the Buddha's past lives The best known of these the Vessantara J taka disseminated an ideal of an infinitely generous prince as a bodhisatta or future Buddha an ideal which remains influential in Thailand today Using primary and secondary source materials largely unknown in Western scholarship Jory traces the history of the Vessantara J taka and its political cultural importance from the ancient to the modern period Although pressures from European colonial powers and Buddhist reformers led eventually to a revised political conception of the monarchy the older Buddhist ideal of kingship has yet endured **Worshipping the Great**

Moderniser Irene Stengs, 2009 An examination of social imaginary surrounding Thai kingship and Thainess that yield an intriguing amalgam of ideas concerning popular religion Buddhist kingship nationalism and material culture It explores the contemporary appeal of King Chulalongkorn and considers what this ruler's unprecedented popularity says about Thai society *Siamese State Ceremonies* Horace Geoffrey Quaritch Wales, 1971 [Southeast Asian Education in Modern History](#) Pia Jolliffe, Thomas Bruce, 2018-10-30 How particular has Southeast Asia's experience of educational development been and has this led to an identifiably distinct Southeast Asian approach to the provision of education Inquiry into these questions has significant consequences for our understanding of the current state of education in Southeast Asia and the challenges it has inherited This book contributes to a better understanding of the experience of educational development in Southeast Asia by presenting a collection of micro historical studies on the subject of education policy and practice in the region from the emergence of modern education to the end of the twentieth century The chapters fathom the extent to which contest over educational content in schools has occurred and establish the socio cultural political and economic bases upon which these contestations have taken place and the ways in which those forces have played out in the classrooms In doing so the book conveys a sense of the extent to which modern forms of education have been both facilitated and shaped by the region's specific configurations its unique demographic religious social environmental economic and political context Conversely they also provide examples of the sorts of obstacles that have prevented education making as full an impact on the region's recent modern transformation as might have been hoped or expected This book will be of interest to academics in the field of Southeast Asian Studies Asian Studies education nationalism and history **Siamese State Ceremonies** Horace Geoffrey Quaritch Wales, 1971 *A History of Modern Thailand, 1767-1942* B.
