Sidneys House:

The Ashgate Research Companion to The Sidneys, 1500-1700 Michael G. Brennan, Mary Ellen Lamb, 2020-07-26
Few families have contributed as much to English history and literature indeed to the arts generally as the Sidney family This two volume Ashgate Research Companion assesses the current state of scholarship on family members and their impact as historical and literary figures in the period 1500 1700 Volume 1 Lives begins with an overview of the Sidneys and politics providing some links to court events entertainments literature and patronage The volume gives biographies to prominent high profile Sidney women and men as well as sections assessing the influence of the family in the areas of the English court international politics patronage religion public entertainment the visual arts and music The focus of the second volume is the literary contributions of Sir Philip Sidney Mary Sidney Herbert Countess of Pembroke Lady Mary Wroth Robert Sidney Earl of Leicester and William Herbert Earl of Pembroke

Mary Sidney, Lady Wroth Margaret P. Hannay, 2016-05-06 Despite her fascinating life and her importance as a writer until now Lady Mary Wroth has never been the subject of a full length biography Margaret Hannay s reliance on primary sources results in some corrections as well as additions to our knowledge of Wroth s life including Hannay s discovery of the career of her son William the marriages of her daughter Katherine her grandchildren her last years the date of her death and the subsequent history of her manuscripts This biography situates Lady Mary Wroth in her family and court context emphasizing the growth of the writer s mind in the sections on her childhood and youth with particular attention to her learned aunt Mary Sidney Herbert Countess of Pembroke as literary mentor and to her Continental connections notably Louise de Coligny Princess of Orange and her stepson Prince Maurice Subsequent chapters of the biography treat her experience at the court of Queen Anne her relationships with parents and siblings her love for her cousin William Herbert her marriage to Robert Wroth the birth and early death of her only legitimate child her finances and properties her natural children her grandchildren and her last years in the midst of England s civil wars Throughout the biography attention is paid to the complex connections between Wroth s life and work The narrative is enhanced with a chronology family trees for the Sidneys and Wroths a map of Essex showing where Wroth lived a chart of family alliances portraits and illustrations from her manuscripts

The Life of Sir Philip Sidney Malcolm William Wallace, 2011-04-14 Professor Malcolm William Wallace examines all the previous manuscripts and published sources of information pertaining to Sidney s life

Sidney Nolan Nancy Underhill, 2015-06-01 Digging through the myths around Australia s most famous artist many of which he created himself as a masterful self promoter this book is the biography that Sidney Nolan deserves In an authoritative insightful and often irreverent biography that fully charts Nolan s life and work Nancy Underhill peels back the layers from a complicated expedient and manipulative artistic genius She carries the story from Nolan s birth in 1917 to his death in 1992 tracing his early life his experience as a commercial artist his involvement in the Angry Penguins magazine his painting and set design his difficult marriages and friendships with some of the twentieth

century's most famous figures Patrick White, Albert Tucker, Benjamin Britten, Robert Lowell, Stephen Spender and Kenneth Clark. The Sidneys of Penshurst and the Monarchy, 1500-1700 Michael G. Brennan, 2006 In the fields of politics, culture and literature the Sidney family was undoubtedly one of the major players in early modern England. This study provides the first book-length examination of their importance to political and court life both in supporting the monarchy and parliament and in exploring alternative modes of government. Drawing upon both historical and literary sources it offers an absorbing insight into the self-perceptions of a leading renaissance family and how they adapted to the vicissitudes of the sixteenth and seventeenth-century world. House Documents USA Congress House of Representatives, 1897 **Kent, past and present** George Frederick Bosworth, 1901 The Art of William Sidney Mount: Long Island People of Color on Canvas Katherine Kirkpatrick and Vivian Nicholson-Mueller, 2022 From farmers cutting hay with scythes to dancers jigging to fiddle music on barn floors, artist William Sidney Mount's paintings reveal a seldom-recognized world on the North Shore of Long Island. At a time when racist caricatures were the norm, Mount portrayed people of color in his mid-nineteenth-century works with great humanity. The subjects who posed for Mount include Rachel the eel-spearer, Henry Brazier the left-handed fiddler, George Freeman the jaunty banjo player and other agricultural laborers, domestic workers and musicians. Authors Katherine Kirkpatrick and Vivian Nicholson-Mueller honor by name the once-anonymous Black and mixed-race models depicted in Long Island artist William Sidney Mount's internationally renowned paintings. Book jacket The Correspondence (c. 1626-1659) of Dorothy Percy Sidney, Countess of Leicester Michael G. Brennan, Noel J. Kinnamon, 2017-05-15 The letters of Dorothy Percy Sidney, Countess of Leicester, dating predominantly from about 1636 until 1643, cover a wide range of issues and vividly illustrate her centrality to her illustrious family's personal and public affairs. These c. 100 letters are here for the first time fully transcribed and edited. The edition includes a biographical and historical introduction setting the context of the Sidneys' family and political activities at the time of Dorothy's marriage to Robert in 1615 and then tracing the major events and involvements of her life until her death in 1659. A key to the cipher used in the letters to disguise identities of individuals is also supplied. Following the introduction is the complete text of each of Dorothy Percy Sidney's letters to her husband Robert, second Earl of Leicester, and to and from William Hawkins, the Sidney family solicitor, along with several others, including letters from Dorothy to Archbishop Laud and the Earl of Holland. Her husband's account of her last moments in 1659 and testamentary directions relating to her will are also included. The letters are arranged in chronological order and supported by a series of footnotes that elucidate their historical context and briefly identify key individuals, places, political issues and personal concerns. These notes are further supported by selective quotations from Dorothy's incoming correspondence and other related letters and documents. A glossary supplies more detailed information on persons and places. Dorothy Percy Sidney's letters eloquently convey how even with her undoubted personal potency and shrewd intelligence, the multifaceted roles expected of an able and determined aristocratic early modern Englishwoman, especially when her husband was

