Sienese Painter Of The Franciscan Legend:

A Sienese Painter of the Franciscan Legend Bernard Berenson, 1910 [A Sienese Painter of the Franciscan Legend](#)
Bernard Berenson, 1919 **A Sienese Painter of the Franciscan Legend (Classic Reprint)** Bernard
Berenson, 2017-11-19 Excerpt from *A Sienese Painter of the Franciscan Legend* I thank the Editor of the Burlington Magazine
for the permission to republish the articles which make up this small book They gave rise to certain misunderstandings which
were probably due in the first place to the fact that they touch too rapidly upon too many things and in the second place to a
question of emphasis I had hoped to help clear my meaning by adding three other essays elaborating what I had to say about
the religious painting of China and Japan about imaginative design and above all about the claims of illustration as a separate

SIENESE PAINTER OF THE FRANCISCAN LEGEND BERNARD. BERENSON, 2018 *A Sienese Painter of the
Franciscan Legend [Stefano Sassetta] ... Twenty-six Illustrations in Collotype* Bernhard BERENSON, Stefano SASSETTA, 1909

Bernard Berenson, the Making of a Legend Ernest Samuels, Jayne Samuels, 1987 Controversy swirls around Bernard
Berenson today as it did in his middle years before and between two world wars Who was this man this supreme connoisseur
of Italian Renaissance painting How did he support his elegant estate near Florence his Villa I Tatti What exactly were his
relations with the art dealer Joseph Duveen What part did his wife Mary play in his scholarly work and professional career
The answers are to be found in the day to day record of his life as he lived it as reported at first hand in his and Mary's letters
and diaries and reflected in the countless personal and business letters they received His is one of the most fully documented
lives of this century Ernest Samuels having spent twenty years studying the thousands of letters and other manuscripts
presents his story in absorbing detail Berenson helped Isabella Stewart Gardner build her great collection and performed
similar though lesser services for other wealthy Americans It was merely an avocation and a useful source of income his
vocation was scholarship But after 1904 when the book opens his expertise was in ever greater demand a purchaser's only
assurance of the authorship of an Italian painting was the opinion of an expert and in this field Berenson was pre eminent
Increasingly he was drawn into the lucrative world of the art dealers inevitably Joseph Duveen found it essential to enlist his
services at first ad hoc then by contractual agreement Samuels charts the course of Berenson's long association with Duveen
Brothers detailing the financial arrangements the humdrum chores and major contested attributions the periodic clashes

between the stubborn scholar and the arrogant entrepreneur The portrayal of Berenson s relationship with Mary is especially intriguing a union of opposites in all but brains and wit bonded despite love affairs jealousies recriminations no longer by passion but by shared concerns Impinging on their lives are those of a huge circle of friends and acquaintances in America and the beau monde of Europe Both as biography and as a chapter of social and cultural history it is a compelling book
