**The Strip** Stefan Al, 2017-03-03 The transformations of the Strip from the fake Wild West to neon signs twenty stories high to starchitecture and how they mirror America itself The Las Vegas Strip has impersonated the Wild West with saloon doors and wagon wheels it has decked itself out in midcentury modern sleekness It has illuminated itself with twenty story high neon signs then junked them After that came Disney like theme parks featuring castles and pirates followed by replicas of Venetian canals New York skyscrapers and the Eiffel Tower It might be noted that forty two million people visited Las Vegas in 2015 ten million more than visited the real Paris More recently the Strip decided to get classy with casinos designed by famous architects and zillion dollar collections of art Las Vegas became the implosion capital of the world as developers driven by competition got rid of the old to make way for the new offering a non metaphorical definition of creative destruction In The Strip Stefan Al examines the many transformations of the Las Vegas Strip arguing that they mirror transformations in America itself The Strip is not as popularly supposed a display of architectural freaks but representative of architectural trends and a record of social cultural and economic change Al tells two parallel stories He describes the feverish competition of Las Vegas developers to build the snazziest most tourist grabbing casinos and resorts with a cast of characters including the mobster Bugsy Siegel the eccentric billionaire Howard Hughes and the would be political kingmaker Sheldon Adelson And he views the Strip in a larger social context showing that it has not only reflected trends but also

magnified them and sometimes even initiated them Generously illustrated with stunning color images throughout The Strip traces the many metamorphoses of a city that offers a vivid projection of the American dream      **The Animal Hedge** Paul Fleischman, Bagram Ibatoulline, 2008-05-13 After being forced to sell the animals he loves a farmer cuts his hedge to look like them and teaches his sons about following their hearts      **Children's Book Corner** Judy Bradbury, 2005-08-30 This third book in the four book Children's Book Corner set provides a complete program for those starting a read aloud program in their classroom their school or public library or their home This volume focuses on read alouds for children in grades 3 and 4 It provides book lists book selection ideas as well as pre reading while reading and post reading questions and activities Parent Pull Out Pages with helpful tips are provided for duplication Helpful appendices and an index furnish additional aides to structure a great read aloud program New in this book is a section Up Close and Personal of personal notes from children's authors discussing their books featured in the read aloud section Also new to the section is Write Away providing writing tips and activities This third book in the four book Children's Book Corner set provides a complete program for those starting a read aloud program at home in their classroom or school or their public library This volume focuses on read alouds for children in grades 3 and 4 It provides book lists book selection ideas as well as pre reading while reading and post reading questions and activities Parent Pull Out Pages with helpful tips are provided for duplication Helpful appendices and an index furnish additional aides to structure a great read aloud program New in this book is a section Up Close and Personal of personal notes from children's authors discussing their books featured in the read aloud section Also new to the section is Write Away providing writing tips and activities Grades 3 and 4      **Creativity and Children's Literature** Marianne Saccardi, 2014-07-31 Today's students need to be able to do more than score well on tests they must be creative thinkers and problem solvers The tools in this book will help teachers and parents start students on the path to becoming innovative successful individuals in the 21st century workforce The children in classrooms today will soon become adult members of society they will need to apply divergent thinking skills to be effective in all aspects of their lives regardless of their specific occupation How well your students meet complicated challenges and take advantage of the opportunities before them decades down the road will depend largely upon the kind of thinking they are trained and encouraged to do today This book provides a game plan for busy librarians and teachers to develop their students abilities to arrive at new ideas by utilizing children's books at hand Following an introduction in which the author defines divergent thinking discusses its characteristics and establishes its vital importance chapters dedicated to types of literature for children such as fantasy poetry and non fiction present specific titles and relevant activities geared to fostering divergent thinking in young minds Parents will find the recommendations of the kinds of books to read with their children and explanations of how to engage their children in conversations that will help their creative thinking skills extremely beneficial The book also includes a case study of a fourth grade class that applied the principles of divergent thinking to imagine innovative designs and come up with