occupied abroad on official business were intensely demanding and testing Sidney Erin Andrews, Sidney Historical Association, 2010-07-05 Nestled in the foothills of the Catskill Mountains Sidney has hummed with economic and industrial activity since its founding by Rev William Johnston in 1772 Over the years the town has been home to a silk mill glassworks cheese factory car factory and many other businesses Notable figures such as New York State Police captain Daniel Fox actor Tom Mix newspaper editor Arthur Bird and even Pres Franklin D Roosevelt have lived in or spent time in the town Today Sidneys civic buildings places of worship recreational haunts and transportation routes continue to reflect the towns long dynamic history Traced within the pages of this book a poignant collection of historical photographs chronicles the towns evolution through the 19th and 20th centuries and on through the devastating flood of 2006 The Miscellaneous Works of Sir Philip Sidney, Knt Philip Sidney, William Gray, 1829 *Walks in London* Augustus John Cuthbert Hare, 1901 *Algernon Sidney and the English Republic 1623-1677* Jonathan Scott, 2005-01-20 The first full scale study of this influential political writer for over a century **A Companion to Renaissance Poetry** Catherine Bates, 2018-02-20 The most comprehensive collection of essays on Renaissance poetry on the market Covering the period 1520 1680 A Companion to Renaissance Poetry offers 46 essays which present an in depth account of the context production and interpretation of early modern British poetry It provides students with a deep appreciation for and sensitivity toward the ways in which poets of the period understood and fashioned a distinctly vernacular voice while engaging them with some of the debates and departures that are currently animating the discipline A Companion to Renaissance Poetry analyzes the historical cultural political and religious background of the time addressing issues such as education translation the Reformation theorizations of poetry and more The book immerses readers in non dramatic poetry from Wyatt to Milton focusing on the key poetic genres epic lyric complaint elegy epistle pastoral satire and religious poetry It also offers an inclusive account of the poetic production of the period by canonical and less canonical writers female and male Finally it offers examples of current developments in the interpretation of Renaissance poetry including economic ecological scientific materialist and formalist approaches Covers a wide selection of authors and texts Features contributions from notable authors scholars and critics across the globe Offers a substantial section on recent and developing approaches to reading Renaissance poetry A Companion to Renaissance Poetry is an ideal resource for all students and scholars of the literature and culture of the Renaissance period The Correspondence of Sir Philip Sidney Philip Sidney, 2012 A fascinating glimpse of Elizabethan life and politics is provided by the first full edition of Sir Philip Sidney s correspondence This young phenomenon author statesman courtier poet and soldier exchanged letters with some of the age s most influential figures Includes general and textual introductions biographical sketches and notes **Sidney** Modeste Hannis Jordan, 1912 **Sidney and Watson** B.D. Murphy, 2024-06-28 Sidney and his partner Watson use an experimental time machine to catch the fugitive who broke time Now they meet time traveling agents from different future timelines The agents are working against each other and want Sidney and Watson s help or they

both could be killed With no knowledge of how it all works Sidney is told that his decisions determine what becomes history Staying alive long enough to decide is also a consideration A mysterious woman from a future timeline saves Sidney during an attack He learns a disturbing truth he could be the reason for multiple time paradoxes Needing help he takes a risk on this unknown woman The decision impacts everything There are two possibilities they will fix time or cause the universe to explode The Arraignment, Tryal & Condemnation of Algernon Sidney, Esq; for High-treason Algernon Sidney,1684

Philip's Phoenix Margaret P. Hannay,1990-01-18 In contrast to previous studies that have portrayed Mary Sidney as a demure retiring woman this biography shows that she was actually an outspoken and dynamic figure Basing her work on primary sources including account books legal documents diaries and family letters Hannay shows that Sidney was a vibrant eloquent self assertive woman who was deeply involved in Protestant politics Although she did confine her writings to appropriately feminine genres she called herself Sister of Philip Sidney to establish a literary and political identity As a Phoenix rising from her brother s ashes she transcended gender restrictions by publishing her brother s writings by writing and translating works which he would have approved by assuming his role as literary patron and by supporting the cause for which he died Hannay also reveals via court cases that in her final years the countess turned from literary to administrative responsibilities contending with jewel thieves pirates and murderers **Brooklyn's Promised Land** Judith

Wellman,2014-11-07 Tells the riveting narrative of the growth disappearance and eventual rediscovery of one of the largest free black communities of the nineteenth century In 1966 a group of students Boy Scouts and local citizens rediscovered all that remained of a then virtually unknown community called Weeksville four frame houses on Hunterfly Road The infrastructure and vibrant history of Weeksville an African American community that had become one of the largest free black communities in nineteenth century United States were virtually wiped out by Brooklyn s exploding population and expanding urban grid Weeksville was founded by African American entrepreneurs after slavery ended in New York State in 1827 Located in eastern Brooklyn Weeksville provided a space of physical safety economic prosperity education and even political power for its black population who organized churches a school orphan asylum home for the aged newspapers and the national African Civilization Society Notable residents of Weeksville such as journalist and educator Junius P Morell participated in every major national effort for African American rights including the Civil War Drawing on maps newspapers census records photographs and the material culture of buildings and artifacts Wellman reconstructs the social history and national significance of this extraordinary place Through the lens of this local community Brooklyn s Promised Land highlights themes still relevant to African Americans across the country
