Chokkan,2024-03-16 For much of the 20th century the Soviet Union was veiled behind an Iron Curtain of secrecy and oppression orchestrated by the Communist party and intelligence services like the KGB While the public knew of the KGB as a spy agency abroad few glimpsed its extensive surveillance and suppression of dissent within Soviet borders This book documents accounts of KGB assassination teams infiltration operations staged provocations planted propaganda and the capture of double agents abroad But it also uncovers widespread interference in culture media religion and daily life behind the Soviet border The aim is not just to recount historical events but to offer an inside story that goes beyond the superficial understanding of covert operations It is an exploration of the motivations the betrayals and the sacrifices made by those who operated in the shadows shaping the course of history with every classified mission *Reilly* ,2005-02-22 At the turn of the 20th century on remarkable man single handedly tried to alter the course of history This Russian born British agent radically transformed modern espionage techniques and set the mold for the super spy Reilly Ace Of Spies is the thrilling suspenseful dramatization of the real life adventures of Sidney Reilly the inspiration behind Ian Fleming's James Bond Shot in glorious period detail one heart pulsing mission after another captures the arc of Reilly's brilliant career From stealing top secret Russian oil information to a near overthrow of the Bolshevik Revolution to his final capture by Stalin's forces in 1918 Reilly's exploits are at times so daring it's hard to believe they are history and not fiction Starring Sam Neill Jurassic Park The Hunt

Sidney Reilly, 1986-05-01 British spy Sidney Reilly looks at his life and his attempt to overthrow the Bolshevik regime in
Russia and restore the Czar Britain's Master Spy Signey Reilly, 1986-02-01 *Rogue Agent* James Crossland, 2025-05-06
Taking the reader on a colorful journey from the Russian Revolution through both world wars this is the story of the riveting
life of maverick spy Robert Bruce Lockhart Diplomat conspirator intelligence gatherer propagandist and charmer Rogue
Agent tells the colorful story of London's key agent in Moscow during the first half of the twentieth century Sir Robert Bruce
Lockhart Sir Robert Bruce Lockhart 1887 1970 was an impressive figure who played a vital role in both world wars He was a
man who charmed his way into the confidences of everyone from Leon Trotsky to Anthony Eden A man whom the influential
press baron Lord Beaverbrook claimed could well have been prime minister And yet Lockhart died almost forgotten and near
destitute a Scottish footnote in the pages of history Rogue Agent is the first biography of this gifted yet habitually flawed
maverick It chronicles his many exploits from his time as Britain's agent in Moscow and his role in a plot to bring down the
communist regime to his leadership in the Political Warfare Executive a secret body responsible for disinformation and
propaganda during World War II Exploring Lockhart's unorthodox thinking and contributions to the development of
psychological warfare as well as his hedonistic lifestyle late nights and many affairs that left him in a state of perpetual debt
and emotional turmoil Rogue Agent presents the thrilling and dramatic tale of this unconventional war hero The Russian
Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to
1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of
literature in the decades that have passed since the events themselves However until now historians of the revolution have
had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian
Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and
fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution
of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As
such it identifies these crucial years as something more than simply the creation of a communist state
